Developed by progressive social scientists in the early 20th century the juvenile justice system in the U S consisted of courts and corrections aimed at reforming disorderly youth Poor immigrant boys roaming the streets unsupervised were its usual subjects Psychologists and sociologists equated maleness with innate insensitivity lack of self control and violent tendencies In the belief that proper discipline would save the troubled boys from feminization and help control their destructive impulses a rigid masculine authority challenged by women activists began to be imposed by a reactionary patriarchal system This study of delinquency in 1920s Chicago examines the lives of boys many of whom spent their early years incarcerated who survived by embracing criminal personas Predatory masculinity emerges as a source of personal struggle and as the basis for an array of contemporary social problems including mass violence and suicide The People's Violin Charles Varon, David Ford, 2005 THE STORY A play about Americans and Israelis Jews and gentiles truth and deception Sol Shank 43 is an experimental filmmaker transplanted New York Jew and unhappy son of a famous man Sol s father Sidney Shank is a psychotherapist Holoc The Lady Travelers Guide to Deception with an Unlikely Earl Victoria Alexander, 2018-11-20 An earl s love language is Egyptian hieroglyphs in this sparkling adventure in the 1 New York Times bestselling author s Lady Travelers Society series Harry Armstrong has spent years in Egypt recovering relics and disregarding rules Now he s back in England with a new title and a new purpose penning his exploits But his efforts are overshadowed by London s favorite writer about Egypt a woman they call The Queen of the Desert of all things Worse her stories serialized in newspapers and reprinted in books are complete rubbish Miss Sidney Honeywell didn t set out to deceive anyone It s not her fault readers assumed her Tales of a Lady Adventurer in Egypt were real Admitting her inadvertent deception now would destroy her reputation and her livelihood But when the Earl of Brenton challenges her to travel to Egypt to prove her expertise accompanied by his dashing arrogant nephew what choice does she have but to pack her bags With the matchmaking founders of the Lady Travelers Society in tow Harry is determined to expose Sidney s secret But the truth might not be as great a revelation as discovering that love can strike even the most stubborn of hearts Alexander continues her celebration of multigenerational female bravado and intensifies the complexity of this delightfully over the top series through a fantastical Egyptian travelogue and playfully praises the value of telling a good adventure tale through its imaginative fiction writing female lead Publishers Weekly **Rethinking the Secular Origins of the Novel** Kevin Seidel, 2021-03-25 Challenging concepts of religion and secularism this book shows the English novel rising with the English Bible not after it Shaw's penny series. The Seventh Telling is a journey into the Kabbalah a spiritual discipline hidden within the folds of Jewish history Stephanie and Sidney have been studying with Moshe Katan a kabbalist who shared his learning only when he perceived that a kabbalistic intervention might be necessary to save the life of Rivkah his wife What has happened to Moshe and Rivkah we do not know only that their house is now being used for an extraordinary storytelling a spiritual discipline to share with those willing to risk examining the very core of their beliefs *Fathers and Sons in Shakespeare* Fred B. Tromly,2010-05-01 Some of Shakespeare s most memorable male characters such as Hamlet Prince Hal and Edgar are defined by their relationships with their fathers In *Fathers and Sons in Shakespeare* Fred B Tromly demonstrates that these relationships are far more complicated than most critics have assumed While Shakespearean sons often act as their fathers steadfast defenders they simultaneously resist paternal encroachment on their autonomy tempering vigorous loyalty with subtle hostility Tromly s introductory chapters draw on both Freudian psychology and Elizabethan family history to frame the issue of filial ambivalence in Shakespeare The following analytical chapters mine the father son relationships in plays that span Shakespeare s entire career The conclusion explores Shakespeare s relationship with his own father and its effect on his fictional depictions of life as a son Through careful scrutiny of word and deed the scholarship in *Fathers and Sons in Shakespeare* reveals the complex attitude Shakespeare s sons harbour towards their fathers Do Not Go Quietly George Cappannelli,Sedena Cappannelli,2014-12-01 Winner of 9 national book awards *Do Not Go Quietly* is an inspiring call to action and guide to a life of greater meaning consciousness and passion for those who weren t born yesterday GenXers Boomers and Elders It also speaks honestly and eloquently to those under 40 who want to better navigate the path ahead and better understand the world for which they will soon be responsible It reminds us all that when we turn away from what we are passionate about we dim the light of our intellect depress our energies diminish our health and prevent ourselves from achieving the very thing we came here to this earth to accomplish living the lives we were born to live So if you are in or are approaching the second half of life this book invites you to take the matter of how and why you live back into your own hands It encourages you to use the tremendous power and resources available to you to ensure that you do not slip quietly and

meekly into the background but instead live your life with the dignity purpose and quality of experience you deserve
