Your love was like moonlight  
turning harsh things to beauty,  
so that little wry souls  
reflecting each other obliquely  
as in cracked mirrors...  
beheld in your luminous spirit  
their own reflection,  
transfigured as in a shining stream,  
and loved you for what they are not.  
You are less an image in my mind  
than a luster  
I see you in gleams  
pale as star-light on a gray wall...  
evanescent as the reflection  
of a white swan  
shimmering in broken water.

**The Works of Henry Van Dyke: Days off and other digressions** Henry Van Dyke, 1920 **The Great American Poetry Bake-off, Fourth Series** Robert Peters, 1991 No descriptive material is available for this title I Use to Fall Down: 50 + 25 + 25 Selected Poems D. Alexander Holiday, 2005-06-21 This edition of I Use to Fall Down 50 25 25 Selected Poems contains all of the fifty 50 original poems that first appeared in the original chap book of the same name plus twenty five 25 pieces that first appeared in Letters to Osama Old and New Musings on Foreign and Domestic Terrorism And Other Matters with an additional twenty five new poems The original chap book was a labor of love having comprised many of the pieces which appeared in the book during the Amadou Diallo trial of four New York City police officers charged with this young unarmed African males murder The murder was senseless but the trial was a travesty of justice a mockery of both the justice system in America and specifically how it relates to people of color and Black people in general and very specifically to black men in particular The trial was to put Amadou ergo black people black men on trial and to make whites see that black people are just guilty guilty of being the wrong color So I had written one and sometimes more than one poem per day during the

duration of the trial which began at the end of January and primarily took place during February What is sort of ironic and lends credence to my position about racism in this country is that Amadou was shot and killed in the month of February which is Black History Month and his trial was conducted and ended in the month of February again Black History Month Amadou was found guilty and his murderers went free innocent of all charges Tragic but this oftentimes is justice for blacks in America In addition to writing all those poems during Black History Month about the trial and I had been working nearly two doors down from the very courthouse at the time I hit on the idea of putting a few of the trial poems and others that I had written into a chap book that I would sell locally but the chap book would primarily be for me something to have in my personal library a monument to Amadou and others a testament for Black America I worked on a computer at the local public library drafting each page and getting my printouts from the reference desk librarians After doing all that work the manuscript was ready to be printed into book format by a local Kinkos Amazingly once I actually had a few books in my hand one of the very librarians who had been working at the times I was in and had helped with getting my printed pages for me offered to buy a few copies of this very chapbook putting one in the local archives and about three in general circulation The library even hosted a reading for me I am very proud of the chap book and I had done about three others prior to this one which has gone through several versions of both the cover and the very style of the book and this is why Im making it available again for readers A few of the poems would later in appear in Letters to Osama my first major publication of my work which I am also very proud of This new version of I Use to Fall Down now has a new and exciting cover design twenty five poems from Letters to Osama and some new poems about everything from deaths of celebrities to politics and wars There is humor sadness revenge writing and plain anger at people places and things Being misanthropic is just not easy I hope that readers will both come away from my work having learned something and enjoyed the way I attempted to present the message

Homeless and Out of Business** K.D. Sanders, 2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days Definitely worth checking out Amazon Review **Gulag Letters** Arsenii Formakov, 2017-01-01 Cover Half Title Title Copyright Contents Acknowledgments Note on Transliteration Punctuation and Formatting Introduction Letters 1941 1944 1945 1946 1947 1950 1955 Appendix Letters from Aleksandr Solzhenitsyn Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z *The Lutheran Companion*, 1918 Moonlight Melody Victoria Gates MD, 2020-11-22 Unexpectedly flourishing in her medical practice created turmoils Dr Gates had a lifetime commitment and passion to be a good physician She had a gift for helping terminal patients providing precise amounts of chemo drug with adjustment based on each individual's tolerance This resulted in a successful cure rate Betrayal by jealous narrow minded unintelligent people caused her life to burn to the ground However her faith rebuilt her house on a rock and she learned to let go of her sand castle She lost everything although she found God at last **The Michael Cullen Novels** Alan Sillitoe, 2017-10-03 Three uproarious comic novels from the iconic author of such classics as The Loneliness of the Long Distance Runner and Saturday Night and Sunday Morning Alan Sillitoe has been hailed as the most quietly eloquent of his cohort of postwar British novelists Jonathan Lethem Here are three of Sillitoe's finest and funniest chronicling the adventures of the happy bastard Michael Cullen A Start in Life

The saga begins as Michael Cullen says goodbye to his home in Nottingham and hits the road for London. There he will make his fortune or die trying. *Life Goes On*. The legend of Britain's most unlikely hero continues. After a series of outlandish criminal adventures, Cullen is a bastard no more. But he is still a rake with a refreshing lack of scruples. With the open road in front of him, the police behind him, and randy waitresses at every lay-by, Cullen is up to his old tricks once again. *Moggerhanger*. This madcap tale finds Cullen hired by his ex-boss racketeer Claude Moggerhanger to do a little job. But that's just the beginning of a wild adventure featuring crazed poets, endless women, rat catchers, Labrador retrievers, and his old friend, former mercenary soldier Bill Straw. Rolling Stone called Alan Sillitoe the master of British verbal architecture. These three novels also reveal him as a master of the picaresque, one of the truly unmistakable and original voices in modern fiction.

Land Of Lights: A Lycian Story Levent Uysal, 2024-09-13. In ancient times, Lycian cities such as Olympos, Xanthos, and Patara were today's London, Paris, and Istanbul. It was the region where the never-extinguishing fire of Olympos, the world's first democratic parliament building, was located. Moreover, it was the birthplace and religious center of Santa Claus. Living in Lycia was like watching the world's most beautiful view from the front row in these lands where the Taurus Mountains and the Mediterranean embrace. Lycian ports served as busy trade centers as well as hosting the slave trade. At the same time, they were also the meeting point for people from different parts of the world. Sometimes these meetings caused the birth of great love and pain. From slavery to freedom, justice to cruelty, love to hate, everything about human beings was experienced in the Land of Lights. Themis, Goddess of Justice, says: "If I have aroused suspicion in you, complain against me so that not a single stain remains on me." *Forum*, 1985. **Philip Larkin, R.S. Thomas and Charles Causley** Rory Waterman, 2016-04-22. Focusing on the significance of place, connection, and relationship in three poets who are seldom considered in conjunction, Rory Waterman argues that Philip Larkin, R.S. Thomas, and Charles Causley epitomize many of the emotional and societal shifts and mores of their age. Waterman looks at the foundations underpinning their poetry, the attempts of all three to forge a sense of belonging with or separateness from their readers, the poets' varying responses to their geographical and cultural origins, the belonging and estrangement that inheres in relationships, including marriage, the forced estrangements of war, the antagonism between social belonging and a need for isolation, and finally the charged issues of faith and mortality in an increasingly secularized country.
