Social Practice Of Symbolisation An Anthropological Analysis:

The Social Practice of Symbolisation Ivo Strecker, 2021-03-10 The author explores the cognitive basis of symbolization and symbolization as a social practice from the London School of Economics Monographs on Social Anthropology this book is intended for students of anthropology and development studies The Social Practice of Symbolization Ivo A. Strecker, 2006

Theorizing Rituals Jens Kreinath, Michael Stausberg, 2006 Volume two of Theorizing Rituals mainly consists of an annotated bibliography of more than 400 items covering those books edited volumes and essays that are considered most relevant for the field of ritual theory Instead of proposing yet another theory of ritual the bibliography is a comprehensive monument documenting four decades of theorizing rituals **Social Intelligence and Interaction** Esther N.

Goody, 1995-03-23 There is a growing view that intelligence evolved as a product of social interdependence The unique development of human intelligence was probably linked to the use of spoken language but language itself evolved in the context of social interaction and in its development it has shaped and been shaped by social institutions Taking as their starting point the social production of intelligence and of language scholars across a range of disciplines are beginning to rethink fundamental questions about human evolution language and social institutions This volume brings together anthropologists linguists primatologists and psychologists all working on this new frontier of research **Theorizing**

Rituals, Volume 2: Annotated Bibliography of Ritual Theory, 1966-2005 Jens Kreinath, J.A.M. Snoek, Michael Stausberg, 2007-09-30 Volume two of Theorizing Rituals mainly consists of an annotated bibliography of more than 400 items covering those books edited volumes and essays that are considered most relevant for the field of ritual theory Instead of proposing yet another theory of ritual the bibliography is a comprehensive monument documenting four decades of theorizing rituals *Mambila Divination* David Zeitlyn, 2020-02-20 This book offers a major contribution to the study and

analysis of divination based on continuing fieldwork with the Mambila in Cameroon It seeks to return attention to the details of divinatory practice using the questions asked and life histories to help understand the perspective of the clients rather than that of the diviners Drawing on a corpus of more than 600 cases David Zeitlyn reconsiders theories of divination and compares Mambila spider divination with similar systems in the area A detailed case study is examined and analysed using conversational analytic principles The regional comparison considers different kinds of explanation for different features of social organization leading to a discussion of the continuing utility of moderated functionalism The book will be of interest to area specialists and scholars concerned with religion rationality and decision making from disciplines including anthropology African studies and philosophy *Language in Late Modernity* Ben Rampton, 2006-02-23 Provides a sociolinguistic account of classroom interaction based on research in an inner city high school Words and Processes in Mambila Kinship David

Zeitlyn, 2005-01-01 Words and Processes in Mambila Kinship presents a set of studies of the way that Mambila speakers in Cameroon talk about themselves and their kin Author David Zeitlyn employs conversational analytic methods to further the

