**McCall's**, 1928      **Tait's Edinburgh Magazine**, 1859  
**The Gentleman's Magazine**, 1877      **Why Kierkegaard Matters** Marc Alan Jolley, 2010. Monographs on philosophers multiply daily but on occasion the question of why a particular philosopher matters. If we stop thinking about them by asking why then will they cease to exist. When Mercer University Press opened its doors more than thirty years ago it committed itself to religious studies in general and to several thinkers. One of those was Søren Kierkegaard. Now as the Press concludes a major publishing event with the completion of the International Kierkegaard Commentary it seeks to honor the only series editor it has known Robert Perkins. The method of this honor is by asking *Why Kierkegaard Matters*. The leading Kierkegaard scholars have contributed essays that range from the very personal and memoir-esque to the academic and analytical. As a result this festschrift is not only a book to honor an extraordinary editor but is in its own right a major contribution to the assessment of the importance of Kierkegaard. Written with the general reader in mind this collection will prove useful by both scholar and student and will lead the general reader to encounter one of the most original Christian philosophers in the history of the world.
