Social Change and Stratification in Postwar Czechoslovakia Jaroslav Krejci, 2016-03-08 **Social Change and Stratification in Postwar Czechoslovakia** Jaroslav Krejčí, 1972-03-02 *A Social and Economic History of Twentieth-century Europe* Gerold Ambrosius, William H. Hubbard, 1989 This comprehensive single volume source of information on the social and economic transformations in Europe over the past hundred years fills a critical gap in our knowledge. The Prague Spring and Its Aftermath Kieran Williams, 1997-09-08 The Prague Spring of 1968 was among the most important episodes in post-war European politics. In this book, Kieran Williams analyses the attempt at reform socialism under Alexander Dubček using materials and sources which have become available in the wake of the 1989 revolution. Drawing on declassified documents from party archives, the author readdresses important questions surrounding the Prague Spring: Why did liberalization occur? What was it intended to achieve? Why did the Soviet Union intervene with force? What was the political outcome of the invasion? What part did the reformers play in ending the experiment in reform socialism? What was the role of the security police under Dubček? The book will provide new information for specialists as well as introductory analysis and narrative for students of East European politics and history and Soviet foreign policy. 1986-1987 John Paxton, 2021-06-21 No detailed description available for 1986-1987. **The Statesman's Year-Book 1986-87** J. Organized into three parts, this book begins with the class struggle and moral problems in Czechoslovakia. Subsequent part explores the economic problems and social history of the nation. The search for truth in terms of history, philosophy, and politics is also addressed.
