showing how bad acts can rebound and repay with interest All the tales use humour to demonstrate life s lessons to the young and young at heart The tales themselves are delightfully enhanced by the illustrations by Jean de Bosschere a Belgian artist and writer 1878 1953 associated with the Golden Age of Illustration This volume contains 12 lovely colour illustrations and more than 120 monotone and two colour images ranging in size from full page to vignettes De Bosschere s work is considered to be in same league as Harry Clarke or Willy Pogany Whomever his work is compared to the work of Jean de Bosschere like that of other great illustrators is unique so much so that many of his illustrated books were published as limited editions 10% of the profit from the sale of this book will be donated to charity      **Child-garden of Story, Song and Play** ,1900      Children's Catalog of Thirty-five Hundred Books H.W.
