## **So Short A Time A Biography Of John Reed And Louise Bryant:**

*So Short a Time* Barbara Gelb, 1973      **John Reed** Kenneth Z. Chutchian, 2019-10-22 John Reed was one of America's most dynamic journalists during the World War I decade. An unabashed advocate for the working class and an outspoken critic of capitalism, Reed was a star reporter before his relentless crusade turned him into a target of the U.S. government. Reed set the standard for descriptive writing at labor strikes in New Jersey and Colorado in Mexico while riding with Pancho Villa in Germany's trenches and in Russia. America had no shortage of rebels, socialists, anarchists, and revolutionaries at that time, but with his outsized personality and command of language and audiences, Reed may have been the most dangerous rebel of them all. Neither adversaries nor allies expected Reed to go the distance or to Russia with his convictions. He seemed to enjoy life and merriment too much to sacrifice everything for a second American revolution. But they all underestimated the anger that fueled him: the memory of a father who sacrificed his reputation to fight white collar crime. This career biography details Reed's extraordinary decade before his death at age 32, a chaotic period of constant movement and remarkable accomplishment while placing him in context among those who shaped him and touching upon the people with whom he worked.      *Martyrs of the Early American Left* Robert C. Cottrell, 2023-04-12 Intertwining the stories of three leading early twentieth-century radical Americans, this book presents the enthralling tale of the too short lives of Inez Milholland, Randolph Bourne, and John Reed. It highlights the movements and personal experiences that drew such privileged individuals to the American left, willing to sacrifice comfortable circumstances and opportunities. As writers and activists, the trio became leading spokespersons for feminism, sexual liberation, unions, civil liberties, pacifism, internationalism, socialism, anarchism, and in Reed's case, communism. Challenging capitalism, patriarchy, and the nation-state, the independently minded Milholland, Bourne, and Reed possessed a twofold commitment to personal liberation and community. With their early deaths, they left behind personal models for acting, living, and thinking afresh. One could say they became martyrs to the very movements they championed.      **The Provincetown Players and the Culture of Modernity** Brenda Murphy, 2005-12 A study of the most influential theatre group of the twentieth century, the Provincetown Players.      *By Women Possessed* Arthur Gelb, Barbara Gelb, 2016-11-01 Celebrated for their books on Eugene O'Neill and enjoying access to a trove of previously sealed archival material, the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize-winning American playwright. This is a tour through both a magical moment in American theater and the troubled life of a genius. Not a peep show or a celebrity gossip fest, this book is a brilliant investigation of the emotional knots that ensnared one of our most important playwrights. Handsome, charming when he wanted to be, O'Neill was the flame women were drawn to, all that is except his mother who never let him forget he was unwanted. *By Women Possessed* follows O'Neill through his great successes, the failures he was able to shrug off, and the long eclipse, a twelve-year period in which, despite the Nobel, nothing he wrote was produced. But ahead lay his greatest achievements: *The Iceman Cometh* and *Long Day's Journey into*

Night Both were ahead of their time and both received lukewarm receptions It wasn't until after his death that his widow the keeper of the flame began a fierce and successful campaign to restore his reputation The result is that today just over 125 years after his birth O'Neill is a towering presence in the theater his work always in performance here and abroad still electrifying audiences Perhaps of equal importance he is the acknowledged father of modern American theater the man who paved the way for the likes of Arthur Miller Tennessee Williams Edward Albee and a host of others But as Williams has said at a cost O'Neill gave birth to the American theater and died for it

**The Women of Provincetown, 1915-1922** Cheryl Black, 2002 In this work Cheryl Black argues that Provincetown has another largely unacknowledged claim to fame it was one of the first theatre companies in America in which women achieved prominence in every area of operation At a time when women playwrights were rare women directors rarer and women scenic designers unheard of Provincetown's female members excelled in all these functions making significant contributions to the development of modern American drama and theatre In addition to playwright Glaspell the company's female membership included the likes of poets Edna St Vincent Millay Mina Loy and Djuna Barnes journalists Louise Bryant and Mary Heaton Vorse novelists Neith Boyce and Evelyn Scott and painter Marguerite Zorach *John Reed* Eric Homberger, 1990

**The Provincetown Players and the Playwrights' Theatre, 1915-1922** Edna Kenton, 2004-01-01 The feminist writer and editor Edna Kenton 1876–1954 was elected to the Executive Committee of the Provincetown Players by 1916 This theatrical company first to present the plays of Eugene O'Neill rebelled against the commercialism of Broadway and gave unrecognized dramatists the opportunity to experiment Kenton was a great admirer of company leader George Cram Cook and when Cook died in Greece in the early 1920s Kenton dedicated herself to upholding his vision of a Dionysian ideal in American theater This is Kenton's original history of the influential theatre from the first seasons at Provincetown in 1915 and 1916 to the final New York season in 1922 This invaluable eyewitness account has been edited from the most complete and latest version of Kenton's text with consultation of earlier incomplete versions Kenton transcribed many playbills into the text and included others whole between the pages the latter are included as illustrations An appendix reprints Kenton's two periodical articles about the Provincetown Players and articles from the New York Herald the Boston Globe and the Boston Evening Transcript as well as other memories of the Provincetown Players including those of Marsden Hartley Nina Moise M Eleanor Fitzgerald and Djuna Barnes

**Four Plays By Eugene O'Neill** Eugene O'Neill, 2007-08-07 Winner of four Pulitzer Prizes and the first American dramatist to receive a Nobel Prize Eugene O'Neill filled his plays with rich characterization and innovative language taking the outcasts and renegades of society and depicting their Olympian struggles with themselves and with destiny [The Russian Revolution and Civil War 1917-1921](#) Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have

had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state
