It takes months for Australian social psychologist Janine McQuarrie to succumb to her husband's pressure to attend spouse swapping parties, but eventually she gives in. Then, driving with her young daughter one day, she gets out of her car to ask directions and is shot and killed. The little girl escapes when the gunman's pistol misfires. Inspector Hal Challis of the Crime Investigation Unit is assigned the case, but his efforts are thwarted by his boss. The dead woman was Superintendent McQuarrie's daughter-in-law, and he seems to be more interested in protecting his son than in finding his daughter-in-law's murderer. Who might have a motive to kill this attractive young wife and mother? One of her clients. One of the swingers she'd gotten together with at a party. Or the obvious suspect, her husband. **American Dramatists in the 21st Century** Christopher Bigsby, 2023-02-23. In *American Dramatists in the 21st Century: Opening Doors*, Christopher Bigsby examines the careers of seven award-winning playwrights: David Adjmi, Julia Cho, Jackie Sibblies Drury, Will Eno, Martyna Majok, Dominique Morisseau, and Anna Ziegler. In addition to covering all their plays, including several as yet unpublished, he notes their critical reception while drawing on their own commentary on their approach to writing and the business of developing a career. The writers studied come from a diverse range of racial, religious, and immigrant backgrounds. Five of the seven are women. Together, they open doors on a changing theatre and a changing America, as ever concerned with identity, both personal and national. This is the third in a series of books which together have explored the work of twenty-four American playwrights who have emerged in the current century. *The Canadian Rockies Rough Guides Snapshot Canada (includes Banff, Jasper, Mount Robson, Yoho, Kootenay and Waterton Lakes national parks, plus Columbia Valley, Kananaskis Country and the Icefields Parkway)* Rough Guides, 2013-07-11.
