Cassidy, 2015-03-05 Following his seminal analysis of Luke Jesus Politics and Society A Study of Luke s Gospel Richard J Cassidy explicates the startling social and political contents of the Acts of the Apostles Treating themes of fundamental importance to the life of the church today Society and Politics in the Acts of the Apostles will be required reading for any serious student of the New Testament *Handbook of Early Christianity* Anthony J. Davids, 2010-05-11 This one of a kind reference volume provides focused study on the often neglected portions of the New Testament Acts Hebrews the General Epistles and Revelation Expert contributors present more information than any other single work dealing exclusively with the theology literature background and scholarship of the later New Testament and the apostolic church **Reinventing Theology in Post-Genocide Rwanda** Marcel Uwineza, Elisé Rutagambwa, Michel Segatagara Kamanzi, 2023 In the year 2019 Rwanda marked twenty five years after the genocide against the Tutsi Sadly Catholic priests and nuns were complicit or even participated in the killing of an estimated 800 000 ethnic Tutsis Thousands of people were slaughtered in Catholic Churches where they took refuge For example 5000 people are estimated to have been killed at the Ntarama Catholic Church in August 1994 In March of 2017 Pope Francis issued an apology remarking that the sins and failings of the Church and its members had disfigured the face of Catholicism This statement recognized that the Catholic Church s role in the genocide has implicated the entire Church and is an invitation to reimagine the very essence of the meaning of the Church theology in its multiple dimensions the missionary enterprise the mission of the Church and the place of human dignity in the Catholic faith The task of rethinking what it means to be the Church and restoring fraternal identity as Christians in post genocide Rwanda is thus crucial if theology is to make sense again This is particularly imperative in as much as theology is compelled to reflect upon the very evils that have disfigured the Church s image and people s identity namely the evils of sin suffering the indifference of bystanders the increasing number of genocide deniers the complexity of memory the lack of credible and prophetic leadership that invites a new way of thinking about theology This book brings together bishops theologians historians and other scholars to reflect on how the Rwandan Catholic Church can restore fundamental peace and rebuild lasting reconciliation [Medieval Monks and Their World: Ideas and Realities](#) David Blanks, Michael Frassetto, Amy Livingstone, 2019-01-28 This volume examines the world of the medieval monk The first section of the volume is organized around the theme of monks and the world and explores the intersections between the secular and sacred The second section is concerned with the ideological or intellectual lives of medieval monks These essays examine the ideas that were important to monks and that shaped the intellectual discourse of the Middle Ages Contributors include David R Blanks Constance B

Race, Racism, and the Biblical Narratives Cain Hope Felder, 2023-05-23 Race Racism and the Biblical Narratives is a critical essay from Stony the Road We Trod African American Biblical Interpretation written by the project's editor Cain Hope Felder now in a concise stand alone book In this important work Felder clarifies the profound differences in racial attitudes in the biblical world and now The book reveals the processes at work in both the New and Old Testaments that reflect ancient ambiguity about what we call race Felder uncovers misuses of the biblical text such as the so called curse of Ham in subsequent interpretation and shows how the Bible has been used to trivialize African contributions and demean and enslave Black people Race Racism and the Biblical Narratives challenges scholars and church people alike to a deeper and more honest engagement with the biblical text

The Trial of the Gospel Alexandru Neagoe, 2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke's writings as an apologetic work by focusing on those parts of Luke's story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke's apologia pro evangelio a purpose which is in keeping with the author's declared aim to give his readers assurance about the matters in which they had been instructed Luke 1:4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel's confirmation

Forensic Language and the Day of the Lord Motif in Second Thessalonians 1 and the Effects on the Meaning of the Text Matthew D. Aernie, 2011-09-16 In this book Matthew Aernie argues that Paul intentionally used forensic language allusions and idioms throughout 2 Thessalonians 1 in order to encourage the persecuted church to remain steadfast as they waited for their vindication at the final assize To support this thesis Aernie suggests that such judicial language and allusions are intertextual parallels originating primarily from the Day of the Lord motif found throughout the Old Testament and maintains that the Day of the Lord concept was understood by the author of the Thessalonian correspondence as a reference to the day when the Lord would render righteous verdicts upon those who had both obeyed and disobeyed him Furthermore Aernie argues that the author of 2 Thessalonians likely understood the Day of the Lord to be consummated at the Parousia of Christ when the final court would convene Therefore borrowing from the judicial concept apparent in the Day of the Lord motif Aernie concludes that the author utilized forensic language throughout

2 Thessalonians 1 to exhort the church to remain faithful amidst great opposition as they awaited their ultimate justification at God's eschatological tribunal *The Passion of Jesus in the Gospel of Luke* Donald Senior, 1992 The Passion is the climactic event in each of the gospels These volumes elucidate the passion in its historical background and explore its theological breadth and depth Back cover **Finding List of the Free Library of the General Society of Mechanics and Tradesmen of the City of New York** General Society of Mechanics and Tradesmen of the City of New York.
