

THERE IS A DOOR at the end of a short corridor. And it's humming. Harry Potter's dream. Why else would he be waking in the middle of the night, screaming in terror?

Here are just a few things on Harry's mind:

- A Defense Against the Dark Arts teacher with a personality like poisoned honey
- A monstrous, disgruntled house-elf
- Run as target of the Greyblades Quidditch team
- The looming issue of the end-of-term Ordinary Wandering Level exams

and, of course, the growing shadow of *He Who Must Not Be Named*. In the richest installment yet of J. K. Rowling's seven-part story, Harry Potter is faced with the instability of the very government of the magical world and the impotence of the authorities at Hogwarts.

Despite this (or perhaps because of it), he finds depth and strength in his friends, beyond what even he knows: boundless loyalty, and unshakable morality.

Though thick with the plot (as well as the poems), readers will race through these pages and leave Hogwarts, like Harry, wishing only for the next train back.

Somebodys Awake First American Edition

John Wilbur Chapman

Somebodys Awake First American Edition:

Somebodys Awake First American Edition Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change.
