Social Groups In Polish Society:

Social Groups in Polish Society David Stuart Lane, David Lane, George Kolankiewicz, 1973 Compilation of social research papers on the impact of social change on social class and social structure in Poland from 1945 to 1973 includes material on the characteristics of the working class rural workers the intellectual elite engineers and top management local level political leadership etc and covers political aspects of intergroup relations Bibliography pp 349 to 365 map references and statistical tables

Polish Society Adam Podgórecki, 1994 Examines the political and organisational pressures that were exerted upon sociologists to produce dogmatically proper results in order to give a false diagnosis of social reality The author analyses the roles of Polish sociologists in the changes designed to bring about an alien communist utopia

Old and New Cleavages in Polish Society Guérot, Ulrike, Hunklinger, Michael, 2019-03-20 What is happening in Poland Where is Poland heading Is Polish society as divided as it is often perceived How did we get there What do anti pluralist tendencies and a gender backlash mean for the everyday life in Poland What are possible ways to cope with this And what are the consequences for Europe This anthology is the result of a conference which took place in Vienna in April 2018 and offers some insight into debates taking place in and around Poland today The contributions are very different in expression and stand for themselves In this respect the book offers impressions but no solutions It offers suggestions to reflect on Poland in a new or different way which help to understand Poland and the complex social and political processes that are currently underway

The Polish Road from Socialism: The Economics, Sociology and Politics of Transition Walter D. Connor, Piotr Ploszajski, 2019-07-26 What the contributors to this volume offer is neither a romantic version of the course of Polish history nor a jubilant account of the recovery of national independence and political choice Rather they offer a variety of tough minded analytic perspectives on what comes when the party is over not just the PSPR but the celebration marking its downfall They focus on Poland's movement toward an internationally competitive market economy a political democracy in which plural interests compete and the constitution of a civil society that both tolerates and ameliorates conflict The multidisciplinary contributors include Jan Muzel Keith Crane Benjamin Slay Kazimierz Poznanski Jan Bossak Wojciech Bienkowski Włodzimierz Wesolowski Edmund Wnuk Lipinski Adam Sarapata Andrzej Sicinski Piotr Lukaszewicz Krzysztof Nowak David S Mason Andrzej Rychard Krzysztof Jasiewicz Jack Bielasiak Janusz Reykowski Stanisław Gebethner Mirosława Marody Edmund Mokrzycki and Michael D Kennedy

Polish Society Under German Occupation Jan T. Gross, 2019-01-29 By combining historical and political analysis with a sophisticated sociological approach Jane Gross offers a new interpretation of the German occupation of Poland during World War II Based on his hypothesis that a society cannot be destroyed by coercion short of the physical annihilation of its members his work has a twofold aim to examine the model of German occupation in theory and in practice and to identify the patterns of collective behavior that emerged among the Polish people in response to the social control exercised over them The author argues that when an occupier provides no

institutions through which a local population can at least minimally satisfy its social needs the subjugated populace builds substituted institutions on the remnants of previous forms of its collective life These substitutes constitute the society's self defense to which the occupier must in some way adjust if its goals of manipulation and exploitation are to be achieved Professor Gross points out numerous ways in which the Poles under the General Gouvernement circumvented the goals and authority of the German occupiers Most significant was the emergence of the Polish underground which took on the leadership social welfare political and financial functions of an independent state This phenomenon he concludes shows that resistance should not be conceived merely as a military movement but rather as a complex social phenomenon Jan Tomasz Gross is Assistant Professor of Sociology at Yale University Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Webs of Resistance in a Newly Privatized Polish Firm Jennifer Lynn Roney, 2021-11-18 First Published in 2000 This is a research study that includes deep description supported by research in organizational studies as well as Polish history sociology and anthropology of the perceptions of employees in a single Polish factory This factory is experiencing the uncertainties and opportunities of tremendous change in external contingencies and internal operations The employees in this factory are trying to adjust to a new owner and many new managers the fear of lay offs and confusion about the world in which they now find themselves *Poland, a Country Study* United States. Department of the Army, 1983 General study of Poland covers history demographic aspects and geographical aspects social structure religious practice education health the economy agricultural sector industrial sector infrastructure trade external debt government politics political opposition international relations defence military service administration of justice etc Bibliography glossary maps organigram photographs statistical tables

