Social Work With Immigrants Library Of Social Work:

Social Work with Immigrants Juliet Cheetham, 2022-02-16 People whose work brings them into contact with immigrants and their families are concerned about the serious personal and social problems they may face in establishing themselves in Britain Originally published in 1972 Juliet Cheetham here explores the origin and nature of these difficulties and discusses the contributions and limitations of social work in meeting the needs of immigrants their relatives and some of the organizations involved with them at the time Drawing on her own field experience the author deals with fundamental issues in race relations together with the problems of poor urban areas in which most immigrants have settled She also considers the backgrounds of some of the main immigrant groups their family structure and the pressures and anxieties they experience in moving into a new environment She examines as well the special skills and understanding that social workers in this field need to develop This is a perceptive study which raised fundamental questions about the values objectives and methods of social work at the time Even today it will also provide social workers with a stimulus to re think the basis of some of their activities This book is a re issue originally published in 1972 The language used and assumptions made are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication Social Work with Immigrants and Refugees Elaine Congress, Elaine P. Congress, Fernando Chang-Muy, 2008-10-27 This book is an optimal tool for instructors and students of graduate classes in social work and related disciplines Journal of Immigrant and Minority Health I applaud social work students professors and social workers who seek to serve and empower the immigrant community This text is a great tool toward raising awareness of the many issues immigrants face and helping them find solutions Frank Sharry Executive Director America's Voice The book is a major contribution to social workers and their clients as it addresses advocacy on behalf of immigrants and refugees during a social economic and political period that restricts immigrants rights and service access Dr Diane Drachman Associate Professor University of Connecticut School of Social Work Successful social work with immigrants must begin with an understanding of their legal status and how that status impacts their housing employment health care education and virtually every other aspect of life Chang Muy and Congress present social workers with the only book on the market to emphasize the legal aspect of immigrant issues as well as critical practice and advocacy issues Topics discussed include historical and current trends in immigration applicable theories for practice with immigrants policy and advocacy methods and the need for cultural competence By providing comprehensive coverage of both the legal and practice issues of this complex field this book will help social service professionals and graduate students increase their cultural sensitivity and work more effectively with immigrants Key Features Covers the latest aspects of the immigration debate and discusses how social workers are affected by emerging immigration policies Discusses special populations such as refugees elderly immigrants and victims of international trafficking Includes case studies on the most critical issues immigrants face today legal processes physical and mental health

issues employment difficulties family conflicts and more Instructional Materials Available Free to instructors with a verified order of seven or more copies Email marketing springerpub com to request syllabus and PowerPoint slides

Social Work With Immigrants and Refugees Fernando Chang-Muy, Elaine P. Congress, 2023-08-21 Features practical applications covering the intersection of legal and social services Using a foundational institutional and population based approach illustrated with concrete examples this innovative text will aid readers in the development of policy analysis skills advocacy tools and communication skills needed to work effectively with immigrants and refugees throughout the United States The updated third edition includes four new chapters examining refugees and asylum cultural humility and advocacy focused nonprofit organizations public health and immigrants and immigration and housing areas that have recently seen extensive policy changes in practice and at the state and federal levels Major updates throughout this solution oriented text focus on how to enact positive systemic changes and include an extensive reorganization of the text to facilitate ease of use The text provides specific information about how to engage immigrant clients and how to help them navigate the complicated and often unwelcoming American educational health housing and criminal justice systems The book also addresses ways to advocate for immigrants and refugees in micro mezzo and macro settings and information on at risk groups such as women children and elderly Chapters feature learning objectives case studies with discussion questions and additional resources including sample documents Instructors will also welcome a customizable sample syllabus and chapter PowerPoints New to the Third Edition New chapters exploring refugees and asylum cultural humility and advocacy focused nonprofit organizations public health and immigrants and immigration and housing Examines in depth how to enact positive systemic changes Provides an overview of immigration categories with a focus on highly vulnerable refugees and asylees Up to date immigration policy information Updates to federal government benefits and programs for immigrant workers Key Features Combines direct social service systems change advocacy and immigration strategies Integrates social work and immigration law perspectives on health mental health education employment housing and more Focuses on practical skills reinforced through case studies Examines the needs of specific at risk immigrant population including refugees women children and older adults Supports social work competencies essential for CSWE accreditation

Proceedings of the National Conference of Social Work at the ... Annual Session Held in ... National Conference of Social Work (U.S.). Annual Session, 1924

