Villas, Sanctuaries and Settlement in the Romano-British Countryside Martin Henig, Grahame Soffe, Kate Adcock, Anthony King, 2023-03-02 This volume brings together a range of papers on buildings that have been categorised as villas mainly in Roman Britain from the Isle of Wight to Shropshire It comprises the first such survey for almost half a century The Shapwick Project, Somerset Christopher Gerrard, 2017-10-24 This book provides an introduction to the Shapwick Project's objectives geographical background and previous work in the Somerset It deals with excavations in the outlying parish and focuses on work in the village at Shapwick House **Monographic Series** Library of Congress, 1977 *Reconstructing the Development of Somerset's Early Medieval Church* Carole Lomas, 2024-05-09 This book uses Somerset as a case study to contribute to a broader understanding of how the Church developed across the British Isles during the transition from the post Roman Church to the 11th century It collates and cross references all earlier research and offers the most up to date study of Somerset's post Roman churches **Interpreting the English Village** Mick Aston, Christopher Gerrard, 2013-02-07 An original and approachable account of how archaeology can tell the story of the English village Shapwick lies in the middle of Somerset next to the important monastic centre of Glastonbury the abbey owned the manor for 800 years from the 8th to the 16th century and its abbots and officials had a great influence on the lives of the peasants who lived there It is possible that abbot Dunstan one of the great reformers of tenth century monasticism directed the planning of the village The Shapwick Project examined the development and history of an English parish and village over a ten thousand year period This was a truly multi disciplinary project Not only were a battery of archaeological and historical techniques explored such as field walking test pitting archaeological excavation aerial reconnaissance documentary research and cartographic analysis but numerous other techniques such as building analysis dendrochronological dating and soil analysis were undertaken on a large scale The result is a fascinating study about how the community lived and prospered in Shapwick In addition we learn how a group of enthusiastic and dedicated scholars unravelled this story As such there is much here to inspire and enthuse others who might want to embark on a landscape study of a parish or village area Seven of the ten chapters begin with a fictional vignette to bring the story of the village to life Text boxes elucidate re occurring themes and techniques Extensively illustrated in colour including 100 full page images **Let the Stones Talk** Christopher Steed, 2011 Who were the People of the Moor Sixty generations have lived here since the Roman Second Legion descended from the skyline What is the significance of the spirit road or a beautiful pavement in a villa buried by the soil of centuries Who were the mysterious hill fort people who established a high status society on an ancient site We encounter Norman lords and the lives of the miserable a Mayor of Bristol who lost his wife when Black Death swept the people away a senior Judge but also the common people determined to build a magnificent structure as a sign of faith and hope for the future What would it have been like to go to church in 1460 We read of the irrepressible way that the late medieval life of Merry England spills over

into the church of payments to minstrels and skilled craftsmen The People of the Moor have to face up to religion shock as a reform movement rocks their foundations They contend with a tsunami pirates and soldiers As the generations roll by we experience life in an 18th century village and witness a remarkable experiment by Hannah and her sisters An in depth look at the mid Victorians holds up a mirror to social transformation on wheels and the challenge of educating and providing for the poor Some intriguing characters pass each other in the street in 1840 Who is the village tailor a yeoman farmer with relatives sentenced to death or transportation to Australia a Quaker girl and the old gypsy who will die next year in the workhouse In time new forms of power take hold and rural communities between the wars experience rapid social change This story of small communities on their journey through time is a microcosm of English history The march of 60 generations is our story too
