Abraham's Altars and Ours Grant C Brown,2023-03-01 Abraham s Altars and Ours is a great theological treatise and personal devotional and was written for several reasons First Grant Brown believes we need to be reminded that the altars Abraham erected during his lifetime were to commemorate Abraham s many experiences of God and using Abraham s example we should also preserve the remembrance of God s interventions in our own life and the life of our loved ones Secondly as you read this book you will be inspired and encouraged to see how the Lord personally and constantly involves himself in our life in many wonderful ways even when we find ourselves in the midst of trials and tribulations of one kind or another Finally as you continue to read the Lord will help you to choose which altars to build and also will help you tear down any ungodly ones you wish removed from your life *Worthy a Friend* SICHANGWA ANDREW,2014-10-29

Worthy A Friend is a book written upon realizing that most of the people often think that the causes of modern social problems from divorce to homelessness and conflicts are created by poverty Overlooking something crucial i e friendship it appears that our societies are ignoring the importance of friendship The philosophy behind *Worthy a Friend* is to help the world appreciate the reality that In poverty and other misfortunes of life true friends are a sure refuge It keeps the young out of mischief it comfort and aid the old in their weakness and it incite those in the prime of life to noble deeds Friendship is vital for wellbeing and it is the only glue that can stick the world together yet it takes time to develop and cant be artificially created Worth A Friend recommends carrying out personal friendship audit in order to recognize which friendships provide important things one need then to sharpen each friendship in line with its strength It discuss on how close friendship can be a mirror of your own self it adds that friendship is also important in politics and business because it cultivates the virtues such as creativity and compassion which are essential to a flourishing society It concludes that if we cultivate friendship we can lift some of the burden from our apparently unhappy isolated selves **Helen Steiner Rice: A Collection of Hope**
