Socialist Landmarks Daniel De Leon (syndicaliste).),1952 Daniel De Leon Stephen Coleman,1990 **Socialist landmarks** Daniel De Leon,1977 **James Connolly** Seán Cronin,2020-07-27 Revolutionary unionist and socialist James Connolly is best known for his part in organizing the bloody Easter Rising of 1916 Yet the Rising was just one defining event in a career devoted to peaceful activism for Irish independence social justice for the working class and the rights of women This biography traces the political life of an unassuming advocate for nonviolent social change at the ballot box who later helped lead a violent insurrection to establish an Irish Republic and was executed by a British firing squad **United Apart** Ileen A. DeVault,2018-08-06 In the late nineteenth century most jobs were strictly segregated by sex And yet despite their separation at work male and female employees regularly banded together when they or their unions considered striking In her groundbreaking book Ileen A DeVault explores how gender helped to shape the outcome of job actions and how gender bias became central to unionism in America Covering the period from the formation of the American Federation of Labor in 1886 to the establishment of the Women s Trade Union League in 1903 DeVault analyzes forty strikes from across the nation in the tobacco textile clothing and boot and shoe industries She draws extensively on her research in local newspapers as she traces the daily encounters among male and female coworkers in workplaces homes and union halls Jobs considered appropriate for men and those for women were she finds sufficiently interdependent that the success of the action depended on both sexes cooperating At the same time with their livelihoods at stake tensions between women and men often appeared The AFL entered the twentieth century as the country s primary vehicle for unionized workers and its attitude toward women formed the basis for virtually all later attempts at their organization United Apart transforms conventional wisdom on the rise of the AFL by showing how its member unions developed their central beliefs about female workers and how those beliefs affected male workers as well **Red November, Black November** Salvatore Salerno,1989-07-15 Red November Black November is a study of the culture of the I W W movement at the turn of the twentieth century It analyzes the Wobblies use of cultural expressions such as songs poems and cartoons as a means of educating and unifying workers and as weapons in

the struggle against the repressive social conditions of industrial development The book emphasizes the important role played by immigrant activists Wobbly artists and intellectuals offering a fascinating portrait of the complexity of pre World War I labor radicalism Landmark Speeches of National Socialism Randall L. Bytwerk,2008-05-27 The power which has always started the greatest religious and political avalanches in history rolling has from time immemorial been the magic power of the spoken word and that alone Adolf Hitler Mein Kampf As historians have long noted public oratory has seldom been as pivotal in generating and sustaining the vitality of a movement as it was during the rise and rule of the National Socialist Party from 1919 to 1945 Led by the charismatic and indefatigable Hitler National Socialists conducted one of the most powerful rhetorical campaigns ever recorded Indeed the mass addresses which were broadcast live on radio taped for re broadcast and in many cases filmed for play on theater newsreels throughout the Third Reich constituted one of the most thorough exploitations of media in history Because such evil lay at the heart of the National Socialist movement its overwhelming rhetoric has often been negatively characterized as propaganda As Randall Bytwerk points out however the propaganda label was anything but negative in the minds of the leaders of the National Socialist movement In their view the clear simplistic and even one sided presentation of information was necessary to mobilize effectively all elements of the German population into the National Socialist program Gathered here are thirteen key speeches of this historically significant movement including Hitler s announcement of the party s reestablishment in 1925 following the unsuccessful Beer Hall Putsch four addresses by Joseph Goebbels the 1938 Kristallnacht speech by Julius Streicher and four speeches drafted as models for party leaders use on various public occasions The volume concludes with Adolf Hitler s final public address on January 30 1945 three months before his suicide Several of these works are presented for the first time in English translation Bytwerk provides a brief introduction to each speech and allows the reader to trace the development and downfall of the Nazi party Landmark Speeches of National Socialism is an important volume for students of rhetoric World War II Nazi Germany and the Holocaust **International Socialist Bibliography** ,1955 **Seminar** ,1961 The Life and Times of Daniel De Leon Carl Reeve,1972 Attempts to Unify the American Labor Movement, 1865-1900 Howard M. Gitelman,1960 **Library of Congress Catalog** Library of Congress,1950 **A London Bibliography of the Social Sciences** ,1931 Vols 1 4 include material to June 1 1929 **The Industrial Workers of the World** Thomas Howard McEnroe,1960 **Indian Socialism** Jagdish Saran Sharma,1975 **American Disciples of Marx: from the Age of Jackson to the Progressive Era** David Sprague Herreshoff,1967 Library of Congress Catalogs Library of Congress,1955 **Constant Turmoil** Mary H.
