**The International Jew: The World's Foremost Problem** Henry Ford, 1957 Why discuss the Jewish Question Because it is here and because its emergence into American thought should contribute to its solution and not to a continuance of those bad conditions which surround the Question in other countries The Jewish Question has existed in the United States for a long time Jews themselves have known this even if Gentiles have not There have been periods in our own country when it has broken forth with a sullen sort of strength which presaged darker things to come Many signs portend that it is approaching an acute stage Not only does the Jewish Question touch those matters that are of common knowledge such as financial and commercial control usurpation of political power monopoly of necessities and autocratic direction of the very news that the American people read but it reaches into cultural regions and so touches the very heart of American life This question reaches down into South America and threatens to become an important factor in Pan American relations It is interwoven with much of the menace of organized and calculated disorder which troubles the nations today It is not of recent growth but its roots go deep and the long Past of this Problem is counterbalanced by prophetic hopes and programs which involve a very deliberate and creative view of the Future This little book is the partial record of an investigation of the Jewish Question It is printed to enable interested readers to inform themselves on the data published in The Dearborn Independent prior to Oct 1 1920 The demand for back copies of the paper was so great that the supply was exhausted early as was also a large edition of a booklet containing the first nine articles of the series The investigation still proceeds and the articles will continue to appear as heretofore until the work is done The motive of this work is simply a desire to make facts known to the people Other motives have of course been ascribed to it But the motive of prejudice or any form of antagonism is hardly strong enough to support such an investigation as this Moreover had an unworthy motive existed some sign of it would inevitably appear in the work itself We confidently call the reader to witness that the tone of these articles is all that it should be The International Jew and his satellites as the conscious enemies of all that Anglo Saxons mean by civilization are not spared nor is that unthinking mass which defends anything that a Jew does simply because it has been taught to believe that what Jewish leaders do is Jewish Neither do these articles proceed upon a false emotion of brotherhood and apology as if this stream of doubtful tendency in the world were only accidentally Jewish We give the facts as we find them that of itself is sufficient protection against prejudice or passion

**The International Jew** Henry Ford, 2003-07-01 In 1920 Henry Ford bought The Dearborn Independent a virile and very independent journal published in his home town He used it to publish his series of 81 articles between 1920 and 1922 on the Jewish Question in America which he called the world s foremost problem The Dearborn Independent was distributed

nationwide to Ford dealer showrooms and was offered free of charge to the general public At its peak circulation reached 700 000 readers He later published the articles as a four volume set of books At the Nuremberg Tribunal Baldur Von Shirach Hitler Youth Leader said he had been influenced through reading these books The work was also quoted in Mein Kampf by Adolf Hitler This volume reprints the articles from March 26 1921 to November 1921 This four volume set is an important document in the history of anti semiticisim in America **The International Jew - The World's Foremost Problem** Henry Ford,2016-04-18 Volume 3 Jewish Influences in American Life The International Jew The World s Foremost Problem is a four volume set of booklets or pamphlets published and distributed in the early 1920s by Henry Ford an American industrialist and automobile manufacturer In Spring 1920 Ford made his personal newspaper The Dearborn Independent chronicle what he considered the Jewish menace Every week for 91 issues the paper exposed some sort of Jewish inspired evil major story in a headline The most popular and aggressive stories were then chosen to be reprinted into four volumes called The International Jew The International Jew, the World's Foremost Problem ,1920 The International Jew : The World's Foremost Problem Anonymous,2022-09-04 The International Jew The World s Foremost Problem is a controversial text that explores deeply embedded anti Semitic tropes and conspiracies surrounding Jewish influence in global affairs during the early 20th century Presented in a polemical style that evokes the journalistic fervor of its time the book is structured as a series of essays that purport to unveil a supposed Jewish agenda affecting politics economics and culture Its historical context in the inter war period reveals how such rhetoric contributed to unsettling social tensions and ultimately set the stage for subsequent conflicts The work stands as a reflection of prevailing prejudices and is infamously linked with the proliferation of extremist ideologies in that era The author of this work remains anonymous a decision likely motivated by the risks associated with articulating such inflammatory views during a time of growing anti Semitic sentiment Influenced by the societal upheavals of post World War I the author sought to articulate a perceived crisis in Western civilization blaming marginalized groups for the tumultuous changes in society This anonymity serves to underline the text s controversial nature while also inviting questions about the motivations behind such charged narratives This work remains significant for scholars and readers seeking to understand the historical roots of anti Semitism and its manifestations in contemporary discourse While it reflects the prejudices of its time it also serves as a cautionary tale about how such ideologies can take shape and influence society Caution is advised but critical engagement with the text is essential for those dedicated to examining the complexities of historical and modern prejudices The International Jew Dearborn Independent,2017-09-16 The reader of this set of Dearborn Independent articles will immediately be struck by markers of its historical period and the virulence of its author s antisemitism The use of vocabulary long out of use and the editorialised prejudice functions as a time stamp The small town newspaper the Dearborn Independent was purchased by the American industrialist Henry Ford and whilst the editorial articles were not Ford s work they were directed and edited with his input from the time of its purchase Shocking as

they may be this work is notable not for the views that it expresses about Judaism and its adherents but for the scope of the Jewish conspiracy that it envisages The International Jew although distasteful to the modern reader has the unique attribute of showing us a piece of writing that we can be certain made it across the Atlantic Ocean and influenced the fevered thinking of senior Nazi party figures Those who approach history as an opportunity to learn an opportunity to ensure it never comes again are here offered a chance to understand the pernicious rhetoric that lulled a party and more than one population less than a century ago At all times the reader should hold on to the knowledge that the chief influence on this writing was considered a potential presidential candidate these articles were stacked in waiting rooms car dealerships and parroted by the national press A powerful reminder that we must always remain vigilant and a precious resource reminding the reader what to watch for About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
