Straight Talk Parent To Parent:

Straight Talk on Parenting Vicki Hoefle, 2016-10-04 Parents these days are under a great deal of pressure to be perfect. From psychologists to social scientists, journalists to weekend bloggers, everyone has an opinion about the do's and don'ts for raising healthy, well-adjusted and let's not forget polite children in today's fast-paced world. Where does this leave parents? Too often lacking in confidence, ill-equipped and overwhelmed. Parenting expert Vicki Hoefle makes the bold claim that it's time for parents to get off the perfection path and get back to the real job of parenting to grow a grown-up. In this no-nonsense parenting guide, Hoefle draws upon twenty-five years of experience with helping parents see the big picture and sidestep what she calls the detail drama that too often trumps everyday life with our kids. Parents learn more than just strategies; they learn a methodology that allows them to help their toddlers build a strong foundation for success in adulthood. In her trademark tell-it-like-it-is style, Hoefle tells parents to trust their intuition and develop an intentional strategy for meeting each child's unique needs. Above all, *The Straight Talk on Parenting* offers the confidence-boosting reminder that parenting is about practice and a healthy dose of humor, not perfection. **Straight Talk with Your Kids About Sex** Josh McDowell, Dottie McDowell, 2012-10-01 In *Straight Talk with Your Kids About Sex*, Josh and Dottie McDowell draw on their decades-long love and concern for youth. Building on the Why True Love Waits campaign and utilizing up to the minute research from Josh's The Bare Facts resources, the McDowells provide a compact, easy-to-use guide to support parents in putting sex and sexuality in a biblical context of relationship to God, gauging their child's emotional and spiritual readiness, being alert to questions and opportunities, being direct and open without violating their child's emotions, proactively shaping their child's worldview in today's sex-saturated culture. Working from their own experience with four children, Josh and Dottie give readers encouragement and solid information in the sometimes awkward process of guiding their child into a healthy understanding of God's gift of sex. ***Autism: Parent to Parent*** Shannon Penrod, 2022-06-07 Your child has been diagnosed with Autism Spectrum Disorder and you are feeling overwhelmed and alone. Suddenly you need to become an expert in treatment, diet, language development, social skills, special education, law, insurance, and a million other things. Veteran parent Shannon Penrod hosts Autism Live, the #1 rated Autism Podcast worldwide; now she is giving you all her best resources, strategies, tips, and information to help you and your child survive and thrive. *Autism Parent to Parent* covers everything you need to know, such as: What do you say to pushy relatives?
