

A decorative bookshelf filled with various books, some with ornate spines. Pink flowers with green leaves are draped over the top and sides of the shelf. In the center of the shelf, a small image of a large, classical-style building with a central dome and many windows is visible.

The Return of the Storyteller in Contemporary Fiction Areti Dragas, 2014-08-31 Focusing on the figure of the storyteller this study breaks new ground in the approach to reading contemporary literature by identifying a growing interest in storytelling For the last thirty years contemporary fiction has been influenced by theoretical discourses textuality and writing Only since the rise of postcolonialism have academic critics been more overtly interested in stories where high theory frameworks are less applicable However as we move through various contemporary contexts engaging with postcolonial identities and hybridity to narratives of disability and evolutionary accounts of group and individual survival a common feature of all is the centrality of story which posits both the idea of survival and the passing on of traditions The Return of the Storyteller in Contemporary Fiction closely examines this preoccupation with story and storytelling through a close reading of six contemporary international novelists that are either about actual storytellers or engage with the figure of the storyteller revealing how death of the author has given birth to the storyteller

The Storyteller's Daughter Victoria Scott, 2025-01-15 The BRAND NEW beautiful historical novel from Victoria Scott perfect for fans of Evie Woods Kate Storey and Rachel Burton A secret buried for decades A story that will change everything 1940 When twenty one year old Nita Bineham is offered the chance of

independence away from the high walls of her family's Surrey estate she grasps it with both hands But her new role at a local newspaper coincides with the emergence of a sinister rumour in their quiet village that there is a traitor in their midst Nita is determined to prove herself by uncovering the truth but is she prepared for revelations that could change her life forever

2008 Following the death of her great aunt Beth flees London for the privacy of rural Surrey Within the confines of her family's dilapidated manor house she hides from the dual wreckage of her career and her marriage But when her aunt's dying words lead her to a stack of old newspaper articles Beth finds herself drawn into a decades old mystery about a long buried secret and an enemy dangerously close to home Praise for Victoria Scott Beautifully written and delightfully unsettling an evocative read set in an unusual landscape that will pull you in from the first page Rachel Burton The twists and turns revealed kept me turning pages way longer than I was meant to stay awake The way Meredith's mind gets confused as she learns more and more tugged at my heart and reading Ellen's experiences with her beau and how his mental health was essentially compartmentalised in an era when there wasn't much knowledge was heartwrenching Within the tale there are elements of the gothic tradition with old houses fog rising waters stormy weather and more The reader's pulse rate rises as we are committed to following the action I thoroughly enjoyed The House In The Water It consumed me from the start It was the first book by Victoria Scott but I certainly she she will write more Don't you love a dual time line novel I do and this one is exceptional I have read the author's earlier work and this is straying into much darker territory but I think it only serves to show what a great writer she is Atmospheric gripping with huge heart and impossible to put down the very best sort of book Beautiful captivating prose kept me totally engaged in both timelines Wonderful My first by this author but not the last This is definitely a spellbinding and unsettling tale with a dash of romance set in WW2 and 2013 that might haunt your dreams and leave you with a lot to think about A riveting read I was engrossed in the story from the start May Day House is a rehab house for soldiers during WWII They are cared for and sent back to war Years later a couple buys the house which soon appears to be haunted by the soldiers who had been there It is a great story

The Storyteller's Daughter Cameron Dokey, When Shahrazad becomes enslaved she must remain cool and calm to come up with a clever plan that will make the coldhearted king see her in a different light in order to change her future

Storyteller's Daughter Cameron Dokey, Jean Thesman, 2002-09-01 When Shaharazad becomes enslaved she must remain cool and calm to come up with a clever plan that will make the coldhearted king see her in a different light in order to change her future

The Storytellers Caron McKinlay, 2022-05-16 Trapped between life and the afterlife three women meet and share their stories while discovering the truth about the men in their lives and about themselves Suspended in an eerie state of limbo an entity called the Gatekeeper tells Nikki Ronnie and Mrs Hawthorne they are on the cusp of entering the afterlife but only if the women can persuade him that in their earthly lives they knew the meaning of love Fragments of their memories return plunging them back into their pasts and forcing them to face the desires disappointments addictions lies and obsessions they battled in life But before time

runs out will they find the answer to the ultimate question what is love Darkly funny and completely compelling with brilliantly flawed characters you can't help rooting for even when they're bad Frances Quinn author of *The Smallest Man* Utterly mind blowing If Stuart Turton had written *Gone Girl* it would look like this Intelligent compelling writing that is genre defining Brilliant Victoria Dowd author of *The Supper Club* Murders Gripping thought provoking and clever I was hooked from the very first page Nicola Gill author of *The Neighbours* Beautiful edgy and the perfect debut *A tale* crafted with heart soul and sass Keith A Pearson author of *The 86 Fix* *Storytellers, Saints, and Scoundrels* Kirin Narayan, 2011-11-29

