**Boy Days Were Happy, Happy Days** Leroy S. Rose, 2012-08-31 Boy days is that period of growing up where you become aware of yourself as you progress from a small boy going to school and gradually enter the world as an adult During those formative years boys experience and experiment with all aspects of adolescent life Not all boys do experience these wonderful stimuli of growing up and later in their adult lives if they are unable to do certain things they are often told that they did not have boy days This book is about a person who experienced the whole gamut of boy days Accompany him as he and his friends go from one boyhood adventure to another Do things with your mind that make you wish you had done in your growing up years Parts of this book will bring back fond memories to some and maybe misery to others Sit back lie back relax and reminisce about all our yesteryears They were indeed happy happy days **Some Days** J.
