## **Victor Trumper, the Beau Ideal of a Cricketer** Vasant Raiji,1964

*First Tests* Steve Cannane,2011-01-17 Some of Australia s best known cricketers relive their childhood summers of playing cricket in their backyards Australia has dominated test cricket over the last 130 years But it s not the formal cricket academies or high end coaching that are responsible for the Australian cricket team s winning ways the backyard has been the real academy of Australian cricket Don Bradman s unique grip stance and backlift all evolved in response to the pace at which the golf ball rebounded off the tank stand in his backyard games Greg Chappell s trademark flick off the hip shot was invented on his backyard wicket where the best scoring opportunities lay on the leg side Alan Davidson bowled accurately because he had to If he missed the stumps on his home made pitch he had to chase the ball down the hill into the scrub Doug Walters played spin with ease because his ant bed backyard pitch spun like a top Neil Harvey s immaculate footwork came from playing balls that darted viciously off the cobblestones in his back lane this collection of cricketers and the stories of the backyards that made them gets to the heart and soul of their game Facing up to hostile brothers on dodgy pitches created a love of competition and developed the skills and the toughness that took them to the top in test cricket

**The Shorter Wisden 2011 - 2015** Scyld Berry,Lawrence Booth,2015-08-06 The Shorter Wisden is a compelling distillation of what s best in its bigger brother Available from all major eBook retailers Wisden s digital version includes the influential Notes by the Editor all the front of book articles reviews obituaries and all England s Tests from the previous season Brought together for the first time here are the first five editions of The Shorter Wisden distilled from the Almanacks published between 2011 and 2015      **The Immortals of English Cricket** Bill Ricquier,2021-06-23 In The Immortals of English Cricket Bill Ricquier tells the cricketing life stories of eleven of England s greatest male cricketers Ricquier selects his Immortal English team from players who didn t just dominate they changed the game with their sheer will Those portrayed include Jack Hobbs the highest run scorer in the history of first class cricket Ian Botham who was the

most famous sportsman in the country in the 1980s and James Anderson England's leading Test wicket taker Selected also is Wilfred Rhodes the legendary slow left arm bowler who made almost 40 000 first class runs and took over 4 000 first class wickets and the extraordinary Fred Trueman described as the finest bloody fast bowler that ever drew breath The Immortals of English Cricket will inspire discussion debate and controversy but indisputably represents a team of remarkable skill and character one to proudly represent the Crown and Three Lions on any Elysian field

*The Fight for the Ashes in 1926* Pelham Francis Warner,1926

*The Great Romantic* Duncan

Hamilton,2019-07-25 Neville Cardus described how one majestic stroke maker made music and spread beauty with his bat Between two world wars he became the laureate of cricket by doing the same with words In The Great Romantic award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever While popularising cricket while appealing in Cardus words to people who didn't know a leg break from the pavilion cat at Lord's he became a star in his own right with exquisite phrase making disdain for statistics and a penchant for literary and musical allusions Among those who venerated Cardus were PG Wodehouse John Arlott Harold Pinter JB Priestley and Don Bradman However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus mother was a prostitute he never knew his father and he received negligible education Infatuations with younger women ran parallel to a decidedly unromantic marriage And astonishingly the supreme stylist's aversion to factual accuracy led to his reporting on matches he never attended Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown The Great Romantic uncovers the dark enigma within a golden age

*Harold Larwood* Duncan Hamilton,2017-02-02 Winner of the William Hill Sports Book of the Year this is the first ever biography of Harold Larwood Larwood one of the most talented accurate and intimidating fast bowlers of all time is mainly remembered for his role in the infamous Bodyline series of 1932-3 which brought Anglo Australian diplomatic relations to the brink of collapse Larwood was made the scapegoat and despite the fact he was simply following his captain's instructions he never played cricket for England again Devastated by this betrayal he eventually emigrated to Australia where he was accepted by the country that had once despised him Acclaimed author Duncan Hamilton has gained unprecedented access to