Swamiji a Hindu holy man is the central character of *Storytellers Saints and Scoundrels* He reclines in a deck chair in his modern apartment in western India telling subtle and entertaining folk narratives to his assorted gatherings Among the listeners is Kirin Narayan who knew Swamiji when she was a child in India and who has returned from America as an anthropologist In her book Narayan builds on Swamiji's tales and his audiences' interpretations to ask why religious teachings the world over are so often couched in stories For centuries religious teachers from many traditions have used stories to instruct their followers When Swamiji tells a story the local barber rocks in helpless laughter and a sari wearing French nurse looks on enrapt Farmers make decisions based on the tales and American psychotherapists take notes that link the storytelling to their own practices Narayan herself is a key character in this ethnography As both a local woman and a foreign academic she is somewhere between participant and observer reacting to the nuances of fieldwork with a sensitivity that only such a position can bring Each story's reproduced in its evocative performance setting Narayan supplements eight folk narratives with discussions of audience participation and response as well as relevant Hindu themes All these stories focus on the complex figure of the Hindu ascetic and so sharpen our understanding of renunciation and gurus in South Asia While *Storytellers Saints and Scoundrels* raises provocative theoretical issues it is also a moving human document Swamiji with his droll characterizations inventive mind and generous spirit is a memorable character The book contributes to a growing interdisciplinary literature on narrative It will be particularly valuable to students and scholars of anthropology folklore performance studies religions and South Asian studies

The Richard & Judy Book Club Reader Helen Cousins, 2016-03-03 In January 2004 daytime television presenters Richard Madeley and Judy Finnigan launched their book club and sparked debate about the way people in Britain from the general reader to publishers to the literati thought about books and reading The Richard Judy Book Club Reader brings together historians of the book literature scholars and specialists in media and cultural studies to examine the effect of the club on reading practices and the publishing and promotion of books Beginning with an analysis of the book club's history and its ongoing development in relation to other reading groups worldwide including Oprah's the editors consider issues of book marketing and genre Further chapters explore the effects of the mass broadcast celebrity book club on society literature and its marketing and popular culture Contributors ask how readers discuss books judge value and make choices The collection addresses questions of authorship

The Uncoiling Python Harold Scheub, 2010-08-10 The oral and written traditions of the Africans of South Africa have provided an understanding of their past and the way the past relates to the present These traditions continue to shape the past by the present and vice versa From the time colonial forces first came to the region in 1487 oral and written traditions have been a bulwark against what became 350 years of colonial rule characterized by the racist policies of apartheid The Uncoiling Python South African Storytellers and Resistance is the first in depth study of how Africans used oral traditions as a means of survival against European domination Africans resisted colonial rule from the beginning They participated in open insurrections and other subversive activities in order to withstand the daily humiliations of colonial rule Perhaps the most effective and least apparent expression of subversion was through indigenous storytelling and poetic traditions Harold Scheub has collected the stories and poetry of the Xhosa Zulu Swati and Ndebele peoples to present a fascinating analysis of how the apparently harmless tellers of tales and creators of poetry acted as front line soldiers

The Storyteller's Daughter Maria Goodin, 2012 A tender charming and whimsical story about secrets survival love and cooking a delicious treat for all romantics

Marginality in the Contemporary British Novel Nicola Allen, 2011-10-27 The Marginal as a concept has become an integral part of the British novel as it stands at the turn of the century Both popular and literary fiction since the mid 1970s has seen an increasing emphasis on the marginal subject This study offers readings of a wide range of contemporary British novels that represent characters or communities at the margin of society Nicola Allen analyses three conceptual categories representing the marginal subject in the contemporary British novel the character of the misfit or outsider the emergence of the grotesque and the rediscovery of previously marginalized narratives such as myth and fantasy This innovative and original monograph focuses on the contention that the contemporary novel of marginality conveys a belief in the socially transformative powers of narrative and suggests that narrative has played a central role in bringing marginal politics and marginal issues to the fore in contemporary Britain
