Hailey, 2024-09-28 DEATHLESSNESS the magnet for evil No one is as impetuous and as spontaneously inventive as Esmeralda when it comes to looking after her human family in times of crisis So just as she broke barriers and laws to intervene in the human world when her sister was being murdered her recklessness again comes to the surface when her human birth mother is hit by a car What she does is so extraordinary that it actually leads to the discovery of how the boundary between virtual and physical worlds can be erased That knowledge in itself is not dangerous at all if contained within the virtual world of Screenside Sadly some humans get to know and it is soon revealed that the virtual world holds the key to human immortality That starts off a very clever game plan to cheat the virtuals using their desperation to end human pain The virtual side begins immersing itself into the remarkably easy and rewarding job of helping and curing humans suffering from motor and mental issues while scarcely bothering with precautions being confident that the physical world cannot misuse the virtual one But there are many seekers of The Holy Grail ETERNAL LIFE and they will always be wealthy powerful and evil and able to arrange things that otherwise seem impossible
