June P. Wilson and Walter B. Michaels

The Imperial Shaw An Informal Biography

R.R. Bowker Company

The Imperial Shaw An Informal Biography:

The New York Times Book Review ,1943 *The Catholic Periodical and Literature Index* ,1978 *Biography Catalogue of the Library of the Royal Commonwealth Society* Royal Commonwealth Society. Library,Donald Herbert Simpson,1961

Africa, Empire and Fleet Street Jonathan Derrick,2018-03-15 For decades before and after African independence the London weekly *West Africa* was a well known source of news analysis and comment on the region especially the former British territories Jonathan Derrick who worked on the magazine s staff in the 1960s and again in its final years before closure in 2003 here studies the earlier history of *West Africa* through the story of its largely forgotten editor Albert Cartwright from the magazine s founding in 1917 to Cartwright s retirement in 1947 Before editing *West Africa* Cartwright spent twenty years in South Africa making the headlines in 1901 when as editor of Cape Town s *South African News* during the Boer War he was jailed for a year for a war crimes allegation against Lord Kitchener Exploring Cartwright family papers and memories Derrick reveals the complex nature of a man who for three decades ran a colonial magazine but was appreciated by Africans as someone who genuinely understood them Derrick places the story of colonial era *West Africa* which would reach its greatest heights during the independence period within the wider landscape of British periodicals dealing with Africa in the nineteenth and twentieth centuries *Books to Come; Bowker's Advance Book Reporting Service* ,1960 *Books to Come* R.R. Bowker Company,1959 *British Humanitarianism and the Congo Reform Movement, 1896-1913* Dean Pavlakis,2016-03-09 The Congo Free State was under the personal rule of King Leopold II of the Belgians from 1885 to 1908 The accolades that attended its founding were soon contested by accusations of brutality oppression and murderous misrule but the controversy by itself proved insufficient to prompt changes Starting in 1896 concerned men and women used public opinion to influence government policy in Britain and the United States to create space for reforming forces in Belgium itself to pry the Congo from Leopold s grasp and implement reforms Examining key factors in the successes and failures of a pivotal movement that aided the colonized people of the Congo and broadened the idea of human rights *British Humanitarianism and the Congo Reform Movement* provides a valuable update to scholarship on the history of humanitarianism in Africa The Congo Reform movement built on the institutional experience of overseas humanitarianism the energy of evangelical political involvement and innovations in racial imperial and nationalist discourse to create political energy Often portrayed as the efforts of a few key people especially E D Morel this book demonstrates that the movement increasingly manifested itself as an institutionalized and transnational campaign with support from key government officials that ultimately made a material difference to the lives of the people of the Congo *Media and the British Empire* C. Kaul,2006-03-28 The only true history of a country wrote Thomas Macaulay is to be found in its newspapers This book explores how the media shaped and defined the economic social political and cultural dynamics of the British Empire by viewing it from the perspective of the colonised as well as the colonisers *Library Journal* ,1975 Includes beginning Sept

15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Philosophers of War Daniel Coetzee, Lee W. Eysturlid, 2013-10-21 This user friendly reference systematically covers the entire intellectual history of strategy and war in all cultures and all times Each culture has had its Machiavelli its Sun Tzu its own Mohammed like or Napoleonic figure This encyclopedia ranges across the world to provide entries on every significant military and strategic thinker in human history as well as a number of military cultures covering Chinese Western Indian Islamic and other cultures Each entry supplies a brief biography a synopsis of the writer's theories their success or failure and their impact on other thinkers and military practitioners The unique coverage allows readers to cross cultural barriers and gain access to sources in languages as diverse as Arabic and German and to note key similarities and contrasts The relative importance and contribution of each individual to intellectual progress is noted as is the greater significance of specific schools of thought and debates *Current Book Review Citations*

