Weiner, 2008-09-18 This work provides an extensive guide for students fans and collectors of Marvel Comics Focusing on Marvel s mainstream comics the author provides a detailed description of each comic along with a bibliographic citation listing the publication s title writers artists publisher ISBN if available and a plot synopsis One appendix provides a comprehensive alphabetical index of Marvel and Marvel related publications to 2005 while two other appendices provide selected lists of Marvel related game books and unpublished Marvel titles

**Incal #3** Alexandro Jodorowsky, 2003-07-01 In the 1980s Marvel Comes Epic imprint presented an English language version of Moebius and jodorowsy s epic The Incal It sold thousands of copies and introduced a generation of today s most popularities to one of their main influences in Moebids artwork This part of the Incal adventure has been out of print for years in America leaving fans staying for a new version This volume will not only satisfy this hunger for regions of fans but also give them even more by featuring a stunning re coloring of the tale Incal TPB 3 is one of the best comic stories of all time and will be a welcome addition to many fans collections

**Graven Images** A. David Lewis, Christine Hoff Kraemer, 2010-10-21 Comic books have increasingly become a vehicle for serious social commentary and specifically for innovative religious thought Practitioners of both traditional religions and new religious movements have begun to employ comics as a missionary tool while humanists and religious progressives use comics unique fusion of text and image to criticize traditional theologies and to offer alternatives Addressing the increasing fervor with which the public has come to view comics as an art form and Americans fraught but passionate relationship with religion Graven Images explores with real insight the roles of religion in comic books and graphic novels In essays by scholars and comics creators Graven Images observes the frequency with which religious material in devout educational

satirical or critical contexts occurs in both independent and mainstream comics Contributors identify the unique advantages of the comics medium for religious messages analyze how comics communicate such messages place the religious messages contained in comic books in appropriate cultural social and historical frameworks and articulate the significance of the innovative theologies being developed in comics
