Someplace Else Jan Steer, 2017-08-31 A disillusioned Laurie Price has washed up in Papaya in the American desert It is 1938 and another war is imminent A mysterious car dumps the delicious Angie Reeves in the road She is all alone Laurie needs to help her but Angie is tougher than he realised stronger than the vicious thugs who seize her back and the fascist gang whose sole wish is to deal in death Together they take them on but how could they know what secrets the desert held The road towards the story's conclusion is a winding one Nobody is who he or she appears to be and the tale is peppered with deceptions and false trails Laurie tells his story in a tough no nonsense way that keeps the reader guessing until all is revealed in an explosive conclusion

From Someplace Else Ralph Osborne, 2003-05-09 The decade between 1961 and 1971 was a time of tumult of innocence lost gained and lost again During those years Ralph Osborne moved from the confusions of being 17 to briefly believing that at 27 he knew everything It is he says my version of the Divine Comedy more comedic than divine From Someplace Else is an often hilarious occasionally tragic account of the exploration of boundaries inner and outer through a time of free love and psychedelic adventure And because the paths between Heaven and Hell good and bad and up and down are not linear this book is necessarily an account of one man's first trip around the circle Osborne's Holy Grail is identity His quest in which he sets out to learn a small piece of the puzzle one little thing I could know for certain takes him from a working class tenement on the east coast through the privileged confines of Westmount west to the cleansing air of the prairies and east again to the stoned out beginnings of Toronto the hip

where he becomes general manager of the infamous Rochdale College From *Someplace Else* is a journey driven by the ever relevant question to be or to become It s also the slightly surreal description of the thin line between simplicity and squalor

Someplace Else Barbara Linick,2011-10-18 Twelve year old Johnny lives way up in a high rise in a big city When he looks out the window he sees the world bustling to and fro but doesn t understand what everyone is doing Fortunately he happens to have a big imagination that conjures up an odyssey of discovery and transformation One night Johnny s pure and naive thoughts appear in the form of jewels and fly him away to captivating Zodiac Island whose gatekeeper is an enormous dragon There Johnny meets each of the 12 astrological signs in its living form The problem is they all want Johnny to choose between them as to which sign is the best In *Someplace Else* Johnny s delightful decision tells us that while each of the 12 signs is very much alive and a thing unto itself when assembled together they compose a whole new scheme This provocative idea reveals to Johnny that he should worry no longer when he looks outside his window life is a system made up of infinite things and that system works Barbara Linick has designed a whimsical enchantment using a theme as old as fantasy itself And while serving to introduce astrology to children and adults alike Johnny s intriguing voyage also unfolds for us how the sum can be greater than its parts

Everywhere is Someplace Else Susan Bright,1998 This is the product of a publishing colony in which a group of eleven national writers created a book at a week long retreat held on the Texas Gulf Coast It is a gathering of poetry about issues justice environment spirit creativity and community Contributors include Susan Bright Bonnie Buhler Smith Valerie Bridgeman Davis Bradley Earle Hoge Frances Downing Hunter Margo LaGattuta Polly Opsahl Christine Valentine Reising Karen Chorkey Renaud Kalamu ya Salaam and Gail Teachworth Everywhere we go in the world we bring ourselves and our histories We are both exhilarated and cautioned by differences we see in climates customs ideologies and people and

we build walls of protection to keep us safe in our hermetic hometowns Yet as writers and readers we can see beyond those walls Through the lenses of metaphor and image focus and association we can see the inner connections between people infrastructures of common experience that go beyond first appearances The world becomes smaller and less intimidating when we name our truths and discover that our neighbors share them Through collaboration we create new pathways of understanding Everywhere is Someplace Else is a powerful collection that examines Spirit Earth Justice The Other Community Work Creatures Time Death Love and Creativity through the eyes of eleven poets and storytellers who gathered to collaborate and create a stunning celebration of life and the creative process The book was assembled in a week of intensive collaboration which influenced everyone's vision In this process of creating we found that community sustains us Our best art comes from healing its pain Our readers are an extended community of people all over the world who work every day to change ideas and institutions that are destroying the planet This anthology is the product of all we know about the soul of the writer how it grows from community and gives back to it how a circle of voices is often the truth of the poem how meaning is created because we need it

Foreign Friends David P. Fields,2019-04-19 The division of Korea in August 1945 was one of the most consequential foreign policy decisions of the twentieth century Despite the enormous impact this split has had on international relations from the Cold War to the present comparatively little has been done to explain the decision In Foreign Friends Syngman Rhee American Exceptionalism and the Division of Korea author David P Fields argues that the division resulted not from a snap decision made by US military officers at the end of World War II but from a forty year lobbying campaign spearheaded by Korean nationalist Syngman Rhee Educated in an American missionary school in Seoul Rhee understood the importance of exceptionalism in American society Alleging that the US turned its back on the most rapidly Christianizing nation in the world when it acquiesced to Japan s annexation of Korea in 1905 Rhee constructed a coalition of American supporters to pressure policymakers to right these historical wrongs by supporting Korea s independence Following the attack on Pearl Harbor Rhee and his Korean supporters reasoned that the American abandonment of Korea had given the Japanese a foothold in Asia tarnishing the US claim to leadership in the opinion of millions of Asians By transforming Korea into a moralist tale of the failures of American foreign policy in Asia Rhee and his camp turned the country into a test case of American exceptionalism in the postwar era Division was not the outcome they sought but their lobbying was a crucial yet overlooked piece that contributed to this final resolution Through its systematic use of the personal papers and diary of Syngman Rhee as well as its serious examination of American exceptionalism Foreign Friends synthesizes religious intellectual and diplomatic history to offer a new interpretation of US Korean relations
