## **Socialism As It Is:**

**Socialism As It Is** William English Walling, 1912      **Socialism** Hyman Frankel, 2010-09-01 It is aimed at those especially young people who have just become involved politically as well as those engaged in single issue movements having come across the word socialism and want to know more about it It is not a detailed text book on the subject The author was a full time trade union official most of his working life he is now retired and was also involved politically on the left so is able to write with some experience and knowledge on the subject The book opens with an attempt to describe capitalism as it is now then deals with the basic ideas of socialism It then takes the reader more deeply into the politics and economics of socialism from a Marxist standpoint The remaining chapters deal with various social problems of today including the growing gap between rich and poor and between rich and poor nations feminism racism democracy freedom and liberty under socialism etc It considers the road to socialism in the light of past attempts to set up socialist regimes e g the Paris Commune of 1870 71 and the Russian Revolution from 1917 to the collapse of the Soviet system in 1989 91 It has a chapter on the history of the idea of socialism communism in Britain and Europe It also deals with the present and the future of the several new Latin American left wing regimes and concludes with a discussion of the situation in Britain today in the light of the New Labour government s swing to the right It arrives at a conclusion that the future of socialism in Britain if it has a future at all lies with ordinary people and their battle for political and economic democracy peace liberty and justice      *Socialism As It Is* William English Walling, 2016-03-17 To know and understand Socialism as it is we must lay aside both the claims of Socialists and the attacks of their opponents and confine ourselves to the concrete activities of Socialist organizations the grounds on which their decisions have been reached and the reasons by which they are ultimately defended      **Socialism As It Is** William English Walling, 2015-01-08 *Socialism As It Is* by William English Walling William English Walling was an American labor reformer and Socialist Republican 1877 1936      **Socialism As It Is** William English Walling, 2023-07-18 In this survey of the international socialist movement William English Walling examines the history philosophy and strategies of socialist and communist organizations around the world He offers insights into the debates and struggles that have shaped the socialist movement in the 20th century This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **The Saturday Review of Politics, Literature, Science and Art**, 1900      *Publications of the American Economic Association* American Economic Association, 1911      **Educational Foundations**, 1918      The Northern California District of the Communist Party,
