*I Can't Believe She Did That!* Nan Mooney, 2025-06-25 I CAN'T BELIEVE SHE DID THAT offers a new and compelling perspective on conflict and competition among women in the workplace Nan Mooney explores how and why some women hurt each other on the job and what we can do to begin cleaning up the mess Based on real stories from real women I CAN'T BELIEVE SHE DID THAT provides a provocative social and cultural exploration of the often troubled and painful dynamics that unfold among female coworkers The massive influx of women into the workplace in the past thirty years means a whole new category of problems has arisen Suddenly women are working over under and alongside other women Their professional relationships are subject to the pressures and conflicts of organizational culture not to mention society at large Women on the job have grown more comfortable with ambition competition management and success but that hasn't negated the value they place on

communication and relationships on being liked and being nice Striking a balance between these two selves is a delicate undertaking and many women are uncertain how to interact in a workplace where such lines are regularly being blurred Working together women have fostered a breathtaking degree of positive change But there is another side to the story If women are to continue moving forward the time has come to examine honestly and unequivocally our very human impulse to compete with hurt and even destroy one another to get what we want In I CAN T BELIEVE SHE DID THAT Nan Mooney provides vivid insights on the emotional toll competition can take on women in business and charts a path towards more productive and fulfilling relationships for professional women everywhere

In the Shadow of the Greystone Ranch M. Susan Thuillard, 2009-04-02 In the Shadow of the Greystone Ranch Sara Peters wasn't satisfied with the rather mysterious death of her husband Especially after his journal appeared in her mailbox She set out on her own to prove a theory posed in the book and now she too was missing Her son Jamie slumped back into his chair but his friend Alex became excited Help from the outside JP he said Now we'll get somewhere They got my letters and are acting I love it He punched the air for emphasis Yeah mumbled Jamie But where's Mom None of this is any good if she's dead too He paused his agony turning to anger And where's that stupid cowboy The northwest is teeming with danger and excitement as the mountain valley and all its inhabitants come under the shadow of the Greystone Ranch You'll be riveted to your seat as the story of love and murder unfolds in one of the most beautiful spots on the planet How can Sara and her son survive the sinister shadow that envelopes them all

Shah Rukh Can: The Story of the Man and Star Called Shah Rukh Khan Mushtaq Shiekh, This book is the best window into Shah Rukh Khan's inner world and soul Mushtaq being a friend of the family is the best artist for this family portrait portrayal If Shah Rukh Khan has been known for his non stop talk then writer Mushtaq Sheikh too doesn't appear far behind when it comes to translating his thoughts into words He writes and writes and then further writes about Shah Rukh something that makes one feel that more than a friend and a colleague Mushtaq looks at Shah Rukh as a hero Someone who is not just his hero but also an entire country's correction entire world's hero It is this very fan factor that makes Shah Rukh Can a read that seems to be coming straight from an admirer's heart What makes this book special is that a lot of the material words and pictures is stuff that we haven't seen before There are some things even Google's search algorithms cannot find But Mushtaq Shiekh can From a book that claims to talk about The Life and Times of Shah Rukh Khan the least you expect is some trivia from the actor's life both personal and professional about which not much has been written about in the past The kind which makes you wonder if something like that had really happened in the actor's life Thankfully Mushtaq extracts quite some trivia out of the actor's life So you get to know how Shah Rukh was offered the role of Anil Kapoor's car driver in 1942 A Love Story which he rejected of course Eventually Raghuvir Yadav did that role Or how Shah Rukh completely surrendered to the director's vision and withdrew himself when he couldn't follow the trajectory of Subhash Ghai's *Pardes* It's a different matter though that Shah Rukh was appreciated for his performance in the film but so was he in

Karan Arjun too which by the way he dared not watch over the years because he didn't connect with the role There are number of such little instances that make Shah Rukh Can an interesting read But is it just about the actor and the trivia around his life Not at all One of the unexplored facets of Shah Rukh that is covered in the book in extensive detail is his views around acting v s performances This book is the best window into Shah Rukh Khan's inner world and soul Mushtaq being a friend of the family is the best artist for this family portrait It's almost like having Shah Rukh Khan over for coffee Karan JoharCompelling A story you need to read if you feel the need to be inspired TabuThis book catches Shah Rukh Khan in his personal and professional space with versatile ease Subhash GhaiA book that I could not keep down Worthy of many reads Farah KhanIt's not a book it unfolds like a movie Ashutosh GowarikerIt's a beautifully crafted book It's very difficult to catch the radiance of a man and star like Shah Rukh Khan Mushtaq Shiekh not only manages it but also shocks you by adding further value Santosh SivanWhen a writer of the calibre of Mushtaq is writing a book about me then I presume the book I am writing can wait Shah Rukh Khan
