the life of Jesus Christ is a strong emphasis on the cost of discipleship Jesus seemed to spend more time warning men of trials and difficulties than he did urging them to follow him The cost of discipleship means there is a price that one must pay to go further in God Christianity is a challenge What is it that you have always dreamed of doing what is that you have always desired to accomplish in the Lord The things we seek after in God are not out of reach but they don't just come to us even though God is no respecter of persons and He is ready to do the extraordinary the remarkable and the rare in every believer's life Though it may surprise you the richest deposits on our planet lie just a few blocks from your house They rest in your local cemetery or graveyard Buried beneath the soil within the walls of those sacred grounds are dreams that never came to pass songs that were never sung books that were never written paintings that never filled a canvas ideas that never were shared visions that never became a reality inventions that never went beyond the drawing board the mind and purposes that were never fulfilled Our graveyards are filled with potential that remained potential I will endeavor in this book meet the challenge set forth by The Word of God

vanished As they investigate the suspicious death of one and the disappearance of another of the group of six faculty members who had come to consider themselves an island in a sea of educational malfeasance their respect for these dedicated professors and scholars and for education itself grows They also come to realize that the supposedly hallowed halls of academia may be even more frightening than the decidedly mean streets of the city *Biography of Bobby Collins Sr.*

Bobby Collins Sr., 2017-07-01 The goal and motivation for publishing this book is to promote pride faith importance of goals education and achievement I was blessed to have a great extended family and wonderful children Bobby Jr and Alicia and the greatest wife a man could be blessed to have Most of my work as related to community service was motivated out of concerns for my children and all children of this world and my late wife s concern for the safety and welfare of her children My other motivation was to prove a false negative wrong that being if you are not a person of privilege one will never attain your dreams and goals and to do the best job possible so that individuals coming behind me would find open doors free of stumbling blocks The other part of that message was that if one does find stumbling blocks to respond by using them as stepping stones because life produces negative situations but never let anything or anybody break your desire to achieve your goals A message to all youth that may read this book is that life owes you nothing other than an equal opportunity Also I subscribe to the adage that you may not get all you pay for but you must pay for all you get I may not sell many books but if my book motivates and saves one life mission accomplished Get a good education and be prepared when opportunity comes knocking as my uncle Robert Bob Collins my hero told me Set goals and have a plan on how to achieve them One of the most defining events was the day I received my associate s degree in Business Administration from the greatest community college Lewis and Clark Community College in the country That degree opened many doors for me and my family
