Welfare and Rational Care Stephen Darwall,2010-07-28 What kind of life best ensures human welfare Since the ancient Greeks this question has been as central to ethical philosophy as to ordinary reflection But what exactly is welfare This question has suffered from relative neglect And as Stephen Darwall shows it has done so at a price Presenting a provocative new rational care theory of welfare Darwall proves that a proper understanding of welfare fundamentally changes how we think about what is best for people Most philosophers have assumed that a person s welfare is what is good from her point of view namely what she has a distinctive reason to pursue In the now standard terminology welfare is assumed to have an agent relative normativity Darwall by contrast argues that someone s good is what one should want for that person insofar as one cares for her Welfare in other words is normative but not peculiarly for the person whose welfare is at stake In addition Darwall makes the radical proposal that something s contributing to someone s welfare is the same thing as its being something one ought to want for her own sake insofar as one cares Darwall defends this theory with clarity precision and elegance and with a subtle understanding of the place of sympathetic concern in the rich psychology of sympathy and empathy His forceful arguments will change how we understand a concept central to ethics and our understanding of human bonds and human choices

Care of the Suicidal Person John R. Cutcliffe,Chris Stevenson,2007-01-01 This title is directed primarily towards health care professionals outside of the United States This book is based on a three year qualitative study a study that was funded by the United Kingdom Department of Health that investigated how psychiatric nurses provided care for suicidal people Drawing on service user data this book contains and explains an evidence based empirically induced theory of how to care for suicidal people Far from being an esoteric theory with no clinical applicability the findings captured in this book are grounded in the reality of day to day practice Furthermore in addition to tracing the role of nurses in caring for suicidal people the authors use their findings to launch into formal level issues regarding future research education and policy as well as focusing on the ethical issues involved in care of the suicidal person The authors close by shifting the focus on suicide survivors and with the help of contributing authors As the eminent suicidology scholars who have generously provided their Forewords note this is a must read book for anyone involved in the care of the suicidal person

Self-Interest: Volume 14, Part 1 Ellen Frankel Paul,Fred Dycus Miller,Jeffrey Paul,1997-05-28

The good man should be a lover of self Aristotle wrote For he will both himself profit by doing noble acts and will benefit his fellows Yet in much of contemporary moral philosophy concern for one s own interests is considered a non moral issue while concern for the interests of others is paradigmatically moral Indeed a central issue in ethical theory involves the proper balance to be struck between prudence and morality between the pursuit of one s own good and the pursuit of the good of

others When deliberating over what action to take should one weigh one's own interests more heavily than those of others Or is it possible to accommodate both self interest and regard for others to show that we have self regarding reasons for helping others The twelve essays in this volume written from a range of perspectives address these questions and examine related issues

Evil or Ill? Lawrie

Reznek, 2005-06-20 Lawrie Reznek addresses these questions and more in his controversial investigation of the insanity defense in *Evil or Ill* Drawing from countless intriguing case examples he aims to understand the concept of an excuse and explains why the law excuses certain actions and not others In his easily accessible and elegant style he explains that in law there exists two excuses derived from Aristotle the excuses of ignorance and compulsion Reznek however proposes a third excuse the excuse of character change In introducing this third excuse Reznek raises a controversial possibility the abolition of the insanity defence

Care Is Love Prem Aggarwal, 2025-03-18 When we care for someone we demonstrate our love

and concern for their well-being, safety, and happiness. We show that we value and prioritize their needs and are willing to invest time and energy to support and nurture them. In many ways, care is a tangible representation of love, making it a powerful and meaningful way to connect with others and build strong relationships. By showing care, we can communicate our love and affection in a way that is both practical and profound.

Sweet Moon for Silke Steven Curtis Lance, 2004-09-01 This delightful little book consists of a Prologue sonnet, a Why There Are No Page Numbers in This Book sonnet, the continuation of the author's incredible series of Transcendental Sonnets numbers 633 through 1022, and closes with an Encore sonnet. Chockablock with love, philosophy, politics, humor, humanity, as well as the author's distinctive other observations, the book was a joint effort of both the poet and his wife Dr. Silke Lance, who did the absolutely stunning cover art. Dr. Lance also served as her husband's editor this time. This second book is smaller and lighter than the first and meant to be a romantic romp in the moonlight. Anyone who has ever looked up at the moon and wondered about things will surely find something to love in this second volume of extraordinary sonnets from Mind Brain.com's extraordinary Poet in Residence Steven Curtis Lance. As he says in the last line of the Prologue: I give this book then for my butterfly. **#NAME?** + Steven Curtis Lance, 2004-10-01

Steven Curtis Lance has been a practicing poet for thirty-five years, and his fiftieth birthday is fast approaching. In observance of this milestone, he now offers himself to you within the pages of this book. Mr. Lance has created well over a thousand Transcendental Sonnets, the very distillation of his life, and this entire collection up to the date of this publication may be found here, along with a few hundred additional poems or other observations as he calls them. Steven Curtis Lance Collected Poems contains two complete books, as well as new works by this modern master. This is one poet's life offered with love from his open heart to yours: seven hundred and twenty-eight pages and three pounds of life, of love, and of laughing last. Can you handle the truth? Buy and read and savor this treasury of love, romance, politics, philosophy, and occasionally subversive humor, and live, love, and laugh last with Lance. Enjoy. Cover art by Dr. Silke Lance.
