[The Haunted Houses of Reindeer Manor](#) Kevin Guest, 2011-08-30 Dr. Jonathan Anderson, chair of the psychology department of Dallas's most prestigious university, received a rejection letter on his life's work. The next day, October 31, 2008, he got a second chance: an article confirming the existence of ghosts at the infamous Reindeer Manor. The current owner, who only goes by Andy, has been running the property as a Halloween attraction for years. However, it's not the attraction that is of interest to Anderson but rather its true history. Upon visiting the manor, he struck a deal with the owner to rent the entire property for five days under the condition that all Halloween props are removed. Unfortunately for Dr. Anderson, he got his way.
