**The Secrets of Spirituality & Occult** Helena Blavatsky, 2023-11-08 In *The Secrets of Spirituality Occult* Helena Blavatsky delves into the profound mysteries of spiritual knowledge and mystical practices that have been obscured from conventional understanding. Written in her distinctive evocative prose, Blavatsky's work intricately intertwines esoteric philosophy, comparative religion, and the metaphysical traditions of both Eastern and Western spirituality. This book not only elucidates the principles of the occult but also invites readers into a deeper contemplation of existence, advocating for the harmony between science and spirituality in an era often dominated by rationalism. Helena Blavatsky, a pivotal figure in the 19th-century occult revival, founded the Theosophical Society with the aim of promoting universal brotherhood and understanding of divine wisdom. Her travels across India and her profound study of ancient scripts significantly shaped her worldview, informing her writings. Blavatsky's exploration of universal laws and hidden truths offered readers an alternative perspective on spirituality amidst the encroachment of materialism and dogma. This book is highly recommended for those seeking a deeper understanding of spiritual truths and the unseen dimensions of reality. Blavatsky's groundbreaking insights remain relevant today, appealing to both seasoned seekers and newcomers wanting to explore the rich tapestry of spirituality and the occult.

**Teachings from the Mystery School** Elizabeth Clare Prophet, 2020-01-01 Come and Find Me Welcome to the Mystery School of Lord Maitreya, the Buddha of mercy, love, and compassion. Two thousand years ago, Maitreya sent forth the call to his disciple Jesus to come and find him. And so Jesus set out for the Himalayas to find the Father Maitreya and to receive the teachings that would be the key to an age. Now, once again, Maitreya sends forth the call: Are you one of these fiery spirits that Maitreya Buddha is calling? Jesus tells us that the Mystery School of Lord Maitreya is the open door of the coming of the golden age. This is the open door of the pathway of East and West, of the bodhisattvas and the disciples. For once again, it may be said that Maitreya is physically present, not as it was in the first Eden, but by the extension of ourselves in form through the messenger and the Keepers of the Flame. Soon after the announcement of the opening of his Mystery School, Lord Maitreya began a series of profound discourses. He asked us to search these teachings and to discover in them the keys to this Age of Maitreya. In this book, you will find those keys to anchoring the consciousness of the Cosmic Christ in your life. Maitreya beckons: Come and Find Me. Welcome to the adventure of the ages.

***The Evangelical Universalist*** Gregory MacDonald, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist? Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end, all people will be saved? Can one believe passionately in mission if one does not think that anyone will be lost forever? Could universalism be consistent with the teachings of the Bible? Gregory MacDonald argues that the answer is yes to all of these questions. Weaving together philosophical, theological, and biblical considerations, MacDonald

seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index
