Grandstaff, *Readings in social foundations of education* ,1969 *Readings in Social Foundations of Education* Iqbal
Ahmad,1969 **Sociological Foundations of Education** Claire Maxwell,Miri Yemini,Laura Engel,2023-03-23 This volume
introduces sociology as a foundational discipline of education Education is a central structuring mechanism in shaping
societies making it a core focus for sociology Sociologists study education in its broadest sense as occurring within families
communities and provided by institutions The purposes of formal education are contested and these contestations shape
broader power relations locally nationally and globally Sociologists disaggregate processes within education to examine
empirically and theoretically the various levels at which they operate This allows them to describe and make sense of the
ways that relations of inequality are developed reproduced or unsettled and how these shape individual and group
experiences and outcomes About the Educational Foundations series Education as an academic field taught at universities
around the world emerged from a range of older foundational disciplines The Educational Foundations series comprises six
volumes each covering one of the foundational disciplines of philosophy history sociology policy studies economics and law
This is the first reference work to provide an authoritative and up to date account of all six disciplines showing how each field
s ideas methods theories and approaches can contribute to research and practice in education today The six volumes cover
the same set of key topics within education which also form the chapter titles Mapping the Field Purposes of Education
Curriculum Schools and Education Systems Learning and Human Development Teaching and Teacher Education Assessment
and Evaluation This structure allows readers to study the volumes in isolation by discipline or laterally by topic and facilitates
a comparative thematic reading of chapters across the volumes Throughout the series attention is paid to how the disciplines
comprising the educational foundations speak to social justice concerns such as gender and racial equality **Social**

 Educational Philosophy and Sociological Foundation of Education Hans, Emmanuel,2024-10-03 The intersection of
philosophy and sociology within the realm of education is a dynamic field that offers profound insights into the fundamental
principles and practices shaping educational systems globally By examining the philosophical underpinnings of education we
gain a deeper understanding of how educational environments are influenced and constructed This interdisciplinary
approach not only enriches theoretical discussions but also has practical implications for curriculum development

policymaking and the fostering of equitable and inclusive learning experiences Educational Philosophy and Sociological Foundation of Education provides a comprehensive understanding of educational philosophy and its sociological underpinnings Through a series of chapters authored by experts in the field this book delves into various philosophical concepts and their implications for educational practices while also exploring the sociological dimensions influencing educational systems Covering topics such as academic achievement outcome based education and universal design this book is an excellent resource for graduate and postgraduate students educators researchers policymakers academicians administrators sociologists and more
