Story Of The Bahamas:

The Story of the Bahamas Paul Albury, 1975 **The Natural History of The Bahamas** Dave Currie, Joseph M. Wunderle, Jr., Ethan Freid, David N. Ewert, D. Jean Lodge, 2019-10-15 The Natural History of the Bahamas fills a void in the literature on the avian and terrestrial species found there and is an overall excellent guide Sandra D Buckner Past President of the Bahamas National Trust Take this book with you on your next trip to the Bahamas or the Turks and Caicos Islands or keep it close to hand in your travel library The Natural History of the Bahamas offers the most comprehensive coverage of the terrestrial and coastal flora and fauna on the islands of the Bahamas archipelago as well as of the region s natural history and ecology Readers will gain an appreciation for the importance of conserving the diverse lifeforms on these special Caribbean islands A detailed introduction to the history geology and climate of the islands Beautifully illustrated with more than seven hundred color photographs showcasing the diverse plants fungi and animals found on the Bahamian Archipelago

The Bahamas in American History Keith Tinker, 2011-11-30 THIS BOOK EXPLORES the many complex historical connections between the United States of America and the Commonwealth of The Bahamas Beginning with an overview of shared early Spanish colonization the book is the first attempt to provide a comprehensive study of the impact of the sequential development of the United States on events in the emerging Bahamas placing the heretofore marginalized history of the island nation firmly into the orbit of Atlantic historiographical literature Among other things the book sheds light on the role played by the islands in a series of significant events in the U S history These include the American Revolution in which four of the initial official military actions of the fledgling U S Navy comprised repeated invasions of British controlled Nassau capital of the Bahamas the American Civil War during which Nassau became one of the main bases for supply of vital goods and ammunition to the Confederacy the intrigues of the Volstead Act which legislated prohibition but also caused the temporary transformation of Bahama Islands into major transshipment centers for the smuggling of alcoholic beverages to a multitude of prohibition defiant and thirsty Americans and the significant role played by Bahamian migrants in the creation of the city of Miami and other areas of south Florida The author draws on a wealth of tapped and untapped primary sources and presents a new perspective on the Bahamian experience that helped to define the self proclaimed American credo of Manifest Destiny

The Story of the Bahamas Paul Albury, 1976 A History of the Bahamian People Michael Craton, Gail Saunders, 1992 The present work concludes the important and monumental undertaking of Islanders in the Stream A History of the Bahamian People creating the most thorough and comprehensive history yet written of a Caribbean country and its people In the first volume Michael Craton and Gail Saunders traced the developments of a unique archipelagic nation from aboriginal times to the period just before emancipation This long awaited second volume offers a description and interpretation of the social developments of the Bahamas in the years from 1830 to the present Volume Two divides this period into three chronological sections dealing first with adjustments to emancipation by former masters and former slaves

between 1834 and 1900 followed by a study of the slow process of modernization between 1900 and 1973 that combines a systematic study of the stimulus of social change a candid examination of current problems and a penetrating but sympathetic analysis of what makes the Bahamas and Bahamians distinctive in the world This work is an eminent product of the New Social History intended for Bahamians others interested in the Bahamas and scholars alike It skillfully interweaves generalizations and regional comparisons with particular examples drawn from travelers accounts autobiographies private letters and the imaginative reconstruction of official dispatches and newspaper reports Lavishly illustrated with contemporary photographs and original maps it stands as a model for forthcoming histories of similar small ex colonial nations in the region

The Story of the West Indies Arnold Kennedy,1899 [Race Relations in the Bahamas, 1784-1834](#) Whittington Johnson,2000-07-01 This deeply researched clearly written book is a history of black society and its relations with whites in the Bahamas from the close of the American Revolution to emancipation Whittington B Johnson examines the communities developed by free bonded and mixed race blacks on the islands as British colonists and American loyalists unsuccessfully tried to establish a plantation economy The author explores how relations between the races developed civilly in this region contrasting it with the harsher and more violent experiences of other Caribbean islands and the American South Interpreting church documents and Colonial Office papers in a new light Johnson presents a more favorable conclusion than previously advanced about the conditions endured by victims of the African Diaspora and by Creoles in the Bahama Islands He makes use of an impressive and important body of archival and secondary research *Race Relations in the Bahamas* will be a book of great interest to southern historians historians of slave societies and black communities scholars of race relations and general readers *A History of the Bahamas* Michael Craton,1986