Women in Early Modern Polish Society, Against the European Background Maria Bogucka, 2017-03-02 While far fewer studies on women and gender have been published in Poland than in the West the last decade has seen growing interest in gender history among Polish scholars The first general history of Polish women in the early modern times was published by Dr Bogucka in Polish in 1998 the present study constitutes an expansion as well as a translation into English of that seminal work *Women in Early Modern Polish Society against the European Background* makes widely available to historians and women's studies scholars in the West a mass of information about women in Poland from the 16th to the 18th century previously inaccessible in Polish archives In the preface Bogucka points to the need for theoretical reflection within Polish studies of women's history and the need to develop standard concepts and terms for the study of gender to allow this research to develop further She emphasizes that scholars of women's history must rely on all

documents of a given epoch if they want to examine women's lives Urban and rural records especially law court records church archives private archives diaries noblemen's records collections of sermons last wills inventories belles lettres correspondence are all sources which always contain scattered direct or indirect information on women and gender relations Bogucka examines the stages of the typical woman's life girl married woman widow discussing their position in the family and society as well as the societal changes that occurred in this sphere from the sixteenth to the eighteenth century She also looks among other things at the role of women's work in the countryside and in towns according to social status and education religious life which offered possibilities to women to appear and to act outside the home the impact of Reformation on the situation of women the participation of women in the creation and consumption of culture and women's roles in political life Finally she places her discussion of Polish women in comparative context exploring the legal status and general situation of women in Poland against those in Western countries Germany France and England as well as Central and Eastern Europe Hungary Bohemia and Russia

The Polish Community of Gary John C. Trafny, 2001-02-15 The Polish Community of Gary is a vibrantly illustrated tale of the history of the Midwest's Steel City and its Polish Catholic residents It reveals the journey of hopeful and hard working Polish immigrants who arrived in the early 1900s established an ethnic community and adapted to the American way of life This fascinating photographic compilation of almost 200 images features various past and present residents of Gary It examines the city's diverse ethnic groups and religious denominations offering a glimpse of a life very different from that of today Along with detailed captions The Polish Community of Gary offers the rare chance to experience the history of Polish Gary bringing its exciting past alive again Author John Trafny traces the story of past trials tribulations and triumphs with skill compassion and an insider's eye

Webs of Resistance in a Newly Privatized Polish Firm Jennifer Lynn Roney, 2000 This study examines how the shared cultural values of employees in a Polish firm influenced management attempts to transform organizational practices in a newly privatized factory By introducing a foreign management approach Total Quality Management TQM the management of this factory presents a potential conflict of values between the employees and the management philosophy Tracing the historical and contemporary impact of traditional political and religious influences in Poland and utilizing ethnographic techniques of observation interviews and secondary source data the author identifies four patterns of shared mindsets These mindsets insecurity and instability distrust reluctance to assume responsibility and a struggle between individualism and collectivism generate resistance to the successful implementation of TQM in this factory Organizational studies research has identified cultural differences in values but previous studies have not examined the congruence assessment that employees make when confronted with a management intervention such as TQM The author finds that an incongruence between societal values and the values the employees perceive are embedded in the TQM approach produced actual outcomes that are not consistent with TQM objectives of empowerment teamwork visionary leadership and continuous improvement of quality Employees

demonstrated a reduced sense of empowerment team goals that are counterproductive to organizational goals autocratic leadership and an increased focus but not sustainable effort toward improving quality The book examines the reasons for these results through detailed description and extensive quotations from employees both inside the Polish firm and throughout Polish society Religious Life in Poland Christopher Garbowski, 2014-02-10 This book provides a concise historical outline of religion in Poland up until its entry into the European Union in 2004 together with a longer presentation of contemporary religious issues Albeit largely mono ethnic and overwhelmingly Catholic after the loss of its large Jewish population to the Holocaust and subsequent post World War II border shifts traces of an historic diversity remain in Poland to date playing a greater role than mere numbers would suggest Poland's fairly robust religious life is affected by the country's continuing modernization and its various institutions and this is discussed within a broad context One of the unfortunate legacies of decades of communism is a stunted civil society while at different levels there are conflicts involving religion at the grassroots it is one of the few forces building much needed trust in present day Polish society **Polish Catholicism between Tradition and Migration** Wojciech Sadlon, 2021-06-27 From a critical realist perspective this book examines the manner and the extent to which religion is shaped by modernity With a focus on Poland one of the most monolithic and religiously active Catholic societies in the world but which has undergone periods of intense transformation in its recent history the author explores the transformations that have affected Catholicism from a position of reflexivity Viewing Catholicism as a system of ideas elaborated by tradition the author considers the relationship between human subjectivity and social structure by examining the shift from traditional religious practice to modern religious observance particularly in an era of migration in which many Polish Catholics have relocated to western European countries with profound changes in their religious outlook Presenting a new approach to understanding religious change from the perspective of religious reflexivity Polish Catholicism between Tradition and Migration will appeal to scholars across the social sciences with interests in religion research methods social change and critical realist thought *The Polish Solidarity Movement* Arista M. Cirtautas, 2002-09-11 This book provides a groundbreaking analysis of democratization in Poland by placing Solidarity in the context of the major democratic upheavals of modernity the French and American Revolutions This study undertakes the first full historical comparison of the Polish movement with the ideals and institutions of democracy achieved in the last three centuries *European Governance After Nice* Hiroyi Akiba, Koji Fukuda, 2019-03-13 What is the impact of institutional reform implemented by the Nice Treaty on European Governance What should be done to enhance democratic legitimacy in the EU This book provides an up to date guide to understanding the European Union as an institution Globalisation has led to enormous changes in the international environment which in turn have demanded institutional reform of the European Union in the form of the Nice Treaty European Governance After Nice scrutinises how and to what extent the treaty will contribute to the solution of existing problems examining both its positive effects and its limitations and examines the reforms within the

