Heinz,2022-09-23 A new movement in American Christianity calls itself Matthew 25 Christians It follows a long train of new religious movements founded in a rediscovered biblical text that migrates to a new context and sets the church on a new course Good news to the poor is Matthew s story grounded in the entire biblical witness In Jesus s famous last judgment story all the world is questioned whether they saw Christ the king enthroned by way of the cross in the least of these the poor the homeless the hungry the sick the imprisoned Are the corporal works of mercy Jesus requires to become new marks of the church in our times Is Matthew 25 the new John 3 16 a new sign to be held up to the world at football games Following this new social gospel comes another question Will the American church succeed in taking this public as a new errand into the wilderness Could the nonconforming resistance movement that is Christianity find a new voice in the public square collaborate with the academy and politicians and turn Matthew s call for social justice into a new deal for social democracy A Bonhoeffer moment in perilous times for the poor calls for no less **Missionary Voice** ,1911 Human Behavior Theory for Social Work Practice Terry Koenig,Rick Spano,John Thompson,2019-03-06 Human Behavior Theory for Social Work Practice provides an in depth examination of human behavior theories and helps students apply each theory to social work practice Authors Terry Koenig Rick Spano and John Thompson cover a broad spectrum of theories including ecological psychological and sociopolitical before applying them to a wide range of case examples that represent different stages across the human lifespan Drawing from their extensive knowledge and experience in social work practice and teaching the authors also feature scholarly research and writing to support the understanding of the theoretical overview in each chapter

Understanding World Christianity Dyron B. Daughrity,Jesudas M. Athyal,2016-08-01 Each volume of the Understanding World Christianity series analyzes the state of Christianity from six different angles The focus is always Christianity but it is approached in an interdisciplinary manner chronological denominational sociopolitical geographical biographical and theological Short engaging chapters help readers understand the complexity of Christianity in the region and broaden their understanding of the region itself Readers will understand the interplay of Christianity and culture and will see how geography borders economics and other factors influence Christian faith In this exciting volume Dyron B Daughrity and Jesudas M Athyal offer an introduction to Indian Christianity that has been desperately needed by scholars students and interested readers alike Rich in experience and knowledge Daughrity and Athyal introduce readers to the vibrancy of Indian Christianity like no other authors have done before Christian responses to Islam Anthony O'Mahony,Emma Loosley,2024-06-04 In the aftermath of 9 11 there has been much talk of a need to engage on a meaningful level with Islam

but where do we begin and what is the right approach This book available in paperback for the first time looks at case studies from around the world in order to explore how Christian groups sometimes as minorities and sometimes as the majority engage with their Muslim neighbours in the search for a peaceful society Some of the initiatives are politically motivated others run by Church authorities and a number are community based but all offer different approaches to a variety of situations that are encountered in Christian Islamic dialogue This is the first time that global strategies for dialogue have been published in one book by a series of leading academics Whilst previous publications have concentrated on a particular geographical area usually the Middle East or Europe this book casts a wider net and considers issues such as the rise of radical Islam in post Soviet states Indonesian immigration in Australia and the spread of Islam amongst the Black South Africans after the fall of apartheid Scholars and all those interested in politics current affairs religion or peace studies will find this book essential reading as a guidebook to the state of contemporary Christian Islamic relations **Protestant**

Thought in the Nineteenth Century, Volume 2 Claude Welch, 2003-12-12 A comprehensive account of the principal Protestant theological concerns and writers from 1870 to World War I Welch discusses both major and minor thinkers placing them within such overarching themes as the nature of faith and the relationship of church and society

Understanding Contemporary Social Problems Through Media Roberta Goldberg, 2015-11-17 Goldberg uses a multi media approach to critically examine the most significant and volatile issues of our times the environmental crisis upheavals in the developing world health terrorism and technology The book is unique in its in depth coverage of these pressing social concerns and its use of extensive media resources through a companion website An introductory section reviews basic sociological concepts and theories including the sociological imagination and class gender and race stratification all of which are revisited in each chapter The book helps students appreciate the magnitude of the problems of the twenty first century as they develop the intellectual tools to understand them sociologically and personally Features of the text *A ^AChristian Perspective on Political Thought* Stephen Charles Mott, 1993-05-27 Arguing that Americans make political choices in terms of a general notion of right and wrong yet lack a sound objective foundation for such values evangelical scholar Stephen Mott formulates a Christian political theory that supplies such norms Drawing on theological and biblical sources Mott thoroughly develops the biblical and theological foundations for politics and political evaluation Mott proposes that political philosophies should be evaluated in light of Christian theological and ethical values specifically the understanding of power human nature the nature of group life justice and love government and time He then applies this critical framework in an evaluation of political ideologies including traditional conservatism liberalism democracy laissez faire conservatism Marxist socialism and democratic socialism He gives special attention to their classical exponents and ideas Asserting that political visions ultimately depend on cultural values that themselves require vigorous religious faith in a particular society Mott s study offers a valuable introduction to Christian political thought as well as an illuminating look at the connection between politics
