Social Register Facsimile Edition Of 1887

Victor M. Corman

Social Register Facsimile Edition Of 1887:

Social Register ,2005 **Privilege, Power, and Place** Stephen Richard Higley,1995 In the first analytical study of where the American upper class lives and vacations Stephen R Higley explores the ways in which upper class residential places are created and maintained Drawing on the Social Register as a main source of data Higley examines the intersection of class status and geography and demonstrates the ways in which physical proximity solidifies upper class consciousness

Down to Earth Sociology: 14th Edition James M. Henslin,2007-02-13 Presents a selection of forty six readings that provide an introduction to the sociological perspective look at how sociologists conduct research examine the cultural underpinnings of social life and discuss social groups and social structure gender and sexuality deviance and social stratification institutions and change Knickerbocker Elizabeth L. Bradley,2009-05-27 Deep within New York s compelling sprawling history lives an odd ornery Manhattan native named Diedrich Knickerbocker The name may be familiar today his story gave rise to generations of popular tributes from a beer brand to a basketball team and more but Knickerbocker himself has been forgotten In fact he was New York s first truly homegrown chronicler and as a descendant of the Dutch settlers he singlehandedly tried to reclaim the city for the Dutch Almost singlehandedly that is Diedrich Knickerbocker was created in 1809 by a young Washington Irving who used the character to narrate his classic satire A History of New York According to Irving s partisan narrator everything good and distinctive proud and powerful about New York City from the doughnuts to the twisting streets of lower Manhattan could be traced back to New Amsterdam Terrific general interest cultural history of a city with a rich and lively literary past First ever book on the eponymous myth that has informed New York City culture since the early 1800s Coincides with the two hundredth anniversary of Washington Irving s publication of A History of New York Perfect gift book or addition to library collection of New York City themed books Includes a gallery of images that brings Diedrich Knickerbocker his myth time and place to life Knickerbocker engagingly traces the creation evolution and prevalence of Irving s imaginary historian in New York literature and history art and advertising from the early nineteenth century to the present day Who would imagine this satiric character at once a snob and a champion of the people would endure for two hundred years In Elizabeth L Bradley s words Whether you call it blood style attitude or moxie the little Dutchman could deliver And from this engaging work it is clear that he does Bradley s stunning volume offers a surprising and delightful glimpse behind the scenes of New York history and invites readers into the world of Knickerbocker the antihero who surprised everyone by becoming the standard bearer for the city s exceptional sense of self or what we now call a New York attitude **Down to Earth Sociology** James M. Henslin,2005 The twelfth edition s new readings include selections on the unspoken rules of social interaction the shocking disparities between upper and lower class life America s changing attitudes toward work and family and the roles they fulfill and the McDonaldization of American society Together with these essential new articles the selections by Peter Berger Herbert Gans Erving Goffman Donna Eder Zella Luria C

Wright Mills Deborah Tannen Barrie Thorne Sidney Katz Philip Zimbardo and many others provide firsthand reporting that gives students a sense of being there Henslin also explains basic methods of social research providing insight into how sociologists explore the social world The selections in Down to Earth Sociology highlight the most significant themes of contemporary sociology ranging from the sociology of gender power politics sports and religion to the contemporary crises of racial tension crime rape poverty and homelessness

In Pursuit of Privilege Clifton Hood, 2016-11-08 A history that extends from the 1750s to the present In Pursuit of Privilege recounts upper class New Yorkers struggle to create a distinct world guarded against outsiders even as economic growth and democratic opportunity enabled aspirants to gain entrance Despite their efforts New York City's upper class has been drawn into the larger story of the city both through class conflict and through their role in building New York's cultural and economic foundations In Pursuit of Privilege describes the famous and infamous characters and events at the center of this extraordinary history from the elite families and wealthy tycoons of the eighteenth and nineteenth centuries to the Wall Street executives of today From the start upper class New Yorkers have been open and aggressive in their behavior keen on attaining prestige power and wealth Clifton Hood sharpens this characterization by merging a history of the New York economy in the eighteenth century with the story of Wall Street's emergence as an international financial center in the late nineteenth and early twentieth centuries as well as the dominance of New York's financial and service sectors in the 1980s Bringing together several decades of upheaval and change he shows that New York's upper class did not rise exclusively from the Gilded Age but rather from a relentless pursuit of privilege affecting not just the urban elite but the city's entire cultural economic and political fabric

Society James M. Henslin, 2006 This brief and economical reader edited by Jim Henslin is specifically designed to be used as a companion to Sociology A Down to Earth Approach Core Concepts All articles are chosen and introduced by Jim Henslin to complement the most current edition of his brief paperback introductory text Two readings per text chapter to support the kind of in depth study of high priority topics that Core Concepts is designed for Can be purchased separately or valuepacked with Core Concepts for \$5 net The Instructor's Manual contains discussion questions individual and group activities and multiple choice and true false test questions for each reading

New York Magazine, 1987-01-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Social Register, New York, 1986 **New York**, 1987 **Social Register, 1887** Social Register Association (U.S.), 1986 This facsimile edition of the Social Register contains 40 pages of new advertisements at the beginning then the Annual Social Register for New York 1887 the Monthly Social Registers for January through June 1887 for New York and lastly the Social Register Newport 1887
