D. Westbrook,2015-04-23 April Westbrook explores the intentional inclusion of woman stories those displaying significant female presence within the David narrative in the books of Samuel These stories are made prominent by the surprisingly high number of their occurrences as well as the sequentially progressive literary pattern in which they occur in the larger narrative Westbrook shows that the dramatic and detailed accounts within the story repeatedly challenge the reader to consider the experiences of women and their contribution to the purpose of the larger narrative When viewed collectively these woman stories serve to stir the reader s responses in ways which systematically call into question the nature of the monarchy itself as a power system both its impact upon the nation and upon the kings who rule Although King David is often held up as a paragon of virtue the experiences of the women in his life frequently reveal a different side of his character and the reader must wrestle with the resultant ambiguity In the process the reader must also think deeply about the inevitably negative aspects of hierarchical social structures and why this biblical text is apparently designed to press the reader toward unavoidable and uncomfortable personal confrontation with these realities concerning the use of power within community life **Nag Hammadi Bibliography 1995-2006** David Scholer,Susan Wood,2009-01-31 This is the third volume of the

Millgram, 2018-03-09 This is a book about a book it is an in depth yet reader friendly analysis of the Book of Judges one of the most dramatic books of the Bible Against the commonly held view that this remarkable work is no more than a collection of hero tales stemming from Israel's earliest days in its land its Heroic Age so to speak this study makes the case that the Book of Judges is a unified composition with a single focused message that it is the values held by a people and not its politics that determine its fate Further Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society both inflicted from without and generated from within And not least that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality The larger than life heroes and heroines Ehud and Jael Deborah and Gideon Jephthah and Samson who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world **Bible Study Guide: Isaiah Volume 1** Andrew J. more than the gifts of the cross These gifts came not wrapped in paper but in passion They were not placed around a tree but around a cross They were not covered with ribbons but sprinkled with the blood that Christ shed on our behalf In this five session video Bible study Max Lucado explores the many gifts that Christ provided to us at his crucifixion These include not only the gift of the cross but also the gift of the thorns that pierced his brow The nails that tore his flesh The seamless robe that he removed for us The empty tomb where he forever defeated sin and death The hill of the cross is rich with the gifts of God s grace These were gifts he didn t have to give The only required act for our salvation was the shedding of blood yet God did so much more So as we unwrap these gifts we need to pause and listen for his voice As we do perhaps we will hear him whisper I did it just for you The He Chose the Nails Study Guide includes video discussion questions Bible exploration personal study and reflection materials for in between sessions and an additional session for churches and small groups using this study as part of Lent Session include He Chose to Be One of Us He Chose to Forgive Us He Chose to Invite Us into His Presence He Chose to Love Us Forever He Chose to Give Us Victory Designed for use with the He Chose the Nails DVD 9780310687849 sold separately This is a two disc set that can be used for Christmas and Easter
