

Social Mobility in Contemporary  
Japan: Educational Credentials,  
Class and the Labour Market in  
a Cross-National Perspective  
(A Study of the East Asian  
Institute of Columbia University)

Ishida, Hiroshi

Note: This is not the actual book cover

# Social Mobility In Contemporary Japan

**Yoshio Sugimoto**

## **Social Mobility In Contemporary Japan:**

**Social Mobility in Contemporary Japan** Hiroshi Ishida, 1995-01-05 The book is a study of intergenerational class mobility and the process of socioeconomic status attainment in contemporary Japan The idea of Japan as an educational credential society has been debated for a long time in Japan The book empirically evaluates this idea within the framework of a cross national comparison with the United States and Britain The author also examines the patterns of class mobility in Japan within a cross national perspective and reports similarities and differences in the mobility patterns among the three societies

**Social Class in Contemporary Japan** Hiroshi Ishida, David H. Slater, 2009-10-16 Through examination of contemporary Japanese society this book demonstrates that the analysis of class formation is fundamental for a clear understanding of institutions and collective identity such as family school work gender and ethnicity *Social Mobility in Contemporary Japan* 石田 浩史, 1993

**Social Stratification in Contemporary Japan** Kenji Kosaka, 2013-09-05 First Published in 1994 The focus of this study is class and stratification in Japan There are a few papers on social stratification in Japan that are written in English and make use of the SSM research The present study uses the latest SSM data These were collected in 1985 and are themselves becoming out of date given that Japanese society has been experiencing rapid and radical change though they remain among the most recent available The authors are sociologists this book is intended for a general readership *Social Class in Contemporary Japan* Hiroshi Ishida, David H. Slater, 2009-10-16

Post war Japan was often held up as the model example of the first mature industrial societies outside the Western economy and the first examples of middle mass society Today and since the bursting of the economic bubble in the 1990 s the promises of Japan Inc seem far away *Social Class in Contemporary Japan* is the first single volume that traces the dynamics of social structure institutional socialization and class culture through this turbulent period all the way into the contemporary neoliberal moment In an innovative multi disciplinary approach that include top scholars working on quantitative class structure policy development and ethnographic analysis this volume highlights the centrality of class formation to our understanding of the many levels of Japanese society The chapters each address a different aspect of class formation and transformation which stand on their own Taken together they document the advantages of putting Japan in the broad comparative framework of class analysis and the enduring importance of social class to the analysis of industrial and post industrial societies Written by a team of contributors from Japan the US and Europe this book will be invaluable to students and scholars of Japanese society and culture as well as those interested in cultural anthropology and social class alike

**Modern Japanese society / edited by Josef Kreiner, Ulrich Hohwald and Hans Dieter Olschleger.** Josef Kreiner, Ulrich Mèohwald, Hans Dieter Ölschleger, 2004 Is Japanese society essentially different from other modern industrialized societies or not This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society which may lead the reader to find an answer to these two often asked questions Japanese society defined

as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development is shown to be as modern as any other industrialized society definitely distinct though are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization

**Aspects of Social Change in Modern Japan** Ronald Philip Dore, 2015-03-08 This is an examination of the consequences of Japan's rapid industrialization upon interpersonal relations Based upon current theories of Western experiences with modernization these studies show that the Eastern changes do not conform to Western patterns Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Education Reform and Social Class in Japan* 山口洋子, 2013 Until the early 1990s Japanese education was widely commended for achieving outstanding outcomes in global comparison At the same time it was frequently criticized for failing to cultivate individuality and creativity in students Wide ranging education reforms were enacted during the 1990s to remedy these perceived failings However as this book argues the reforms produced a different outcome than intended contributing to growing disparity in learning motivation and educational aspiration of students from different class backgrounds instead Takehiko Kariya demonstrates by way of empirical sociological analysis that educational inequality in Japan has been expanding and that a new mechanism of educational selection has begun to operate which he calls the incentive divide Casting light on recent changes in Japanese society to critically reassess educational policy choices this book's quantitative and qualitative analyses of the mass education society in post war Japan offer important insights also for understanding similar problems faced in other parts of the world at present Translated into English for the first time the Japanese language version of *Education Reform and Social Class in Japan* won the first Osaragi Jir Prize for Commentary sponsored by the Asahi shinbun This book will be of interest to students and scholars in the fields of Asian studies Japanese studies education sociology and social policy

**The SAGE Handbook of Social Anthropology** Richard Fardon, Oliva Harris, Trevor H J Marchand, Cris Shore, Veronica Strang, Richard Wilson, Mark Nuttall, 2012-07-25 In two volumes the SAGE Handbook of Social Anthropology provides the definitive overview of contemporary research in the discipline It explains the what where and how of current and anticipated work in Social Anthropology With 80 authors contributing more than 60 chapters this is the most comprehensive and up to date statement of research in Social Anthropology available and the essential point of departure for future projects The Handbook is divided into four sections Part I Interfaces examines Social Anthropology's disciplinary connections from Art and Literature to Politics and Economics from Linguistics to Biomedicine from History to Media Studies Part II Places examines place region culture and history from regional area studies to a

globalized world Part III Methods examines issues of method from archives to war zones from development projects to art objects and from ethics to comparison Part IV Futures anticipates anthropologies to come in the Brain Sciences in post Development in the Body and Health and in new Technologies and Materialities Edited by the leading figures in social anthropology the Handbook includes a substantive introduction by Richard Fardon a think piece by Jean and John Comaroff and a concluding last word on futures by Marilyn Strathern The authors each at the leading edge of the discipline contribute in depth chapters on both the foundational ideas and the latest research Comprehensive and detailed this magisterial Handbook overviews the last 25 years of the social anthropological imagination It will speak to scholars in Social Anthropology and its many related disciplines

