Sociology Active:

The Active Society Amitai Etzioni, 1968 For a society to achieve mastery of post modern technology it must mobilize its members to work toward an active society gain self control and realize more fully its values The author depicts an active society as one that is responsive to its changing membership and engaged in intensive and perpetual self transformation In presenting his theory the author combines political and sociological analytic perspectives with an historical approach From these viewpoints he offers postulates and hypotheses which serve as the basis for a theoretical framework within which additional propositions can be formulated and data codified Front jacket flap
