Straight Talk On Spiritual Power:

Straight Talk on Spiritual Power Bill Hull, 2002 Careful scriptural examination of speaking in tongues Spirit baptism healing prophecy and miracles that affirms the Holy Spirit's full ministry today **Straight Talk on Spiritual Power** Bill Hull, 2002-07-01 Every church wants to experience the fullness of God but many feel discomfort and confusion when the question of gifts of the Holy Spirit is raised What does it mean to move in the power of the Holy Spirit Isn't the issue of gifts of the Spirit divisive to evangelical churches Straight Talk on Spiritual Power begins with Bill Hull's own theological journey from being a student at a charismatic university to a cessationist to a pastor with a moderate position affirming the full ministry of the Holy Spirit in the church today Using Jesus as the ultimate model Hull searches the Scriptures and finds a consistent balance between the Word of God and the power of the Spirit He shares the gradual change in his own church as it grew to experience the gospel with power the Holy Spirit and deep conviction Conscious of the fears and confusion often surrounding this topic Hull carefully looks at topics such as speaking in tongues baptism in the Holy Spirit healing prophecy and miracles and offers thorough scriptural as well as practical instruction *Following Jesus* Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **I Believed and Therefore I Spoke** Timothy T.