*Single Mothers in Contemporary Japan* Aya Ezawa, 2016-05-12 Combining work and family remains a major challenge for married women in contemporary Japan and it is not uncommon for them to quit working when starting a family Single mothers by contrast almost always work regardless of the age of their children Despite their eagerness to support themselves and their children through employment their average income remains low and many live on a household budget close to the poverty line This book examines how the difficult living conditions facing single mothers in Japan highlight not only the challenges they face in earning a family wage and managing the work family balance but also reveals the class dimensions of family life in contemporary Japan The need to make ends meet with few resources means that mothers may find it difficult to uphold the lifestyle they may consider as most appropriate for the upbringing of their children and that they may have to choose between their presence at home in line with the ideal of the middle class housewife and mother or devoting more time to earning an income that can pay for a good education Social class in this case is not just a matter of education occupation or income but is also expressed by mothers' approaches to their children's upbringing and future opportunities in education and employment Based on life history interviews with single mothers this study examines the gendered meanings of social class and social achievement and the role of maternal practices in shaping their children's future life trajectories

Key Texts for Japanese Sociology Hideo Nakazawa, 2024-12-18 Though rich diverse unique and engaging Japan's sociological outputs have been internationally underrepresented In its thoughtful translation and curation of key Japanese sociological texts this book redresses this imbalance and treads exciting new ground Comprising 17 chapters spanning 7 decades this text introduces you to fundamental themes from classical studies in post war Japan to contemporary sociological issues like migration politics social mobility and gender based violence Key Texts for Japanese Sociology is an original much needed resource empowering a foundational confident understanding of the national regional and local traditions of Japanese sociology from the latter half of the last century to today

**Critical Issues in Contemporary Japan** Jeff Kingston, 2013-12-17 This book provides undergraduate and graduate students with an interdisciplinary compendium written by a number of leading specialists on contemporary Japan Chapters reflect the standards of rigorous scholarly work but also exceed them in their accessibility of language and engagement with concerns

relevant to non specialists The probing analysis of key debates and issues confronting Japan make this ideal for college courses and an essential reference work on Japan Asia for libraries This book encompasses a range of disciplines in the social sciences and thus will be useful for a variety of courses including Comparative Politics Media Studies Anthropology Sociology Asian Studies International Relations Public Policy Healthcare Education Judicial Reform Gender and Minority Studies The strength of this volume is in the collective efforts of accomplished experts providing in depth analysis and up to date comprehensive coverage of Japan in the 21st century Students will gain the analytical insights and information necessary to assess the challenges that confront the Japanese people policymakers and private and public sector institutions Key issues covered in this volume include Rapidly Aging society Changing Employment system Energy policy Nuclear and Renewable Gender discrimination Immigration Ethnic minorities Trade policy Civil society Rural Japan Okinawa Post 3 11 Tsunami earthquake nuclear meltdown developments Internationalization Sino Japanese relations East Asia s divisive history

**A Companion to the Anthropology of Japan** Jennifer Robertson, 2008-03-10 This book is an unprecedented collection of 29 original essays by some of the world s most distinguished scholars of Japan Covers a broad range of issues including the colonial roots of anthropology in the Japanese academy eugenics and nation building majority and minority cultures genders and sexualities and fashion and food cultures Resists stale and misleading stereotypes by presenting new perspectives on Japanese culture and society Makes Japanese society accessible to readers unfamiliar with the country

**Re-reading the Salaryman in Japan** Romit Dasgupta, 2013 This book uses the figure of the salaryman to explore masculinity in Japan by examining the salaryman as a gendered construct and is one of the first to focus on the men within Japanese corporate culture through a gendered lens Not only does this add to the emerging literature on masculinity in Japan but given the important role Japanese corporate culture has played in Japan s emergence as an industrial power Romit Dasgupta s research offers a new way of looking both at Japanese business culture and more generally at important changes in Japanese society in recent years

