Patte, 2005-11-02 From a gender perspective Romans differs from many biblical texts It contains few explicit mentions of gender no household code and it has been understood as promoting universalism This volume joins several feminist commentators in showing how crucial Romans is for understanding Paul's view of gender Divided into three parts mapping traditions in Romans challenging gendered traditions in Romans and gender and the authority of Romans the concluding essays ask Does scriptural criticism really do justice to feminist concerns Both avenues and obstacles for feminist scholars interpreting Romans are pointed out The Tapestry of Early Christian Discourse Vernon K. Robbins, 2002-11-01 This study establishes a concept of culture and then combines it with Geertz anthropological concept of thick description Subsequently

the relation of texts to society and culture is discussed In this manner multiple methods of interpretation are used in an organized and programmatic way allowing the reader insights into the development of early Christianity In this study Vernon Robbins expounds and develops his system of socio rhetorical criticism bringing together social scientific and literary critical approaches to explore early Christianity This book investigates Christianity as a cultural phenomenon and treats its canonical texts as ideological constructs

Chained in Christ Craig Wansink,1996-03-01 For Paul who imprisoned Christians his own incarceration ironically became a way in which he understood his mission Paul s convictions and his rhetoric were often shaped during those times when chains constrained him from travelling By examining a wide variety of sources such as ancient novels dream interpretations and moral tractates Wansink first describes prison conditions and the daily life of prisoners in the Graeco Roman world Subsequent exegetical chapters focus on two epistles Paul wrote from prison Philippians and Philemon This book replaces a docetic view of Paul s incarceration with an original insight into how prison would have shaped his interaction with the Philippians and Philemon

By What Authority? Jerome H. Neyrey,2021-10-28 Adult males did not simply stand up and speak They needed authorization to exercise public voice Why should anyone listen to them In his first four

chapters Luke achieves this for Jesus a process we access in two ways In part 1 we examine how Luke establishes this by employing social science models which inform our understanding beyond what typical commentaries can achieve We begin this by considering Luke 1 4 in terms of the social science communications model which exposes how God as Sender of Senders repeatedly sends Messages about Jesus which cumulatively establish him with a public role and status and so with public voice Jesus ethos can be described by considering him in terms of typical group oriented personality and by means of rituals of status elevation and confirmation which dramatize his worthiness to have public voice Part 2 consists of rhetorical materials that inform us on how typical beginnings began Ancient rhetoric also taught formal ways to construct a proper ethos both for authors and those about whom they spoke Finally Luke himself needs a proper ethos to warrant our acceptance of him as a reliable narrator which he achieves in his prologue Jesus deserves public voice **Abingdon New**

Testament Commentaries: 1 Corinthians Richard A. Horsley, 2011-09-01 This commentary highlights both the socio political context of 1 Corinthians and the clash of significantly different religious viewpoints represented by Paul and the congregation he had founded in Corinth In particular Richard Horsley shows that this letter provides a window through which one may view the tension between the Corinthians interest in cultivating individual spirituality and the apostle s concern for building up a social religious community devoted to the common advantage for the flourishing both of personal dignity and a humanizing solidarity **Oneself in Another** Susan Grove Eastman, 2023-08-22 Oneself in Another explores the Pauline themes of redemption and transformation through Christ s participation in human history and life The essays range from careful exegetical and historical analysis to interdisciplinary engagements with issues in theology global events and medical ethics Throughout they focus on human experience questions about how people change and God s gracious initiative liberating human agency

Sacrifice, Brotherhood, and the Body Patrick McMurray, 2021-06-24 Sacrifice Brotherhood and the Body Abraham and the Nations in Romans radically reassesses Paul s use of sacrificial language in light of new developments in our understanding of sacrifice particularly with regard to its construction of kinship groups Patrick McMurray argues that Jesus death is not presented in sacrificial terms within Romans rather Paul s key invocation of sacrifice comes in 12 1 as applied to the living sacrifice of the gentiles Here Paul s pairing of sacrifice with brotherhood builds on his earlier discussion of the Abrahamic lineage and brotherhood with Christ with this familial membership being ratified and delivered by the living sacrifice of the gentiles themselves As such the ethnic and familial function of sacrifice is harnessed by Paul to bring God s promise to Abraham to fruition with the gentiles entering the Abrahamic lineage alongside their new brothers the Israelites Notably the promise explicitly requires plurality and therefore ethnic variegation within Abraham s lineage This new familial membership is profoundly transformative the consequent influx of the spirit empowering the gentiles to live new lives of love that will fulfill the law 13 8 10 In Romans therefore Christ frees the gentiles and then becomes their brother facilitating their entry into Abraham s lineage thereby bringing the promise to fruition and fulfilling

the law **The Oxford Handbook of Early Christian Ritual** Risto Uro, Juliette Day, Rikard Roitto, Richard E. DeMaris, 2019 The Handbook provides an indispensable account of the ritual world of early Christianity from the beginning of the movement up to the end of the sixth century **Our Politeuma Is in Heaven!** Gennadi A. Sergienko, 2013-10-14 For many of whom I often told you and even now am writing with tears walk as the enemies of the cross of Christ they walk to their final destruction their god is the belly and their glory is in shameful things their minds are earthly bound But our is in heaven from where we expect the Lord Jesus Christ who is our Savior Philippians 3:18-20 Paul's letters to Philippians show us that this rather outspoken man had plenty of opportunity and cause to aggravate his Christian contemporaries However for Paul to use such hostility and to name people as enemies shows us that we should take note and try to understand the meaning behind his statement In this work the author asks who were these enemies What did they do wrong Why did they deserve destruction In search of these questions the investigation looks to the early Christian communities and their formation within the socio-political realities of the urban centers of the Roman Empire Through this we learn a great deal about the uneven and complex dynamics of the early Christian community and a deep understanding of Paul's warning to them *Favor and Gratitude* Ferdinand Okorie, 2020-12-03 This book examines Paul's appeals to Greco-Roman values of benefaction in his Epistle to the Galatians **The Early Christian World** Philip F. Esler, 2002-09-11 Early Christian World presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre-eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social-political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible Early Christian World provides up-to-date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period *The Interpersonal Metafunction in 1 Corinthians 1-4* James D. Dvorak, 2021-04-19 In *The Interpersonal Metafunction in 1 Corinthians 1-4* James D. Dvorak offers a linguistic critical discourse analysis of 1 Cor 1:4 utilizing Appraisal Theory a model rooted in the modern sociolinguistic paradigm known as Systemic Functional Linguistics This work is concerned primarily with the interpersonal meanings encoded in the text and how they pertain to the act of resocialization Dvorak pays particular attention to the linguistics of appraisal in Paul's language to determine the values with which Paul expects believers in Christ to align This book will be of great value to biblical scholars and students with interests in biblical Greek functional linguistics appraisal theory hermeneutics exegesis
