

Global Communities Research Project

Grade 2 Social Studies

- Aligned with Ontario Social Studies curricular expectations for Grade 2.
- Teaching tips:
 - I send home the "Gathering Information" chart for about a week for students to do independent research. Before sending this home, we talk about how to find information from books and the Internet, and I post a few links for child-friendly websites on our class blog. In the last row, I ask students to include interesting facts, but you could choose any subtopic as well.
 - Title page – have students draw symbols that represent their country (flag, animals, flowers, etc.) on the cover of their report.
 - Maps – as part of the independent research component, I ask students to print or photocopy a map to give onto this page. They can choose to show where the country is in the world, show a map of the country alone, or both. For assessment purposes, I ask students to orally describe where their country is located to see that they can use terminology like hemisphere, equator, and the cardinal directions.
 - Where in the World? – Throughout this unit, I gather a variety of maps, globes, and atlases and we complete this part of the project during class time using these resources.
 - We complete the rest of the report in class, based on the research chart they have completed at home. I prefer to see my students' independent work at this point, rather than sending home the report as a home project, so I can assess my students' process rather than just the final product.
 - Interesting Facts – I allow students to use pictures and/or text to tell about any other interesting information they researched. This page often sets apart the "Level 4" work.
 - After the reports are complete, they can be published many ways. I prefer to give the cover page to the front of a duching and hole punch the rest of the pages to place inside.
- Assessment:
 - I have students complete a Self-Assessment based on the 82 inquiry expectations. (See curriculum documents)
 - As students work on their projects during class time, I keep observational records for reporting purposes.
 - See [Achievement Chart in the Ontario Social Studies Curriculum](#) on page 32 of the document.