History of the Bahamas Ashley B. Saunders,1990 [A Brief History of Every Country In The World: ,2024-08-24](#) North America is a continent that remained relatively detached from the greater history of the world until the arrival of Christopher Columbus and other European colonists in 1492 Yet despite this long and timely distance from the rest of the globe the pages of North American history are extremely rich both before European arrival with indigenous peoples and well after as the continent cradled unique infant nations Between the twenty three independent countries that make up the region today and the over 20 000 years of human history spread out across its vast jungles and plains this book is a snapshot of that history In about six pages the complete story of every North American country is overviewed from the very first peoples to inhabit them up to our modern world and the influences of current events Whether you re looking for certain information on specific countries or just curious in a general read of North America s greater history this book is perfect for you It fits in an extraordinary amount within a few hundred pages everything from ancient Mesoamerican nations and swashbuckling pirates to Cold War coups and decolonization and reads like a good novel Certainly a must read if you re curious about North American history

Islanders in the Stream: A History of the Bahamian People Michael Craton,Gail Saunders,2011-08-15 From two

leading historians of Bahamian history comes this groundbreaking work on a unique archipelagic nation *Islanders in the Stream* is not only the first comprehensive chronicle of the Bahamian people it is also the first work of its kind and scale for any Caribbean nation This comprehensive volume details the full extraordinary history of all the people who have ever inhabited the islands and explains the evolution of a Bahamian national identity within the framework of neighboring territories in similar circumstances Divided into three sections this volume covers the period from aboriginal times to the end of formal slavery in 1838 The first part includes authoritative accounts of Columbus's first landfall in the New World on San Salvador island his voyage through the Bahamas and the ensuing disastrous collision of European and native Arawak cultures Covering the islands initial settlement the second section ranges from the initial European incursions and the first English settlements through the lawless era of pirate misrule to Britain's official takeover and development of the colony in the eighteenth century The third and largest section offers a full analysis of Bahamian slave society through the great influx of Empire Loyalists and their slaves at the end of the American Revolution to the purported achievement of full freedom for the slaves in 1838 This work is both a pioneering social history and a richly illustrated narrative modifying previous Eurocentric interpretations of the islands early history Written to appeal to Bahamians as well as all those interested in Caribbean history *Islanders in the Stream* looks at the islands and their people in their fullest contexts constituting not just the most thorough view of Bahamian history to date but a major contribution to Caribbean historiography

Hurricane Dorian—The Story of the Greatest and Deadliest Hurricane To Wayne Neely, 2022-10-31 Hurricane Dorian is a heartbreaking tale for The Bahamas It was one of the strongest North Atlantic hurricanes and the strongest Bahamian hurricane and caused about \$3.4 billion in damages to the Bahamian economy Hurricane Dorian struck Abaco and Grand Bahama with wind speeds of 185 mph and had the highest wind speeds for a North Atlantic landfalling hurricane The storm caused the death of 74 people in The Bahamas In addition more than 75 percent of all homes on Abaco were either damaged or destroyed In East End Grand Bahama satellite data suggested that 76 to 100 percent of the buildings were destroyed This book includes the meteorological history records broken compelling personal recollections its impact on each island affected a chapter on climate change and its effects on hurricanes the benefits of hurricanes and why we need them on planet Earth This book is a must read

The Paradise Island Story Paul Albury, Anne Lawlor, Jim Lawlor, 2004 This is a history of Paradise Island Nassau in the Bahamas

Race and Class in the Colonial Bahamas, 1880-1960 Gail Saunders, 2017-10-16 Saunders resoundingly affirms the relevance of island history Scholars will appreciate the detail and insights Choice Deftly unravels the complex historical interrelationships of race color class economics and environment in the Colonial Bahamas An invaluable study for scholars who conduct comparative research on the British Caribbean Rosalyn Howard author of Black Seminoles in the Bahamas Saunders is to be commended for a scholarly study that prominently features the non white majority in the Bahamas a group which usually has been overlooked Whittington B Johnson author of Post Emancipation Race Relations in The Bahamas In this one of a kind study of race and class in the Bahamas Gail Saunders shows how racial tensions were not necessarily parallel to those across other British West Indian colonies but instead mirrored the inflexible color line of the United States Proximity to the U S and geographic isolation from other British colonies created a uniquely Bahamian interaction among racial groups Focusing on the post emancipation period from the 1880s to the 1960s Saunders considers the entrenched though extra legal segregation prevalent in most spheres of life that lasted well into the 1950s Saunders traces early black nationalist and pan Africanism movements as well as the influence of Garveyism and Prohibition during World War I She examines the economic depression of the 1930s and the subsequent boom in the tourism industry which boosted the economy but worsened racial tensions proponents of integration predicted disaster if white tourists ceased traveling to the islands Despite some upward mobility of mixed race and black Bahamians the economy continued to be dominated by the white elite and trade unions and labor based parties came late to the Bahamas Secondary education although limited to those who could afford it was the route to a better life for nonwhite Bahamians and led to mixed race and black persons studying in professional fields which ultimately brought about a rising political consciousness Training her lens on the nature of relationships among the various racial and social groups in the Bahamas Saunders tells the story of how discrimination persisted until at last squarely challenged by the majority of Bahamians

