***Write What You***

**Don't Know** Julian Hoxter, 2011-08-18 Write What You Don't Know is a friendly manual for aspiring screenwriters. It encourages you to move beyond your comfort zones in search of stories. We all write what we know; how could we not? Writing what you don't know and doing it in an informed and imaginative way is what makes the process worthwhile. Hoxter draws on his wealth of experience teaching young film students to offer help with every aspect of the writing process, including how we come up with ideas in the first place. Light-hearted and full of insight into the roundabout way film students approach their scripts, it also discusses the important issues like the difference between stories and plots and what your characters should be doing in the middle of act two. Write What You Don't Know contains examples and case studies from a wide range of movies, both mainstream and alternative, such as *The Virgin Spring*, *Die Hard*, *The Ipcress File*, *For the Birds*, *500 Days of Summer*, *Juno*, *Up in the Air*, *Knocked Up*, and *Brick*.      [Let Me Tell You a Story](#) Elfie F. Salisbury, 2022-03-09 Rarely does a book quite like this one come along. Each story is unique. The stories are true insights into an epic journey of life growing up in a small rural town in Northeast Ohio. In addition, the stories include struggles of a little girl growing up in a Pentecostal church from the 1960s to the present years. Also included are stories about a career in teaching that has spanned thirty-five years, two states, and all grade levels and subjects. The variety of stories may include glimpses into a large, close-knit family of nineteen people. With a family that large, much was happening all of the time. You will read about struggles, triumphs, laughter, and challenges and read encouraging words to inspire you to be a better person. Each page will walk through a moment in time. That moment may be happy, sad, or thought-provoking, but will always leave you to ponder about your own situation. In the midst of it all, you will find a unique focus on God. As you read the stories and understand the background of the author, you will see why the struggles were real. You will understand that if someone can honestly say they have been in your shoes, these stories represent just that.
