Ives,Roger G. Barry,2019-09-18 Originally published in 2000 The Arctic provides a comprehensive overview of the region s rapidly changing physical and human dimensions and demonstrates the importance of communication between natural scientists social scientists and local stakeholders in response to the tremendous challenges and opportunities facing the Arctic It is an essential resource for all Arctic researchers particularly those developing multidisciplinary projects It provides an overview of key areas of Arctic research by renowned specialists in the field and each chapter forms a detailed varied and accessible account of current knowledge Each author introduces the subject to a specialist readership while retaining intellectual integrity and relevance for specialists Overall the richness of the material presented in this volume reflects the ecological and cultural diversity of this vast and environmentally critical part of the globe **Encyclopedia of the Arctic** Mark Nuttall,2005-09-23 With detailed essays on the Arctic s environment wildlife climate history exploration resources economics politics indigenous cultures and languages conservation initiatives and more this Encyclopedia is the only major work and comprehensive reference on this vast complex changing and increasingly important part of the globe Including 305 maps This Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues but a fascinating and comprehensive resource for residents of the Arctic and all those concerned with global environmental issues sustainability science and human interactions with the environment **Ecological Migrants** Yuanyuan Xie,2015-12-01 Reindeer herding Ewenki hunters have lived in the forests of China s Greater Khingan Range for over three hundred years They have sustained their livelihoods by collecting plants and herbs hunting animals and herding reindeer This ethnography details changing Ewenki ways of life brought first by China s modernization and development policies and more recently by ecological policies that aim to preserve and restore the badly damaged ecologies of western

China Xie reflects on modernization and urbanization in China through this study of ecological migration policies and their effects on relocated Aoluguya Ewenki hunters Redefining Shamanisms David Gordon Wilson, 2013-03-28 An analysis of the Anglo American Spiritualist movement which provides a new definition of shamanism based on a pattern of apprenticeship unique to traditional shamanisms Stone Age Economics Marshall Sahlins, 2013-04-03 Stone Age Economics is a classic of economic anthropology ambitiously tackling the nature of economic life and how to study it comparatively This collection of six influential essays is one of Marshall Sahlins most important and enduring works claiming that stone age economies formed the original affluent society The book examines notions of production distribution and exchange in early communities and examines the link between economics and cultural and social factors This edition includes a new foreword by the author **Primitive Money** Paul Einzig, 2014-05-16 Primitive Money In its Ethnological Historical and Economic Aspects Second Edition Revised and Enlarged deals with the study of the role of money in the past and in selected regions of the world This selection is divided into three sections designated as Book I Book II and Book III Book I discusses the ethnology of money extending back to more than 5 000 years ago to the dark age when not much written evidence existed and to today s various communities scattered around the world The text covers the regions of Oceania Asia Africa and the Americas Book II looks into the historical aspect of money from the ancient period comprising prehistoric currencies such as tools and ornaments to the Medieval period and then to modern times Book III is the theoretical section that attempts to define primitive money its functions and its perceived value This book applies something modern when it discusses primitive monetary policy such as active and passive attitudes of the State restrictionist policy stabilizationist policy and expansionist monetary policy This section also discusses the philosophy of primitive money and its economic and historical roles The change from primitive to modern money is examined and the future prospects such as the continuance or redemption of primitive money is discussed Anthropologists sociologists economists historians students and academicians doing sociological research and even businessmen and industrialists can benefit from reading this text Feelings of Structure Karen Engle, Yoke-Sum Wong, 2018-11-30 Sweatsuits and the apocalypse the demands of a sofa a life recalled through window frames whale watching through cancer the serendipity of geographical names in Feelings of Structure these are just some of the spaces and places memories and experiences addressed by the authors in writings that are multilevel explorations of the tangled up nature of feeling and structure Inspired by Raymond Williams s classic essay Structures of Feeling and influenced by the current discussion of affect studies this collection inverts Williams s influential concept to explore the ephemerality of feeling as working in concert with the grounding forces of materiality and history Feelings of Structure is a collection of twelve original texts that explores the weight of diverse encounters with a variety of configurations be they institutional spatial historical or fantastical Featuring writers from a range of disciplines this book aims for textual evocation in subject matter and approach with essays that encompass multiple methodologies writing styles

and tones Experimental in nature Feelings of Structure balances the need for concrete and specific observation with the ephemerality of experience Shamanic Worlds Marjorie Mandelstam Balzer,2016-09-16 The ancient heartland of shamanism is no longer forbidden territory to travelers or to the spirits But the spirits never left the vastnesses of Siberia and Central Asia as these writings reveal Russian and native experts and an American cultural anthropologist who has done fieldwork in the region introduce us to shamans as the poets therapists healers and even leaders of their communities Among the special features of this collection are remarkable transcriptions of shamanic exhortations and a pathbreaking study of shamanic tales and rituals Sovereignty and Authenticity Prasenjit Duara,2004-09-01 In this powerful and provocative book Prasenjit Duara uses the case of Manchukuo the Japanese puppet state in northeast China from 1932 1945 to explore how such antinomies as imperialism and nationalism modernity and tradition and governmentality and exploitation interacted in the post World War I period His study of Manchukuo which had a population of 40 million and was three times the area of Japan catalyzes a broader understanding of new global trends that characterized much of the twentieth century Asking why Manchukuo so desperately sought to appear sovereign Duara examines the cultural and political resources it mobilized to make claims of sovereignty He argues that Manchukuo as a transparently constructed nation state offers a unique historical laboratory for examining the utilization and transformation of circulating global forces mediated by the East Asian modern Sovereignty and AUthenticity not only shows how Manchukuo drew technologies of modern nationbuilding from China and Japan but it provides a window into how some of these techniques and processes were obscured or naturalized in the more successful East Asian nation states With its sweepingly original theoretical and comparative perspectives on nationalism and imperialism this book will be essential reading for all those interested in contemporary history **Agricultural Economics Bibliography** United States. Bureau of Agricultural Economics. Library,1940 **Resources for the Teaching of Anthropology** David G. Mandelbaum,Gabriel W. Lasker,Ethel M. Albert,2023-11-15
