Social History Of Canada:

Social History of Canada, 1974 **The social history of Canada** James S. Woodsworth, 1972 The Americanization of Canada Samuel Erasmus Moffett, 1972 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates **Canadians in the Making; a Social History of Canada** Arthur R M (Arthur Reginald Lower, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Canadians in the Making Arthur Reginald Marsden Lower, 1965 *The Canadian Encyclopedia* James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information

as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Canadians in the Making Arthur Reginald Marsden Lower, 1965 **Studies in Canadian Social History** Michiel Horn, Ronald Sabourin, 1974 To illuminate Canada's past the editors of this collection have assembled works by leading scholars in a cross section of disciplines Focusing variously on the land and the distribution of population on social class and structure on attitudes and ideas beliefs and behavior protest and conflict the articles explore the ways in which Canadians from the eighteenth to the twentieth centuries have dealt with the pressing issues that affect their everyday lives The authors examine the events of Canadian history and the elements of Canadian society which have shaped and been

shaped by politics economics geography and ideology Michiel Horn Associate Professor and Chairman of the Department of History at Glendon College York University is the editor of *The Dirty Thirties* and the author of articles in the *Canadian Historical Review* and the *Journal of Canadian Studies* He received his PhD from the University of Toronto and is a member of the National Executive of the Canadian Association of University Teachers Ronald Sabourin a lecturer in the Department of Sociology at Glendon College York University has written for *Parti Pris* and other Quebec periodicals He is a graduate of the University of Montreal

Life in Ontario G.P. deT. Glazebrook, 1968-12-15 This is Ontario's story a collective biography of her people a history of her development as a province Illustrated by Adrian Dingle this refreshing study with its emphasis on the personal offers an enduring portrait of a province

Home, Work, and Play John C. Walsh, James William Opp, 2006 Spanning the nineteenth and twentieth centuries *Home Work and Play* presents a collection of recent work in Canadian social history The essays have been specifically chosen to offer insight into the important changes that have occurred within the field over the past ten years while the unique organization of home work and play helps to provide an organizational structure that students can manage and learn from Underlying the three sections are the threads of class race and gender which interweave and unify the collection This is a reader designed as a core text for courses in Canadian social history The essays are organized around the two traditional social history themes of home and work and around a newer theme play which encompasses leisure sports consumerism and sexuality The collection of 22 essays will be supplemented by three visual resources which will contain photographs advertisements architectural floor plans and cartoons

Canadians in the Making Arthur Reginald Marsden Lower, 1958 **The Oxford Handbook of Canadian Literature** Cynthia Conchita Sugars, 2016 The *Oxford Handbook of Canadian Literature* provides a broad ranging introduction to some of the key critical fields genres and periods in Canadian literary studies The essays in this volume written by prominent theorists in the field reflect the plurality of critical perspectives regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods The volume provides a dynamic introduction to current areas of

critical interest including 1 attention to the links between the literary and the public sphere encompassing such topics as neoliberalism trauma and memory citizenship material culture literary prizes disability studies literature and history digital cultures globalization studies and environmentalism or ecocriticism 2 interest in Indigenous literatures and settler Indigenous relations 3 attention to multiple diasporic and postcolonial contexts within Canada 4 interest in the institutionalization of Canadian literature as a discipline 5 a turn towards book history and literary history with a renewed interest in early Canadian literature 6 a growing interest in articulating the affective character of the literary including an interest in affect theory mourning melancholy haunting memory and autobiography The book represents a diverse array of interests from the revival of early Canadian writing to the continued interest in Indigenous regional and diasporic traditions to more recent discussions of globalization market forces and neoliberalism It includes a distinct section dedicated to Indigenous literatures and traditions as well as a section that reflects on the discipline of Canadian literature as a whole

The School Promoters Alison Prentice, 2025-08-29 Alison Prentice's 1977 groundbreaking monograph *The School Promoters* is a revisionist account of public education's emergence This latest edition includes a foreword and appendices by editors Bruce Curtis Jennifer Henderson and Mythili Rajiva offering updated analysis and primary documents that deepen the understanding of Egerton Ryerson's role in shaping Ontario's educational system Using a wide range of archival and published sources *The School Promoters* provides a lucid account of the preoccupations of the White mostly middle class reformers connected to Ryerson who were responsible for the advent of public education in Ontario as part of their concern with the future of Canadian society This edition situates Prentice's analysis of class domination within the context of settler colonialism exploring how education worked as a project for genocide as well as a means of social discipline In particular the editors expose how the proclaimed universality of public education was contradicted by the reformers' logic for targeting paupers and Indigenous peoples with religious schooling A reparative reading of Prentice's influential work *The School Promoters* Egerton Ryerson and His Circle Second Edition highlights the relevance of this groundbreaking social history to contemporary analysis of Canada

[Canada - An American Nation?](#) Allan Smith, 1994 A compilation of Smith's history U of British Columbia essays on the influence of American society on Canadian identity Based on the notion that Canada can best be understood if viewed in relation to the US Smith explores the ways in which American influences have challenged Canada's cultural

Family History, Historical Consciousness and Citizenship Tanya Evans, 2021-12-16 Family history is one of the most widely practiced forms of public history around the globe especially in settler migrant nations like Australia and Canada It empowers millions of researchers linking the past to the present in powerful ways transforming individuals' understandings of themselves and the world This book examines the practice meanings and impact of undertaking family history research for individuals and society more broadly In this ground breaking new book Tanya Evans shows how family history fosters inter generational and cross cultural religious and ethnic knowledge how it shapes historical empathy and

consciousness and combats social exclusion producing active citizens Evans draws on her extensive research on family history including survey data oral history interviews and focus groups undertaken with family historians in Australia England and Canada collected since 2016 Family History Historical Consciousness and Citizenship reveals that family historians collect and analyse varied historical sources including oral testimony archival documents pictures and objects of material culture This book reveals how people are thinking historically outside academia what historical skills they are using to produce historical knowledge what knowledge is being produced and what impact that can have on them their communities and scholars The result is a necessary revival of the current perceptions of family history Canadians in the Making, A Social History of Canada Arthur R.
