OpenAI's ChatGPT, Google's Gemini, and Perplexity AI to generate large amounts of text, refine ideas, and explore various perspectives. This was not just an exercise in automation but a way to demonstrate the creative and practical capabilities of AI firsthand. This is not just a book for students or engineers; it's for parents, teachers, business owners, and anyone curious about AI. But unsure where to start? AI is already shaping our world, and understanding it is no longer optional; it's essential. AI isn't magic or a mystery; it's simply another tool that, when understood, can empower all of us in ways we never imagined. The future of AI doesn't belong to just a few; it belongs to all of us. Whether you're 15 or 80, tech-savvy or not, I hope this book helps you see AI in a whole new light. Let's explore it together.

Moppin' Floors to CEO Dennis C. Miller, 2016-02-19
As a young man in *Moppin' Floors to CEO: From Hopelessness and Failure to Happiness and Success*, Dennis C. Miller faces overwhelming obstacles: an emotionally abusive father, physically abusive Catholic school teachers, bottom of the class grades all the way through high school, and mental health issues that land him in Fair Oaks Psychiatric Hospital. Yet through his own perseverance and the help of caring individuals, Dennis begins a slow but sure ascent up the ladder of success. He starts with mopping floors at a Ramada Inn, gains admittance to an Ivy League university, and eventually becomes the CEO of a New Jersey hospital, which he transforms from a failing enterprise to a flourishing institution noted for its exemplary patient care. Tragedy befalls the hospital, and soon Dennis is being interviewed by Katie Couric, Wolf Blitzer, and Morley Safer. From there, he moves on to a new chapter in life, forming in 2005 his own leadership consulting firm for nonprofit organizations, which he runs to this day. My passion had always been to help people; he writes, "I had an opportunity to help many organizations with developing their strategic plans, board development, fundraising, program development, and marketing strategies. I had a new purpose in life. I was finding my new challenge very fulfilling and deeply rewarding. I had found a new calling in life." In *Moppin' Floors to CEO: From Hopelessness and Failure to Happiness and Success*, Dennis mixes together the right ingredients for an engaging autobiography: a gut-honest recount of his highly eventful life, lots of engaging stories, and some valuable life lessons. We get to know Dennis while he entertains and enlightens us. Through his words and actions, Dennis shows us how anyone, even a troubled kid from New Jersey, can make it to the top and live a fulfilling life.