EU through political science law and economics in order to express the full extent of the different effects of the Nice Treaty on non member as well as member countries The contributors suggest that the threat of varying exchange rates in the future when the Treaty has an expansionary effect on economic scale will lead to a deepening interdependence between the excluded countries *The Holocaust Bystander in Polish Culture, 1942-2015* Maryla Hopfinger, Tomasz

Żukowski, 2021-03-16 This book concerns building an idealized image of the society in which the Holocaust occurred It inspects the category of the bystander in Polish culture closely related to the witness since the war recognized as the axis of self presentation and majority politics of memory The category is of performative character since it defines the roles of event participants assumes passivity of the non Jewish environment and alienates the exterminated thus making it impossible to speak about the bystanders violence at the border between the ghetto and the Aryan side Bystanders were neither passive nor distanced rather they participated and played important roles in Nazi plans Starting with the war the authors analyze the functions of this category in the Polish discourse of memory through following its changing forms and showing links with social practices organizing the collective memory Despite being often critiqued this point of dispute about Polish memory rarely belongs to mainstream culture It also blocks the memory of Polish violence against Jews The book is intended for students and researchers interested in memory studies the history of the Holocaust the memory of genocide and the war and postwar cultures of Poland and Eastern Europe **The Polish Dilemma** Lawrence S Graham, Maria K

Ciechocinska, 2019-07-11 Although much has been written about contemporary Poland discussions that provide a balanced assessment of the current situation are in short supply To correct that problem this book offers a cross section of intellectual opinion within Poland including original research and works of synthesis that draw on Polish research and writing that have been for the most part inaccessible to scholars outside Poland The contributors views avoid the extremes of condemnation or defense of the system and make possible a more complete understanding of present day realities Their perspectives are moderated by the fact that although the authors recognize the need for reform and change they also take into consideration the great constraints facing all who would confront serious national issues The discussions range from examinations of social structure and class to evaluations of the significance of the state apparatus in the analysis of policy and assessments of economic performance **Soundings and the Politics of Sociolinguistic Listening for Transnational Space** Kinga

Kozminska, 2023-12-14 In a world dominated by the visual this book presents how a focus on the sounded experience and acts of listening may carve a way to reformulate emerging publics create space for critical multilingual engagement and deepen recognition of emancipatory practices Examining the emerging logics and rhythms among a group of post EU accession UK Polish migrants this book focuses on the semiotic processes through which contemporary moving bodies and communities place themselves in sociolinguistic landscapes It considers how they develop metrics to account for sociolinguistic change and authenticate their projects and practices in transnational timespace In doing so the book brings power differentials to

the centre of language and objectivity debates and foregrounds material semiotics as an approach that enables a new collective potential and redefinition of sociolinguistic listening By connecting research on scale in migration contexts with studies of embodied soundwork and of stance in semiotics this book highlights how a focus on the sounded sign may bring us closer to the ways in which bodies and meanings are re made and collective doing and thinking are formed in the globalised world

Social Change And Political Transformation Howard Davis,2003-09-01 An examination of European political transformation which aims to analyze social and political change within the European Community and to investigate the implications of a changing institutional framework within a disaggregated Eastern Europe This book is intended for undergraduate and postgraduate courses in political sociology and politics as well as relevant libraries and academics It should have significant appeal to researchers and students in European studies and others with an interest in European integration

Religious Communities and Civil Society in Europe Rupert Graf Strachwitz,2020-06-08 The seemingly vitalizing impact of religiosity on civil society is a research topic that has been extensively looked into not only in the USA but increasingly also in a European context What is missing is an evaluation of the role of institutionalized religious communities and of circumstances that facilitate or impede their status as civil society organisations This anthology in 2 volumes aims at closing this gap by providing case studies regarding political legal and historical aspects in various European countries Vol 2 provides some theoretical aspects a report on the final conference and case studies from Germany France United Kingdom Italy Poland and the Ukraine as well as a special chapter on Brazil and a Note on Religious Political Ideology

While this might not be the Social Groups In Polish Society full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Social Groups In Polish Society eBooks, including some popular titles.

FAQs About Social Groups In Polish Society Books

What is a Social Groups In Polish Society PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Social Groups In Polish Society PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF:

Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Social Groups In Polish Society PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Social Groups In Polish Society PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Social Groups In Polish Society PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