Social Work and Integration in Immigrant Communities Kathleen Valtonen, 2016-03-03 There has been a marked rise in global migration with many former countries of emigration becoming immigration destinations As a result of this social workers increasingly encounter immigrant clients and are called upon to work in their communities At the same time in the field of research theories conceptual frames perspectives and discourse have materialized and evolved to make sense of contemporary events Social work professionals researchers and students must therefore need to be apprised of current thinking research and discourse in the field of integration Valtonen familiarizes the reader with the variation in

national policies institutional arrangements and service responses which all provide rich contrasts and insights into a breadth of policy possibilities Since macro level developments in migration carry direct implications for social work as a discipline and a profession with a central stake and role in immigrant wellbeing this book provides salient information to help with visioning in the profession defining appropriate and concerted responses and building robust standing in the field as well as promoting the linking of disciplinary and multidisciplinary research with practice

Social Work with Immigrants and Refugees, Second Edition Fernando Chang-Muy, Elaine P. Congress, 2015-10-08 Praise for the first edition This book is an optimal tool for instructors and students of graduate classes in social work and related disciplines Journal of Immigrant and Minority Health This book is a major contribution to social workers and their clients as it addresses advocacy on behalf of immigrants and refugees during a social economic and political period that restricts immigrants rights and service access Dr Diane Drachman Associate Professor University of Connecticut School of Social Work This text is a great tool toward raising awareness of the many issues immigrants face and helping them find solutions Frank Sharry Executive Director America's Voice The leading textbook on social work with immigrants and refugees this is the only book to address the intersection of legal policy and advocacy issues in addition to the clinical skills needed to help these populations This second edition has been updated to reflect key policy changes at the state and federal levels affecting social work with immigrants and refugees The authors have expanded their coverage of transnationalism microaggressions and public health and community issues and each chapter features updated case studies on the most critical issues immigrants face today legal processes physical and mental health issues employment difficulties family conflicts and more Key Features Completely updated to reflect the latest developments in immigration law and policy Includes updated case studies discussion questions and abundant reference material Provides the multidisciplinary perspective of lawyers social workers clinicians administrators and academics Addresses issues specific to elderly immigrants immigrant children LGBT immigrants and victims of international trafficking All new appendix features sample questions asked at naturalization interviews

Social Work with Refugees, Asylum Seekers and Migrants Rachel Larkin, Lauren Wroe, Reima Ana Maglajlic, 2019-08-21 Social work is an international profession and is increasingly having to respond to the needs of displaced people and those impacted by immigration control systems This book will be a vital resource for service providers students and academics specifically those who provide services to people whose lives are impacted by borders

Social Work and Migration Kathleen Valtonen, 2016-04-01 Social work increasingly finds itself at the frontline of issues pertaining to immigrant and refugee settlement and integration In this timely book Kathleen Valtonen provides the first book length study on the challenges these issues create for the profession Drawing on a wide range of research in migration which is not widely available to social workers or included in social work literature she offers readers an opportunity to explore the capacity of the profession to take a primary role in the course and outcome of settlement The book fills a gap in the social work literature by providing scholars practitioners and

students with a critical knowledge base that will strengthen their ability to engage with issues of immigration and integration and to open up options for effective practice with growing numbers of immigrant and refugee clients

Library Services for Immigrants and New Americans Jennifer Koerber, 2018-05-09 Wondering what your library can do for your community's immigrant population This book is replete with resources tips and suggestions providing valuable guidance to librarians who want to better serve this still growing part of America's population This up to date guide to developing and implementing a wide variety of services to immigrants and new Americans focuses on the practical steps of creating and promoting programs Illustrated by success stories in libraries throughout the country the book discusses both traditional ESOL and citizenship classes and transformative legal aid and workforce development programs and services in terms of size type and local political climate e g sanctuary cities at a variety of public libraries as well as in select school libraries As changes unfold in regard to how the federal government and local communities view and treat immigrants and new Americans in their midst this topic deserves a fresh take from the profession The author meets that need providing practical ideas that range from creating more accessible websites and improving wayfinding and customer service in order to overcome cultural roadblocks to dealing with backlash in communities as libraries extend outreach and partnership building goals

Whole Person Librarianship Sara K. Zettervall, Mary C. Nienow, 2019-08-14 Whole Person Librarianship guides librarians through the practical process of facilitating connections among libraries social workers and social services explains why those connections are important and puts them in the context of a national movement Collaboration between libraries and social workers is an exploding trend that will continue to be relevant to the future of public and academic libraries Whole Person Librarianship incorporates practical examples with insights from librarians and social workers The result is a new vision of library services The authors provide multiple examples of how public and academic librarians are connecting their patrons with social services They explore skills and techniques librarians can learn from social workers such as how to set healthy boundaries and work with patrons experiencing homelessness they also offer ideas for how librarians can self educate on these topics The book additionally provides insights for social work partners on how they can benefit from working with librarians While librarians and social workers share social justice motivations their methods are complementary and yet still distinct librarians do not have to become social workers Librarian readers will come away with many practical ideas for collaboration as well as the ability to explain why collaboration with social workers is important for the future of librarianship
