NICHOLAS J. SPYKMAN

WITH A NEW INTRODUCTION BY  
DAVID FRISBY

# Social Theory Of Georg Simmel

**Horst Jurgen Helle**

## **Social Theory Of Georg Simmel:**

*The Social Theory of Georg Simmel* Nicholas J. Spykman, 2017-09-29 Contemporary sociology increasingly seems to be adopting a perspective similar to that on which Georg Simmel's analysis and interpretations rested To a significant degree therefore sociologists continue to turn to Simmel for a basic understanding of the forms and processes of social life Nicholas Spykman's *The Social Theory of Georg Simmel* originally published in 1925 was the first comprehensive account of Simmel's ideas It remains a most valuable summary of the major elements of his thought Spykman wrote this study for a specific purpose to indicate Simmel's conception of the relations between different fields of theoretic inquiry into socio historical actuality to make Simmel's contributions to the methodology of the social sciences understood and to illustrate Simmel's conception of sociology as a science He shows that Simmel was primarily a social philosopher interested in a functional understanding of socio historical realities art and economic values morals and aesthetics religion and the function of money Spykman identifies three major phases in the development of Simmel's thought the first is primarily occupied with methodology and the presuppositions of the social sciences during the second he wrote several essays containing philosophic interpretations of modern civilization and the third culminated in his metaphysics of culture *The Social Theory of Georg Simmel* graced with a new introduction by David Frisby one of the foremost contemporary Simmel experts is an outstandingly organized coherent presentation of the complex and subtle ideas of one of the intellectual giants of modern sociology

**The Sociology of Georg Simmel** Georg Simmel, 1950      *The Social Theory of Georg Simmel* Nicholas John Spykman, 1925      *The Social Theory of Georg Simmel* Nicholas John Spykman, 1992      *Sociological Impressionism* (Routledge Revivals) David Frisby, 2013-09-13 When *Sociological Impressionism* was first published in 1981 it was the first comprehensive study on Simmel's social theory to appear in English since 1925 A pioneering work it did much to bring about the rediscovery of Georg Simmel as one of the key sociologists of the twentieth century David Frisby provides a provocative introduction to aspects of Simmel's social theory seriously challenging many interpretations of his work most notably the view that Simmel produced a formal sociology By drawing on many little known essays and pieces by Simmel and his contemporaries the book locates him within the social and intellectual milieu in which he was working This is a reissue of the second edition published in 1992 which includes a new afterword confronting critical responses to the first edition This is an important work which will be of interest to students of sociology and social philosophy in Germany in the late nineteenth and early twentieth century

*The Social Thought of Georg Simmel* Horst J. Helle, 2014-02-04 This new volume of the SAGE Social Thinkers series *The Social Thought of Georg Simmel* provides a concise introduction to the work life and influences of Georg Simmel Horst J Helle closely examines the writings and ideas of Simmel that introduced a new way of looking at culture and society and helped establish sociology's place among the academic fields The book focuses on the key intellectual concerns of Simmel including the process of individualization religion private and family life cities and modernization It is

ideal for use as a self contained volume or in conjunction with other sociological theory books      **Simmel and Since** David Frisby,1992-01-01      *Rethinking Georg Simmel's Social Philosophy* Ferdinand Fellmann,2020-11-17 This textbook examines interaction reciprocity dualism conflict and personality in the work of Georg Simmel These themes which made Simmel the founder of relational sociology are presented uniquely in the light of intimate relations According to Simmel intimate relations rather than the individual constitute the fundamental stratum of human culture By relating objective social facts to subjective experience Simmel also opened up a new way of understanding human life in the early 20th century Using Simmel s theory of reciprocity this book follows an innovative method of interpretation providing a quantitative perspective of lived experience This book analyzes Simmel s ideas from the viewpoint of modern hermeneutical philosophy and sociology Fellmann expertly presents the historical context of Simmel s concepts and their influence on other sociologists and philosophers especially in Germany Written in an engaging style this book is suitable as a core text in undergraduate and graduate courses on sociological theory and continental philosophy Additionally given the new focus on Simmel and intimate relations the book is of interest to scholars of relational sociology history of sociology continental philosophy history of philosophy philosophy of culture and philosophical anthropology      The Social Thought of Georg Simmel Horst Jurgen Helle,2014 This title provides a concise introduction to the writings life and influences of Georg Simmel an important sociologist whose work is now taught across sociological theory courses worldwide It closely examines the writings and ideas of Simmel that introduced a new way of looking at culture and society and helped establish sociology s place among the academic fields      **The Challenge of Modernity** Gregor Fitzi,2018-09-03 The complete collected works of Georg Simmel are now available Yet the standing of Simmel s sociological theory is still a subject of controversy Is Simmel only a brilliant impressionist a fl neur in the territories of modernity Providing an illuminating and coherent presentation of Simmel s sociological theory The Challenge of Modernity seeks to demonstrate how Simmel contributed a structured sociological theory that fits the criteria of a sociological grand theory Indeed starting by the theory of modernity and its dimensions of social differentiation monetarisation culture reification and urbanisation it reconstructs the architecture of Simmel s sociological epistemology Particular attention is dedicated to the theory of qualitative societal differentiation that Simmel develops within his cultural sociology with the late work being presented as a double contribution to the foundation of sociological anthropology and to the social ethics of complex societies Presenting the entirety of Simmel s manifold oeuvre from the viewpoint of its relevance for sociology this comprehensive volume will appeal to scholars and advanced students who wish to understand Simmel s relevance for socio political thought and become acquainted with his contribution to sociological theory It will also be of interest to the wider public who seek a critical assessment of our age in theoretical terms

