Frontier It had recently achieved statehood as the 49th U S state on January 3 1959 about two years before I arrived with my
husband an Alaskan Aleut The population at the time was mostly native Alaskans of di erent tribes such as Eskimo Aleut
Tlingit Alaskan Athabaskans and others In the village where I lived the natives were part Aleut Russian Irish and Swede The
village in 1960 was a small close knit community of about 60 people They were all related to each other in some way When I
lived there I was the only white person from the lower 48th in the village These are entries from a diary I kept in a spiral