,1977 **Media and the Empire** Ruth Teer-Tomaselli, Donal McCracken, 2017-10-02 This volume on print and broadcast media in the 19th and 20th centuries highlights the pivotal role that the media played in the establishment and maintenance of imperial power The media bolstered both the ideological and financial objectives of the empire in a myriad of overt covert and downright scandalous ways From jeopardising the introduction of wireless telegraphy in order to maximise the financial gains of the investors of under sea cabling to newspaper proprietors cashing in on the thrilling wonderful and sometimes fabricated adventures of war correspondents in exotic lands the media has had a constant background influence in the public's perception of empire By covering diverse topics from Anthony Lejeune's radio talk show London Letters which supported the Allies by boosting morale and providing a link between soldiers fighting abroad and their families during both World Wars to the complete subversion of imperial influence as in the case of the proliferation of diverse media platforms being used by migrant communities in Britain as a means to promote colonization in reverse the book hints at the politics suspense and intrigue of both the print and broadcast sectors This book was originally published as a special issue of *Critical Arts*

Books and Notes Los Angeles County Public Library, 1926 Alistair Cooke Nick Clarke, 2000 The first major biography of revered journalist Alistair Cooke known to millions here as the host of Masterpiece Theatre to the world as the author of the weekly Letter from America

Australian Dictionary of Biography Douglas Pike, 1966 Since 1966 the Australian Dictionary of Biography has provided Australians with concise informative and fascinating descriptions of prominent men and women of this country who contributed their vision and energies to a growing nation *Quarterly Bulletin* Berkshire Athenaeum and Museum, 1918 *The President and the Assassin* Scott Miller, 2013-06-18 A SWEEPING TALE OF TURN OF THE CENTURY AMERICA AND THE IRRESISTIBLE FORCES THAT BROUGHT TWO MEN TOGETHER ONE FATEFUL DAY In 1901 as America tallied its gains from a period of unprecedented imperial expansion an assassin's bullet shattered the nation's confidence The shocking murder of President William McKinley threw into stark relief the

emerging new world order of what would come to be known as the American Century The President and the Assassin is the story of the momentous years leading up to that event and of the very different paths that brought together two of the most compelling figures of the era President William McKinley and Leon Czolgosz the anarchist who murdered him The two men seemed to live in eerily parallel Americas McKinley was to his contemporaries an enigma a president whose conflicted feelings about imperialism reflected the country's own Under its popular Republican commander in chief the United States was undergoing an uneasy transition from a simple agrarian society to an industrial powerhouse spreading its influence overseas by force of arms Czolgosz was on the losing end of the economic changes taking place a first generation Polish immigrant and factory worker sickened by a government that seemed focused solely on making the rich richer With a deft narrative hand journalist Scott Miller chronicles how these two men each pursuing what he considered the right and honorable path collided in violence at the 1901 Pan American Exposition in Buffalo New York Along the way readers meet a veritable who's who of turn of the century America John Hay McKinley's visionary secretary of state whose diplomatic efforts paved the way for a half century of Western exploitation of China Emma Goldman the radical anarchist whose incendiary rhetoric inspired Czolgosz to dare the unthinkable and Theodore Roosevelt the vainglorious vice president whose 1898 charge up San Juan Hill in Cuba is but one of many thrilling military adventures recounted here Rich with relevance to our own era The President and the Assassin holds a mirror up to a fascinating period of upheaval when the titans of industry grew fat speculators sought fortune abroad and desperate souls turned to terrorism in a vain attempt to thwart the juggernaut of change Praise for The President and the Assassin A panoramic tour de force Miller has a good eye trained by years of journalism for telling details and enriching anecdotes The Washington Independent Review of Books Even without the intrinsic draw of the 1901 presidential assassination that shapes its pages Scott Miller's The President and the Assassin is absorbing reading What makes the book compelling is that so many circumstances and events of the earlier time have parallels in our own The Oregonian A marvelous work of history wonderfully written Fareed Zakaria author of The Post American World A real triumph BookPage Fast moving and richly detailed The Buffalo News A compelling read The Boston Globe One of Newsweek's 10 Must Read Summer Books

Oxford Dictionary of National Biography: Kebell-Knowlys Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 *The Writer's Directory, 1998-2000* Miranda H. Ferrara, 1995 Information on more than 17 500 living authors from English speaking countries The Writers Directory, 1996