*A Sociological Theory of Value* Natàlia Cantó Milà,2015-07-15 In this book Nat lia Cant Mil elaborates on Georg Simmel s relational approach to a theory of value pointing at the heuristic possibilities that this approach offers to modern sociology

and to a sociology of modernity She does so by focusing on the theory of value Simmel developed in his *The Philosophy of Money* delivering an alternative reading of this book that views its theory of value as its main axial point Simmel's theory of value is depicted by Cant Mil as including an intrinsically sociological aspect since economic as well as moral ethic and aesthetic values are conceived as resulting from human relations *Simmel and Since (Routledge Revivals)* David Frisby, 2011-03-31 Originally published in 1992 this book written by one of the world's leading experts on Simmel provides a fascinating set of insights into a thinker who is fast becoming recognized as the sociologist of modernity an indispensable resource in confronting post modernity It examines the relevance of his work in relation to contemporary debates on culture aesthetics and modernity

**Georg Simmel on Individuality and Social Forms** Georg Simmel, 2011-08-19 Of those who created the intellectual capital used to launch the enterprise of professional sociology Georg Simmel was perhaps the most original and fecund In search of a subject matter for sociology that would distinguish it from all other social sciences and humanistic disciplines he charted a new field for discovery and proceeded to explore a world of novel topics in works that have guided and anticipated the thinking of generations of sociologists Such distinctive concepts of contemporary sociology as social distance marginality urbanism as a way of life role playing social behavior as exchange conflict as an integrating process dyadic encounter circular interaction reference groups as perspectives and sociological ambivalence embody ideas which Simmel adumbrated more than six decades ago Donald N Levine Half of the material included in this edition of Simmel's writings represents new translations This includes Simmel's important lengthy and previously untranslated *Group Expansion and Development of Individuality* as well as three selections from his most neglected work *Philosophy of Money* in addition the introduction to *Probleme der Geschichtsphilosophie* chapter one of the *Lebensanschauung* and three essays are translated for the first time

**Sociology** Georg Simmel (Philosoph, Soziologe, Deutschland), 2009 Georg Simmel's highly original take on the newly revived field of sociology succeeded in making the field far more sophisticated than it had been beforehand He took insights from dialectical thought and Kantian epistemology to develop a form sociology method that remains implicit in the field a century later Forms include such patterns of interaction as inequality secrecy membership in multiple groups organization size and coalition formation While today texts and professional societies are organized around contents rather than forms a fresh reading of Simmel's chapters on forms suggests original avenues of inquiry into each of the contents family business religion politics labor relations leisure

*Sociological Impressionism* David Frisby, 2013 When *Sociological Impressionism* was first published in 1981 it was the first comprehensive study on Simmel's social theory to appear in English since 1925 A pioneering work it did much to bring about the rediscovery of Georg Simmel as one of the key sociologists of the twentieth century David Frisby provides a provocative introduction to aspects of Simmel's social theory seriously challenging many interpretations of his work most notably the view that Simmel produced a formal sociology By drawing on many little known essays and pieces by Simmel and his contemporaries the book locates him within the social

and intellectual milieu in which he was working This is a reissue of the second edition published in 1992 which includes a new afterword confronting critical responses to the first edition This is an important work which will be of interest to students of sociology and social philosophy in Germany in the late nineteenth and early twentieth century **Simmel and 'the Social'** O. Pyyhtinen,2010-09-17 This book argues for the centrality of Georg Simmel s social theory to the relational and processual emphases that are often considered as much more recent developments in social theory Situating Simmel s work in particular with respect to New Vitalism and Bruno Latour s work the book shows that Simmel has still an enormous amount to contribute **Reason of Sociology** Kauko Pietila,2010-12-10 Sociology has long lacked the sense of propulsive direction that it possesses in the 1960s and early 70s The subject has fragmented in a series of interlocking fields and sub disciplines Is there a way of revitalizing the subject Where can we look for guides to build a sociology that combats fragmentation constantly unites the micro with the macro level and provides a holistic view of society This book argues that the sociology of Georg Simmel is a most promising resource to accomplish these ends Although Simmel was rediscovered in the 1980s his potential for the design of the subject as a whole and the professional necessities for doing good sociology were not fully realized Simmel s inspiration for the analysis of money the mass media and the state showed how sociologists might approach in an emancipatory perspective subjective behaviour that arises from social forces that appear to be arbitrary and impenetrable Written with a clear eye upon both the needs of contemporary sociologist s and international dilemmas facing the world today Pietila s book is intended to make a professional and civic contribution This is a compassionate and stimulating book that will help readers to make sense of their worlds and the worlds of others Introduction to the Social Theory of Georg Simmel Nikolaas Johannes Spykman,1922 **Sociological Theory** Bert N. Adams,R. A. Sydnie,2001-01-30 Providing a concise and comprehensive introduction to both classical and contemporary social thought this volume makes social theory and social theorists accessible and meaningful **Georg Simmel and Contemporary Sociology** M. Kaern,B.S. Phillips,Robert S. Cohen,2012-12-06

### **Social Theory Of Georg Simmel Introduction**

In today's digital age, the availability of Social Theory Of Georg Simmel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Theory Of Georg Simmel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Theory Of Georg Simmel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Theory Of Georg Simmel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Theory Of Georg Simmel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Theory Of Georg Simmel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Theory Of Georg Simmel books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Theory Of Georg Simmel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Theory Of Georg Simmel books and manuals for download and embark on your journey of knowledge?

### **FAQs About Social Theory Of Georg Simmel Books**