the late sportsman's family and archives to tell the story of a true working class hero and cricketing legend **Don Bradman** Brett Hutchins,2002-09-23 This fascinating book takes a different look at Australia's all time sporting hero Sir Donald Bradman **Cricket Commentary & Commentators** Ravi Chaturvedi,2019-11-16 I have been handed the new ball and asked to bowl the opening spell in this book of Cricket Commentary and Commentators It was always my ambition to play Test cricket for India but I was allergic to grass A pity because I would have been the silliest mid on to have played Test cricket My long leg would have been a sensation There have never been swingers to match mine I used to be such an agile fielder that a piece of music Third Man Theme was composed as a tribute On the serious side as a commentator I was always fascinated by how cricket commentary began While the journey of cricket commentary is fairly well recorded in Australia and England the information on the subject in other eight Test playing countries is scanty This book Cricket Commentary Commentators is a humble attempt to weave together threads scattered in different areas and diverse directions The scope of the book has been enlarged to include not just commentators but even anchors presenters scorers and statisticians while making it a compendium on commentary With these opening remarks I urge you the reader to move forward **Australian Book Review** ,1986 *Wisden India Almanack 2016* Suresh Menon,2016-02-26 Wisden has grown through the years to embrace innovation and maintain its status as the most revered and cherished brand in cricket The Bible of Cricket Wisden Cricketers Almanack has been published every year since 1864 Wisden's Cricketers of the Year Awards one of the oldest honours in the sport dates back to 1889 The Almanack known for editorial excellence has been a perennial bestseller in the UK The fourth edition with India specific content is even more engrossing Contributors include Ramachandra Guha Ian Chappell Ajit Wadekar Amol Rajan Osman Samiuddin Dileep Premachandran Prashant Kidambi Ruchir Joshi Rajdeep Sardesai Akash Chopra Jarrod Kimber and Jack Hobbs *William John McKell* Christopher Cunneen,2000 In this first full length biography of William McKell in nearly thirty years Christopher Cunneen provides a vivid portrait of the development of this important and in some ways enigmatic Labor figure and an insight into New South Wales politics during a key period in twentieth century history **BOOK JACKET Bodyline Autopsy** David Frith,2013-06-24 In 1932 England's cricket team led by the haughty Douglas Jardine had the fastest bowler in the world Harold Larwood Australia boasted the most prolific batsman the game had ever seen the young Don Bradman He had to be stopped The leg side bouncer onslaught inflicted by Larwood and Bill Voce with a ring of fieldsmen waiting for catches caused an outrage that reverberated to the back of the stands and into the highest levels of government Bodyline as this infamous technique came to be known was repugnant to the majority of cricket lovers It was also potentially lethal one bowl fracturing the skull of Australian wicketkeeper Bert Oldfield and the technique was outlawed in 1934 After the death of Don Bradman in 2001 one of the most controversial events in cricketing history the Bodyline technique finally slid out of living memory Over seventy years on the 1932 33 Ashes series remains the most notorious in the history of Test cricket between Australia and England David Frith's gripping narrative has

been acclaimed as the definitive book on the whole saga superbly researched and replete with anecdotes **Bodyline Autopsy** is a masterly anatomy of one of the most remarkable sporting scandals     **Sport and the British** Richard Holt,2025-07-09 So many of the world's sports have their origins in Britain Why is this How did sports innovate and evolve in step with social upheaval and political and cultural change Why did British forms of play become so influential around the world Richard Holt explores all of these questions and more in this new edition of Sport and the British A Modern History For over thirty years Sport and the British has been the standard work on the history of sport in Britain and the new edition provides a complete rewrite of the original text incorporating the most up to date research Holt weaves a narrative of the excitement passion and variety of sports played the eighteenth century to the end of the twentieth from street corner kickabouts to the Commonwealth and Olympic Games Sport and the British crosses class race culture and gender illuminating how the transformation of games speaks to the wider history of Britain and its global impact on the history of sport     **On Air** Mike Carlton,2020-02 Mike Carlton was born to controversy His father Jimmy a renowned Olympic athlete and later a Catholic priest married his mother after a whirlwind wartime courtship This scandal was hushed up at first but eventually it made headlines Six years later Jimmy Carlton died in his wife's arms felled by asthma It was a tough beginning Mike would have a Sydney suburban childhood where every penny counted Unable to afford a university education he left school at sixteen to begin a life in journalism that would propel him to the top as one of Australia's best known media figures In an often turbulent career of more than fifty years he has been a war correspondent political reporter a TV news and current affairs reporter an award winning radio presenter in both Sydney and London an outspoken newspaper columnist and a biting satirist In later life he realised a lifelong ambition to write three bestselling books of Australian naval history **On Air** is his story no holds barred With characteristic humour and flair Mike tells of the feuds and the friendships the fun and the follies writing candidly of the extraordinary parade of characters and events he has encountered in the unique life he has led
