To the Budding Creative Writer. A Handbook Roselyne M. Jua, Bate Besong, 2009 To the Budding Creative Writer A Handbook is designed to help young writers come to grips with questions and problems relative to their creative efforts The authors discuss a range of topics providing guidelines on such issues as style technique point of view characterization poetic diction figurative language denotation and connotation etc They equally offer useful critical comments on some of the works of accomplished African writers whom they cite as models for beginning writers fusing literary creativity with literary criticism All along the co authors stress the centrality in imaginative writing of both the what and the how or matter and manner and how to combine both to good effect

Nwanyibu Phanuel Akubueze Egejuru, Ketu H. Katrak, 1997 Ecocritical Approaches to Literature in French Douglas L. Boudreau, Marnie M. Sullivan, 2015-12-24 Ecocriticism is a critical approach that focuses on the representation in literature of the non human elements of the natural world a method of inquiry that has been largely limited to literature written in English The aim of Ecocritical Approaches to Literature in French is twofold to introduce ecocriticism to scholars of French language literature and to open ecocriticism to the vision and voices of French literature The chapters look at work not only from France but also from North America the Caribbean and Africa The discussions include fiction poetry film and pedagogy The goal of the collection is to demonstrate not only the applicability of ecocritical inquiry to literature in French but to demonstrate the possibilities of ecocritical theory on the study of French literature and also for ecocriticism itself This collection will be a useful resource both for scholars of French language literature and also for ecocritics who may have had only limited contact with literatures in languages other than English
