Solzhenitsyn's Traditional Imagination:

Solzhenitsyn's Traditional Imagination James M. Curtis, 2008 Most critics overlook the literary significance of Alexander Solzhenitsyn's work focusing instead on biographical political and moral interpretations This examination of Solzhenitsyn's major novels *One Day in the Life of Ivan Denisovich* *The First Circle* *Cancer Ward* and *August 1914* emphasizes that his writings must be understood within the tradition of Russian literature and the context of Western culture James M Curtis provides a detailed analysis of Tolstoy's crucial influence on Solzhenitsyn and he discusses at length Solzhenitsyn's relationship to Dostoyevsky Leskov Chekhov and Zamyatin Curtis also demonstrates that a study of Ernest Hemingway whose books have been enormously popular in Russia and Virginia Woolf can contribute to our understanding of the Russian novelist Solzhenitsyn's *Traditional Imagination* includes a chapter on Dos Passos and Eisenstein whose work constituted Solzhenitsyn's first major artistic interest outside Russian literature The chapter presents the first comprehensive examination of the importance of film for Solzhenitsyn and shows how he learned the use of film technique in literature from Dos Passos and how he adapted it from Eisenstein's films This was the first full length study to use Solzhenitsyn's revised editions of *One Day* *The First Circle* and *Cancer Ward* all published in 1978 Professor Curtis's careful use of the best available texts together with his wide knowledge of contemporary literary criticism and his insistence upon Solzhenitsyn's purely literary importance make this a valuable book for all students of Solzhenitsyn's fiction *A Study Guide for Aleksandr Solzhenitsyn's One Day in the Life of Ivan Denisovich* Gale, Cengage Learning, 2015-03-13 A Study Guide for Aleksandr Solzhenitsyn's *One Day in the Life of Ivan Denisovich* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **The Power of the Story** Michael Hanne, 1996 A spirited well researched volume This highly readable study is an impressive work of contemporary criticism richly deserving its intended general and academic audiences Choice

Pontuso, 2004-01-01 In this new paperback edition of *Assault on Ideology* Aleksandr Solzhenitsyn's Political Thought author James F Pontuso showcases the titanic thought that understood Marxism to be a vain and ultimately merciless effort to fulfill the Enlightenment dream of fully conquering and exploiting nature in order to establish a perfect and just society on earth Masterplots Frank Northen Magill, 1996 **New Perspectives On Russian And Soviet Artistic Culture** John O. Norman, 1994-01-07 Reinventing Political Culture Jeffrey C. Goldfarb, 2013-05-09 The way people think and act politically is not set in stone People can and do

change the fundamental cultural contours of their political situation Their political culture does not only restrict imagination and action it is also a resource for political creativity and invention In *Reinventing Political Culture* this resource is uncovered and explored Analyzed as a tension between the power of culture and the culture of power the concept of political culture is reinvented and applied to understanding the practice of people transforming their own political culture in very different circumstances Three instances of such reinvention are closely examined one historic during the twilight of the Soviet empire one actively in process and actively opposed the Obama revolution and one an apparent distant dream the power of culture and the culture of power that would avoid the clash of civilizations in the Middle East In accessible and engaging prose Goldfarb clearly and forcefully presents students and scholars of sociology comparative politics and cultural studies with an original position on political culture showing how the political cultures of our times pose not only grave dangers but also opportunities for creative alternatives