study of kinship terminologies This book takes an important step toward a new synthesis between the practice of ethnography and the study of language while presenting African natural language data still rare in mainstream linguistics in an accessible format Ibss: Anthropology: 1988 British Library of Political and Economic Science,1992 This bibliography lists the most important works in anthropology published in 1988 **Professional Identities** Shirley Ardener,Fiona Moore,2007 In both professional and academic fields there is increasing interest in the way in which white collar workers engage with institutions and networks which are complex social constructions Covering a wide variety of countries and types of organization this volume examines the diverse ways in which individuals ethnic gender corporate and professional identities interact This book brings together fields often viewed in isolation ethnographies of groups traditionally studied by anthropologists in new organisational contexts and examinations of the role of identity in corporate life opening up new perspectives on central areas of contemporary human activity It will be of great interest to those concerned with practical management of institutions as well as those of us who find ourselves working within them *No Turning Back* Roger Rees,2018-09-01 Louise Davitt a young Australian anthropologist and Zeno Wolde an Ethiopian doctor and fellow anthropologist research and explore isolated villages and tribal lands in Ethiopia making fascinating discoveries about the people the environment and themselves While working for reform to lift poor peasants out of poverty they fall in love and marry then have a child Zeno s work takes him away from home for long stretches of time then he disappears Louise visits family in London and is diagnosed with HIV contracted from Zeno With effective management and drugs Louise copes with her serious illness and its stigma a stigma that at the time in Ethiopia and Kenya made it impossible for Zeno to seek appropriate treatment She meets a Norwegian doctor Haawkon Davos and builds a new career with its reach and compassion for people with HIV AIDS especially across Africa A moving tale of cross cultural endeavour dealing with problems that for millions of people are all too real Rees knowledge of this complex world is evident his compassion for the powerless shines through Cate Kennedy author of *Sing and Don t Cry* a Mexican Journal Religion and Culture in Germany Robert William Scribner,2001 These most recent essays of the late Bob Scribner show his original and provocative views as a historian on the German Reformation Subjects covered include popular culture art literacy Anabaptism witchcraft Protestantism and magic Creating the Arabian Gulf Paul John Rich,2009-01-01 Whether called Arabian or Persian the Gulf is one of the most politically important regions of the world and its history is necessary in understanding the contemporary Middle East Paul Rich draws on previously closed archives to document the actual heritage of the area and dispel the myths showing that the influences of Britain and India are far deeper than commonly acknowledged and that the sheikhs are actually the creation of the British Raj *Studies in Symbolic Interaction* Norman K. Denzin,2008-07-25 Emphasizes critical approaches to the study of race identity and self as well as developments in interactionist theory ethics and dramaturical studies **Global Taiwanese** Fiona Moore,2021-03-24 Acknowledgments pix Book jacket **Ethnographic Chiasmus** Ivo

Strecker,2011-06-01 The essays assembled in this volume are shaped by conditions both enabling and constraining that can perhaps best be described as an ethnographic chiasmus This expression refers to the surprise and reversal of position that are characteristic of fieldwork and it attends to the fact that transcultural understanding comes about as a meeting touching or crossing Chiasmus also pertains to the relationship between culture and rhetoric in general Culture structures rhetoric rhetoric structures culture Both are coemergent In order to elucidate this process ethnography has to focus on the manifold modes of rhetoric through which culture specific patterns of thought and action are created **Culture Figures** Michał

Mokrzan,2024-06-01 Ethnographic research anthropological theory and the understanding of the objects of inquiry are co created through figuration using tropes and rhetorical figures and techniques of persuasion Delving into descriptive ethnography and theoretical texts spanning across classical monographs and recent texts in cultural anthropology Culture Figures places rhetoric and rhetoricity as central to the discipline s self understanding It focuses on how understandings of culture and social life are shaped and conveyed in cultural anthropology through textual rhetoric The book demonstrates how processes of using tropes and modes of persuasion underlie the creation of meanings or misunderstandings in society

Broadening the Horizon of Linguistic Politeness Robin T. Lakoff,Sachiko Ide,2005-10-27 This collection of 19 papers celebrates the coming of age of the field of politeness studies now in its 30th year It begins with an investigation of the meaning of politeness especially linguistic politeness and presents a short history of the field of linguistic politeness studies showing how such studies go beyond the boundaries of conventional linguistic work incorporating as they do non language insights The emphasis of the volume is on non Western languages and the ways linguistic politeness is achieved with them Many if not most studies have focused on Western languages but the languages highlighted here show new and different aspects of the phenomena The purpose of linguistic politeness is to aid in successful communication throughout the world and this volume offers a balance of geographical distribution not found elsewhere including Japanese Thai and Chinese as well as Greek Swedish and Spanish It covers such theoretical topics as face wakimae social levels gender related differences in language usage directness and indirectness and intercultural perspectives **Humour, Comedy and Laughter** Lidia Dina Sciamia,2016-04-01 Anthropological writings on humor are not very numerous or extensive but they do contain a great deal of insight into the diverse mental and social processes that underlie joking and laughter On the basis of a wide range of ethnographic and textual materials the chapters examine the cognitive social and moral aspects of humor and its potential to bring about a sense of amity and mutual understanding even among different and possibly hostile people Unfortunately though cartoons jokes and parodies can cause irremediable distress and offence Nevertheless contributors cross cultural evidence confirms that the positive aspects of humor far outweigh the danger of deepening divisions and fueling hostilities
