Rudyard Kipling: Something of Myself and Other Autobiographical Writings Rudyard Kipling, 1991-06-28 Rudyard Kipling s autobiography Something of Myself was the author's last work but it has not received the serious attention it deserves Thomas Pinney's edition of the work supplemented by other autobiographical pieces aims to change that Professor Pinney a leading textual editor currently engaged on Kipling's letters has consulted the available source material relating to Something of Myself He has constructed an outline of the book's composition described the history of its publication established a text and a set of variants and given a critical account of the book s design and its main themes His annotations to the work and to the supplementary pieces identify references and allusions and provide a biographical context against which Kipling's selections omissions and distortions may clearly be seen The extent to which Kipling's description of his life failed to match what actually happened is extraordinary Two of the additional items presented here Kipling's Indian diary of 1885 and the illustrations he made for his autobiographical story Baa Baa Black Sheep are previously unpublished Pinney shows how they and other forms of autobiographical writing reflect upon or complicate the narrative of Something of Myself This carefully prepared edition sheds new light on Kipling as a man and writer Kipling's Something of Myself for My Friends Known and Unknown ,1937 Something of Myself Rudyard Kipling, 2020-09-07 This unfinished autobiography by Rudyard Kipling offers a glimpse into the author's early life and some of the periods he spent working on his most famous books and poems Little of this autobiography refers to the private life of the author his purpose instead being to shed light on the creative inspirations which he saw and which inspired Kipling's celebrated literary works However Kipling does mention early recollections such as how as a child in Southsea he was introduced to the ideas of adventurous travel by his father A bookish person by nature Kipling also remembers the stories he enjoyed in these formative years Once the narrative reaches his young adulthood Kipling reminisces on the appearance and atmosphere of far flung locales in which he lived and travelled Life in colonial India and South Africa is described in detail the duties Kipling had and times spent with the garrison soldiers

and others at the British Club the culture of the locals and everyday life in the villages and towns As such we gain an impression of the life which inspired acclaimed works such as the Jungle Book and Kipling's characteristic verses that remain well recognized in the modern day The Cambridge Companion to Rudyard Kipling Howard J. Booth, 2011-09-01 Rudyard Kipling 1865 1936 is among the most popular acclaimed and controversial of writers in English His books have sold in great numbers and he remains the youngest writer to have won the Nobel Prize in Literature Many associate Kipling with poems such as If his novel Kim his pioneering use of the short story form and such works for children as the Just So Stories For others though Kipling is the very symbol of the British Empire and a belligerent approach to other peoples and races This Companion explores Kipling's main themes and texts the different genres in which he worked and the various phases of his career It also examines the afterlives of his texts in postcolonial writing and through adaptations of his work With a chronology and guide to further reading this book serves as a useful introduction for students of literature and of Empire and its after effects **Something of Myself and Others** Mary Kenny, 2013-11-15 We are all witnesses of our time and this is something of a witness to mine Something of Myself and Others is a fascinating collection of articles and reflections on the public and private life of one of Ireland's best known journalists Detailing memorable events in her life as well as those she has witnessed in Ireland's recent history Mary Kenny recalls her experiences with humour and charm In this collection of articles some of which have appeared previously in a number of newspapers and magazines Kenny reflects on the people she has known the places she has been and the experiences that have shaped her Something of Myself and Others is a wonderfully varied and entertaining read In it Mary chronicles her adventures as a young ambitious journalist through to her current personal challenges with illness and loss She recalls bringing down a Cabinet minister aboard the Queen Mary introducing Irish president Michael D Higgins to his wife interviewing Grace of Monaco and Marlene Dietrich and being complimented by the Queen She talks with great heart about the absent friends that have influenced her such as Terry Keane June Levine and Maeve Binchey She gives her account of the now infamous trip to Belfast aboard the contraception train as well as some reflections on culture religion and Irish society Alongside stories of the famous faces she has encountered Mary also writes candidly on the loss of her sister Ursula and her recent experience as primary carer for her husband Richard Something of Myself and Others is not an autobiography Instead Mary Kenny has assembled a refreshing collection of articles that are sometimes funny often poignant and always sharply perceptive giving a wonderful insight into the life of one of Ireland's most prolific journalists Merry's Museum ,1843 Merry's Museum Samuel Griswold Goodrich, Stephen Postcolonial Writing in the Era of World Literature Baidik Bhattacharya, 2018-06-14 This book explores the T. Allen, 1847 debates surrounding two dynamic fields postcolonial studies and world literature Contrary to many dominant narratives in critical theory it asserts that as an analytical framework the idea of world literature is dead the nineteenth century ideal of world literature had always and already been embedded in colonial histories and also because whatever promise that ideal

held out has been exhausted by postcolonial Anglophone literature Through fresh and incisive readings of the postcolonial canon and some of its most prominent authors like Rudyard Kipling V S Naipaul J M Coetzee and Salman Rushdie the volume discusses how these Anglophone writings have used the banal and ordinary ideal of world literature to fashion out their own trajectories Ambitious in scope this book challenges many of the existing theoretical and literary frameworks and offers a radical reimagination of the fields The volume written in an accessible and lively prose will be indispensable for scholars and researchers of literature critical theory postcolonial studies cultural studies and comparative literature Famous Fiction: pt. 1 Heavy vokes ,1880 Macmillan's Magazine, 1886 Stand By Me: Helping Your Teen Through *Tough Times* John Kirwan, 2014-08-27 Charting John Kirwan's personal experiences as a father and featuring the real voices of young people today Stand By Me investigates issues around teenage mental health with a focus on depression and anxiety I m a dad and I m scared When I say I m a dad and I m scared I really mean I m a dad and I m looking for answers from the professionals kids mums dads and other caregivers who have been there holding each other s hands to hell and back Stand by me Let's take the journey together With clinical psychologists Dr Elliot Bell and Kirsty Louden Bell JK confronts the big questions facing parents and teens highlighting key messages and offering best approaches Stand By Me also draws on the perspectives of teenagers who have been diagnosed with mental health issues and the families who have journeyed with them In their own words the young people reflect on their darkest days and recovery and consider how these experiences have shaped them as they face forward into their adult lives Intimate enlightening and impossible to ignore Stand By Me is a window into an all too real issue facing New Zealand families and a powerful tool for anyone concerned about the wellbeing of young people in their care Also available as an eBook **Intimate Relationships** Wind Goodfriend, 2020-07-30 Intimate Relationships provides students with a comprehensive understanding of the science behind relationships using a modern approach The Sussex County Magazine ,1937 The Far-Eastern Review ,1920 Chambers's Iournal of Popular Literature, Science and Arts, 1863 Artistic Duplicity William B.