**Interpreting Japan** Brian McVeigh, 2014-07-11 Written by an experienced teacher and scholar this book offers university students a handy how to guide for interpreting Japanese society and conducting their own research Stressing the importance of an interdisciplinary approach Brian McVeigh lays out practical and understandable research approaches in a systematic fashion to demonstrate how with the right conceptual tools and enough bibliographical sources Japanese society can be productively analyzed from a distance In concise chapters these approaches are applied to a whole range of topics from the aesthetics of street culture the philosophical import of sci fi anime how the state distributes wealth welfare policies the impact of official policies on gender relations updated spiritual traditions why manners are so important kinship structures corporate culture class schooling self presentation visual culture to the subtleties of Japanese grammar Examples from popular culture daily life and historical events are used to illustrate and highlight the color dynamism and diversity of Japanese society Designed for both beginning and more advanced students this book is intended

not just for Japanese studies but for cross cultural comparison and to demonstrate how social scientists craft their scholarship     An Introduction to Japanese Society Yoshio Sugimoto, 2014-09-24 Now in its fourth edition An Introduction to Japanese Society remains essential reading for students of Japanese society Internationally renowned scholar Yoshio Sugimoto uses both English and Japanese sources to update and expand upon his original narrative in this sophisticated yet highly readable text This book explores the breadth and diversity of Japanese society with chapters covering class geographical and generational variation work education gender minorities popular culture and the establishment Updates include an exploration of the Cool Japan phenomenon and the explosion of Japanese culture overseas This edition also features the latest research into Japanese society updated statistical data and coverage of recent events including the 2011 earthquake and tsunami and the change in government Written in a clear and engaging style An Introduction to Japanese Society provides an insight into all aspects of a diverse and ever evolving contemporary Japan     Social Stratification in Japan Kazuya Kosaka, 2015-12-18 First Published in 1994 Routledge is an imprint of Taylor Francis an informa company

*Images Of Japanese Society Hb* Ross Mouer, Yoshio Sugimoto, 2013-10-28 The popular image of Japanese society is a stereotypical one that of a people characterised by a coherent set of thought and behaviour patterns applying to all Japanese and transcending time Ross Mouer and Yoshio Sugimoto found this image quite incongruous during their research for this book in Japan They ask whether this stereotype of the Japanese is not only generated by foreigners but by the Japanese themselves This is likely to be a controversial book as it does not contribute to the continuing mythologising of Japan and the Japanese The book examines contemporary images of Japanese society by surveying an extensive sample of popular and academic literature on Japan After tracing the development of holistic theories about the Japanese commonly referred to as the group model attention is focused on the evaluation of that image Empirical evidence contrary to this model is discussed and methodological lacunae are cited A sociology of Japanology is also presented In pursuit of other visions of Japanese society the authors argue that certain aspects of Japanese behaviour can be explained by considering Japanese society as the exact inverse of the portrayal provided by the group model The authors also present a multi dimensional model of social stratification arguing that much of the variation in Japanese behaviour can be understood within the framework as having universal equivalence     **Social Stratification in an Aging Society with Low Fertility** Sawako Shirahase, 2022-08-31

This edited book empirically discusses stratification in contemporary Japanese society It is unique for its examination of social inequality in relation to declining fertility and an aging population Japan is the most aged society in the world according to the Statistics Bureau of Japan people who are aged 65 and above comprised 29.1% of the country's total population in 2021 Meanwhile the fertility rate has continuously declined since the mid 1970s Japan experienced a dramatic change in its demographic structure in a short period of time Such fast change could be a major factor that generated social stratification In her industrialization Japan was thought to share a pattern of social stratification similar to that of developed

European and North American countries but with a low degree of socio economic inequality and a high degree of homogeneity There is no clear support for this description of Japan although the country does share a pattern and degree of social stratification similar to that observed in Europe and North America The social stratification theory has been developed in close relationship to the labor market however it is necessary to further examine the social stratification of very aged societies in which a substantial number of the population namely retired persons no longer have any ties to the labor market In this book the contributors explore the pattern of social stratification at three life stages young middle aged and elderly Included are discussions of various aspects of stratification such as education work wealth marriage family gender generation and social attitudes

Contemporary Japan Duncan McCargo, 2012-10-19 Japan is one of the world's most important societies yet remains one of the least understood This book is designed to fill the gap for a concise but thought provoking introduction to all aspects of the country's political economic and social life set in a clear historical context The author's starting point is that the study of Japan is contested territory where even such apparently simple questions such as Who is in charge spark considerable disagreement and controversy among experts To understand contemporary Japan Duncan McCargo argues it is necessary to get to grips with a range of different perspectives on Japanese political and social structures Integrating contrasting perspectives throughout the core chapters of the book focus on the changing economy government and politics society and culture and Japan's place in the wider world The new third edition of this popular text has been fully revised and updated throughout to cover key developments such as the historic end of LDP rule in 2009 This accessible and lively book will be essential reading both for students and general readers who want to know more about this important country

## **Social Mobility In Contemporary Japan** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. ### **Social Mobility In Contemporary Japan Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Mobility In Contemporary Japan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Mobility In Contemporary Japan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Mobility In Contemporary Japan free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Social Mobility In Contemporary Japan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Mobility In Contemporary Japan any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Social Mobility In Contemporary Japan Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Mobility In Contemporary Japan is one of the best book in our library for free trial. We provide copy of Social Mobility In Contemporary Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Mobility In Contemporary Japan. Where to download Social Mobility In Contemporary Japan online for free? Are you looking for Social Mobility In Contemporary Japan PDF? This is definitely going to save you time and cash in something you should think about.
