**Cas Walker** Joshua S. Hodge, 2025-09-02 Businessman politician broadcasting personality and newspaper publisher Cas Walker 1902 1998 was by his own estimation a living legend in Knoxville for much of the twentieth century Renowned for his gravelly voice and country boy persona he rose from blue collar beginnings to make a fortune as a grocer whose chain of supermarkets extended from East Tennessee into Virginia and Kentucky To promote his stores he hosted a local variety show first on radio and then TV that advanced the careers of many famed country music artists from a young Dolly Parton to Roy Acuff Chet Atkins and Bill Monroe As a member of the Knoxville city council he championed the little man while ceaselessly irritating the people he called the silk stocking crowd This wonderfully entertaining book brings together selections from interviews with a score of Knoxvilleans various newspaper accounts Walker's own autobiography and other sources to present a colorful mosaic of Walker's life The stories range from his flamboyant advertising schemes as when he buried a man alive outside one of his stores to memories of his inimitable managerial style as when he infamously canned the Everly Brothers because he didn't like it when they began performing rock n roll Further recollections call to mind Walker's peculiar brand of bare knuckle politics his generosity to people in need his stance on civil rights and his lifelong love of coon hunting and coon dogs The book also traces his decline hastened in part by a successful libel suit brought against his muckraking weekly newspaper the Watchdog It's said that any Knoxvillean born before 1980 has a Cas Walker story In relating many of those stories in the voices of those who still remember him this book not only offers an engaging portrait of the man himself and his checkered legacy but also opens a new window into the history and culture of the city in which he lived and thrived **The**

**It** Stephen King, 2016-01-01 Stephen King's classic 1 New York Times bestseller and the basis for the massively successful films It Chapter One and It Chapter Two as well as inspiration for HBO Max's series It Welcome to Derry about seven adults who return to their hometown to confront a nightmare they had first stumbled upon as teenagers an evil without a name It Welcome to Derry Maine It's a small city a place as hauntingly familiar as your own hometown Only in Derry the haunting is real They were seven teenagers when they first stumbled upon the horror Now they are grown up men and women who have gone out into the big world to gain success and happiness But the promise they made twenty eight years

ago calls them reunite in the same place where as teenagers they battled an evil creature that preyed on the city's children. Now children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine is a place with a deep dark hold on the author. It reappears in many of his books including *Bag of Bones*, *Hearts in Atlantis*, and *11/22/63*. But it all starts with *It*, Stephen King's most mature work. *St. Petersburg Times*: It will overwhelm you to be read in a well-lit room only. *Los Angeles Times*: *Mutant Chronicles* Matt Forbeck, 2008-09-30. It will be a dangerous mission. I don't expect that any of us will survive. But it's a chance to save mankind, to save our world. Maybe the last chance. By the end of the twenty-third century, Earth is a plague-ridden, war-ravaged cesspool dominated by megacorporations whose ruthless armies fight one another for power and for the very scarce resources there are left. Capitol fighters Mitch Hunter and Nathan Rooker are battling the opposing forces of the Bauhaus corporation when a cannon blast exposes and destroys an ancient stone seal in the ground. From the bowels of the Earth crawl hordes of necromutants with razorlike boneblades for arms, hideous humanoids that thrive and multiply by commandeering the bodies of dying soldiers. Mitch barely escapes only to discover that both the rise of the mutants and the Deliverer who will save humanity have been prophesied. Unless Mitch and a group of warriors from each of the megacorporations succeed in reaching the hidden horrors and wiping out the mutant scourge, our world will literally become a hell on Earth. Now a major motion picture. **Ghost Hunt 2** Jason Hawes, Grant Wilson, Cameron Dokey, 2024-09-24. *Ghost Hunt 2* has more ghosts, more cases, and more chills. Are glowing red eyes in the woods just an animal or something more sinister? Unlock these mysteries and many more in this chilling collection of terrifying tales based on real cases from The Atlantic Paranormal Society. Find more details and tips on ghost hunting than ever before. **Ambush on the Mesa** Gordon D. Shirreffs, 2012-06-03. A regiment was needed but they sent only one man. Hugh Kinzie, scout for the United States Army, saddled his dun and rode west. He found the party of men and women ambushed by Red Sleeves, the maniacal chief who hated the white man more than he feared death itself. Hugh counted on one thing to get them out: his old, battered, still deadly rifle. Bermuda Schwartz Bob Morris, 2007-02-06. From the Edgar-nominated bestselling series that gets better with each book and an author who constantly surprises comes *Bermuda*. Schwartz: a tale of hidden treasure, murder, romance, and rum.