The Greatest and Deadliest Hurricanes to Impact the Bahamas Wayne Neely, 2019-12-09 The Bahamas is ideally located directly in the path of hurricanes in the North Atlantic These massive tropical cyclones have been ravaging the Bahamas since the Lucayan Indians blessed these islands with their presence Now for the very first time these greatest and deadliest Bahamian hurricanes have been presented and documented in book form Such named storms include Hurricanes Andrew Floyd Donna Dorian David Matthew Betsy Frances Jeanne and Wilma While other unnamed storms include The Great Nassau Hurricane of 1926 The Great Abaco Hurricane of 1932 The Great Bahamas Hurricane of 1866 The Great Okeechobee Hurricane of 1928 and The Great Andros Island Hurricane of 1929 The Bahamas hurricane season which lasts from June to November has seen plenty of catastrophic storms throughout history Here s a look at some of the greatest

and deadliest storms that have hit the Bahamas over the past five centuries Bahama Saga Peter Barratt,2004-05-21

BAHAMA SAGA is a chronicle of the human presence on a unique archipelago of the Americas The story takes its title from a few invented characters and the romantic and beautiful country of seven hundred sub tropical islands The confetti of Bahamian islands has at different times been a locus for the three races of the planet After the original Amerindian inhabitants perished the Bahamas remained uninhabited for nearly 150 years until people from Bermuda largely of English and African stock re settled the islands commencing in 1648 Not long afterwards many more Africans were brought to the Bahamas in bondage Their descendants today hold the destiny of the islands in their hands The geographical location of the Bahamas allowed the islands to play a brief but important part in the history of the modern world The eastern islands protrude out into the Atlantic Ocean so as to make them one of the nearest parts of the Americas to Europe and it was here that an explorer from Europe made a historic landfall at what for him at least was a New World It was just over five hundred years ago that Christopher Columbus in 1492 sailed the ocean blue The islands on the western side are a mere 50 miles from the United States Throughout time events on the North American continent have had a major affect upon the history of the Bahama Islands as this well written and intriguing story relates **Enterprising Slaves & Master Pirates** Virgil Henry Storr,2004

Enterprising Slaves Master Pirates is an interdisciplinary account of economic life in the Bahamas The Bahamas economic story is an interesting tale full of vibrant color a story of short lived booms followed by protracted busts where discussions of economic success force us to mention fanciful figures such as the pirates Blackbeard and Calico Jack and where accounts of economic woe such as the collapse of the cotton market are punctuated by descriptions of the clamor of Sunday markets or the unique practice of self hire Since the almost simultaneous settling of the Bahamas by pirates and Puritan farmers in the 17th century two ideal typical entrepreneurs have dominated the region s economic life the enterprising slave encouraging Bahamian businessmen to work hard to be creative and to be productive and the master pirate demonstrating how success is more easily attained through cunning and deception In addition to Caribbean Studies scholars this book will appeal to students of culture interested in economic development and economists interested in how culture impacts development efforts **Moon Bahamas** Mariah Laine Moyle,2019-03-12

Turquoise waters pristine beaches world famous rum and a culture that welcomes you with a smile Soak up the sun and fun with Moon Bahamas Inside you ll find Flexible itineraries from a Nassau getaway to a week of island hopping including day trips to the Out Islands Strategic advice for travelers looking for family fun romance nightlife water sports and more Must see highlights and unique experiences Go diving to see shipwrecks underwater sculptures and coral reefs snorkel with sharks or swim with friendly pigs Spot wild pink flamingoes climb to a historic stone monastery at the highest point in the Bahamas or visit the iconic Hope Town Lighthouse Relax in an oceanfront bungalow sip cocktails made from local rum and hang out with locals at a fish fry Honest recommendations from Nassau local Mariah Moyle on when to go where to eat how to get around and where to
